WASHINGTON LETTER.

(From our Regular Correspondent.)

Washington, Jan. 4th, 1908.

The tactics of some of the friends of Senator Foraker are greatly deplored by his friends in Washington as well as by all republicans. Their latest manoeuvre is the circulation of the report, chiefly among Masonic orders, and that includes a large per cent. of the politicians of the country, Democrats as well as Republicans, that Mrs. Taft is a Catholic. Mrs. Taft nor her family has ever had any affiliation with the Catholic church. She is an Episcopalian as everybody knows, and the Secretary is an Unitarian. The inference from the circulation of this falsehood is obvious that the friends of the Senator feel obliged to resort to any measure, however pusillanimous, to boost their candidate for the Presidency.

Comments were heard on every hand among Republicans upon the recent developments in New York in connection with the Hughes boom. The two events of interest were the appointment of a committee of the Republican Club of New York city, comprising some of the best known members of that organization, to push the Hughes boom; and the governor's message to the legislature. It is declared that the first practical effort of the committee will be to induce the Republican county committee, at its meeting January 16, to put through the resolution endorsing Gov. Hughes, which went over.

Much disappointment was expressed over the governor's message to the legislature. The natural expectation had been that he would have something to say about some at least of the many national questions which are absorbing the minds of the country, and there was much criticism heard on every hand that he should have confined himself so exclusively on state affairs.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. CHENEY & Co., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

The Pure Food Law.

Secretary Wilson says, "One of the objects of the law is to inform the consumer of the presence of certain harmful drugs in medicines." The law requires that the amount of chloroform, opium, morphine, and other habit forming drugs be stated on the label of each bottle. The manufacturers of Chamberlain's Cough Remedy have always claimed that their remedy did not contain any of these drugs, and the truth of this claim is now fully proven, as no mention of them is made on the label. This remedy is not only one of the safest, but one of the best in use for coughs and colds. Its value has been proven beyond question during the many years it has been in general use. For sale by L.
