DAYS OF DIZZINESS.

Cure of Hundreds of Emporium People.

There are days of dizziness; Spells of backache, sideache, backache; Sometimes rheumatic pains; Often urinary disorders. All tell you plainly the kidneys are sick. Doan's Kidney Pills cure all kidney ills.

Here is proof in Emporium. Mrs. Aug. Extrom, living on Sixth St., Emporium, Pa., says: "I do not hesitate to recommend Doan's Kidney Pills and I have done so on a good many occasions. For a long time I was in a miserable condition, suffering with backache and sharp pains in the region of my kidneys. I was restless at night and was subject to headaches and dizzy spells. At times my feet would swell. I was unable to obtain relief until I was advised to try Doan's Kidney Pills and procured the remedy from L. Taggart, the druggist. They proved to be just what my system required. By the time I had finished the contents of the first box there was a great improvement in my condition. I continued with Doan's Kidney Pills until I had used three or four boxes and by that time the backache had completely vanished. I was no longer troubled with headaches and dizzy spells and my general health was much improved. I am a great advocate of Doan's Kidney Pills and strongly recommend this remedy to anyone suffering with kidney or bladder trouble."

It is very important and in fact it is absolutely necessary to health that we give relief to the stomach promptly at the first signs of trouble—which are belching of gas, nausea, sour stomach, headache, irritability and nervousness. There are warnings that the stomach has been mistreated; it is doing too much work and it is demanding help from you. Take something once in a while, especially after meals; something like KODOL for Dyspepsia and Indigestion. It will enable your stomach to do its work properly. Sold by R. C. Dodson.

Some men are sympathetic because there is no expense attached to it.
