### "My Wife's Family."

There is something in the production of "My Wife's Family," a musical comedy in three acts, by Stephens & Linton, which commends itself strongly to amusement lovers. It is just a jolly bit of tom-foolery. It is never loud, never vulgar, always refined, and never fails to send away a well satisfied audience at the close of the performance. There are three hours of music, song and drollery, with never a minute that is slow or dull. It is one round of jollity from the rise to the fall of the curtain. The comedians are exceedingly funny, the ladies are decidedly pretty and vivacious, and the songs and music are catchy. Striking and effective costumes, stage pictures that please the eye, and snatches of wit that you laugh in spite of yourself. The company is made up of well-known people, especially engaged for the parts portrayed. At Emporium Opera House, Friday evening, Feb. 21.

### "My Wife's Family."

"Smile On Me" sung in "My Wife's Family," a clever musical comedy success, which will be seen at the Emporium Opera House on Friday evening, Feb. 21st, is one of the big hits of the season. It is one of the catchiest melodies written in recent years and has a swing to it that sets everybody keeping time to the music, and humming and whistling it for days afterwards.

### Sinnamahoning Revival.

In the Methodist Episcopal Church at Sinnamahoning the revival continues with unabated interest. Fifty-one have been converted at the altar, and on Sunday night, at a special jubilee service Rev. Dickson admitted a class of forty probationers. The meeting is conducted by the pastor Rev. Conway W. Dickson and will continue indefinitely.

WANTED.—At City Hotel, a dining room girl. Apply at once.

### Pennsylvanians at Spokane.

SPOKANE, WASH., Feb. 10th.—Native born and for more than 10 years residents of the Keystone State, now living in Spokane, organized the Pennsylvania Society at a largely attended meeting in the assembly hall of the chamber of commerce, the evening of Jan. 29. These officers, which also constitute the executive committee, were named to have charge of affairs until the annual meeting in May:

President, William H. Acuff, Montgomery county; first vice president, Alexander M. Lupfer, Perry county; second vice president, J. Grier Long, Westmoreland county; third vice president, Thomas H. Brewer, Jefferson county; fourth vice president, Fred P. Greene, Venango county; secretary, George B. Dresler, Montgomery county; treasurer, W. R. Cooley, Chester county.

Eighty-two names, representing practically every county in Pennsylvania were enrolled, and it was decided to invite all former residents of the state, of which there are 400 in Spokane, to join the society at the dinner to be given one evening the last week in February. The object of the society is the social, moral and commercial betterment of the members and to keep alive the spirit of the home state. One of the charter members is "Philadelphia Tom" Smith, who holds the record of having served more years continuously as a fireman and policeman than any man on the continent. He is 67 years of age and has been in service since 1860, when he was a member of the fire brigade in Philadelphia.

### The Kind of Men to Send to the Legislature.

Speaker McClain of the present House of Representatives spoke at the Lincoln Day Banquet at Williamsport, Pa., on the subject of high grade citizenship and the independence of the last Legislature, and in regard to the next Legislature said the following: "The people of Pennsylvania should send men to the Legislature of 1909 who will stand for right and not be influenced by promise of favor or fear of displeasure, either political or corporate. How they will vote for United States Senator or whether they are for or against local option should not be the only measurement of qualification. Other questions of perhaps equal importance to all the people will present themselves. Send men who will not sail with the popular breeze when they know it is blowing in the wrong direction; send men of honor, men of intelligence, men of courage, men with business ability, men with opinions and a will, and the result will be that the policies in legislation inaugurated at the session of 1907 will be continued."

### Public School Notes.

The Emporium Local Institute will be held on March 20 and 21. Hon. S. B. Elliott has been engaged to lecture on Forestry at the evening session.

A literary society has been organized by the students of the High School. The meetings are held on alternate Friday afternoons beginning about 2:15. Patrons and friends of the school are invited. The next meeting is on Friday afternoon, Feb. 21st.

The pupils of Miss Barker's school have invested their money obtained as a prize for selling the most tickets to the lecture by Mr. Hartman in books, which they have added to the East Ward Library.

Could not more of the parents find the time to visit the schools? Have you visited your children's schools and become acquainted with their teachers? Let us have more visits reports during this month.

### Critically Ill.

Washington Mason, of Sterling Run, who has been critically ill for the past five weeks, is slightly improved at this writing. Dr. Wilson, of St. Marys is attending him. His many friends hope to see him around again soon, but his age is a great drawback to his recovery, he being 84 years of age.

Part of a house, suitable for small family, for rent. Apply to Arthur Frappier.

### A Call for Nurses.

The residents of this part of the state will be interested in the call for nurses issued by one of the largest and most famous schools for nurses in the world the Philadelphia School for Nurses, 2219 Chestnut Street, Philadelphia, Pa.

Good, honest, ambitious American girls, whether rich or poor, cannot do better than to take up the finest profession now open to women—trained nursing. The trained nurse occupies a unique position among business women. Her salary is approached by that of very few of her sister-workers in other lines of effort, she is independent and receives great consideration and respect.

The profession is far from being overcrowded, that it is an important question among physicians how the deficiency may be made up, since no school is of sufficient capacity to meet the need. The nearest approach to a solution has been found by the Philadelphia School for Nurses. A general endowment enables the school to enlarge its classes very greatly and to offer a large number of free scholarships to suitable applicants. It is now desired to reach the right class of young woman in small towns and country districts, that its classes for the coming year may be recruited from them.

Several hundred students are now receiving instruction, a large class was graduated in June, and another in December. These young women are immediately employed, the demand for their services far exceeding the supply. There are graduates in nearly every state of the Union, and in all civilized countries there are a number of representatives. In every mission field as well as their home communities, they are winning a warm place in the hearts of the people by earnest and unselfish service to their fellow beings. Important positions in large institutions are also held by them with the greatest success. One graduate expressed the feeling of many when she said: "I shall never cease to be grateful to the school the greatest blessings that have come into my life."

Classes are now forming in several of the courses of the school, and applications should be made promptly in order to secure early admittance. Full information will be sent upon request.

### Leap Year Ball.

A Leap Year Ball was given by the young ladies of town, at the Theatorium, on St. Valentine's Eve., to the young men. A programme of twenty-two dances was rendered, which was enjoyed by about forty couples, and in which the ladies got up courage enough to ask the boys to dance. Fruit punch was served between the dances, and after the "Home, Sweet Home" waltz the young men departed for their homes under the careful guidance of their fair escorts. We (the boys) are very much indebted to the young ladies and especially Miss Iva McDougal, who acted as manager of the dance, for a most enjoyable evening.

### Communicated.

MR. EDITOR:  
It seems as if the Pennsylvania Legislature would miss a couple of sessions, by that time the Supreme Court would have time to "knock out" the rest of the unconstitutional laws on the statute book, and then perhaps a Legislature could be elected, that would pass some laws that could be enforced, and that wouldn't be wholly in the interest of the corporations and money classes.

It is an old saying "that a laborer is worthy of his hire."  
There is only one class of citizens in the U. S., that are supposed to work without pay, and that is the criminal class under sentence.

Now in this great state of Pennsylvania there are two classes, who have to work for nothing and board themselves. These are the school Directors and Supervisors of public roads. Shall we class them as criminals? Is it a "square deal" to compel them to put in the amount of time they have to, if they live up to their oaths of office, without any compensation whatever. We think not.

There is need of some laws being passed to fit these cases. Then there should be a law passed for the protection of the citizens along the streams, compelling the manufacturing plants, to stop turning their poisons into the streams. These corporations have no right of "eminent domain," as the railroads have, who can go through your property anywhere and pay you about what they please. On the contrary the citizens have some rights in the case, which the corporations should be compelled to respect. No voter in Potter, Cameron or Clinton counties should cast his ballot for a member of Assembly unless he would pledge himself to do all in his power, to have an act passed at the coming session of the Legislature to prohibit the pollution of the streams by the pulp mills, tanneries, dynamite works, etc. "SQUARE DEAL."

### DEATH'S DOINGS

LEWIS  
Mrs. Fant A. Lewis, aged 55, died on North Creek, on Tuesday of heart failure. Funeral takes place Saturday at Rich Valley church, Rev. Dow officiating. The lady has been an invalid for several years.

### MAC DONOUGH.

Mrs. Eileen MacGowan MacDonough, aged 84 years, died on Friday night, Feb. 14th, 1908, at the residence of her daughter, Mrs. Katie Normanly, after an illness of two years. Deceased leaves two daughters and three sons viz: John, Temple, Texas; Sylvester, Mrs. Patrick Normanly and Mrs. C. C. Ritchie, Emporium; Thos. P., Buffalo.

Mrs. MacDonough and her husband, the late Thos. MacDonough, came to Emporium in 1866, with their family from Scotland, all of their children except Mrs. Ritchie having been born in that country. Mr. MacDonough, who died in June, 1899, will be pleasantly remembered by our citizens. Our citizens always respected the good mother who passed to the great beyond, surrounded by her loving children, and remember with deep reverence her true christian character.

High Mass was said at St. Mark's church Monday morning by Rev. Father Downey. His remarks were highly eulogistic of the dead and spoke in glowing words of praise of this truly good woman.

In addition to the relatives residing in town, the following from out of town attended the funeral: Thos. P. MacDonough, wife and daughter, Buffalo; Mrs. Thos. Cavanaugh and Mrs. Thos. Lysett, Williamsport; Miss Celia Foley, Ridgway.

### Big Purchase

H. Clarence Rich, of Buffalo, formerly of Emporium, last Saturday purchased one-half interest in the old City Bank block, six stories, paying \$87,500 or \$5,000 a foot.

### Cameron County Recognized.

Miss Mattie M. Collins, our very efficient Supt. of Schools, attended the State Teachers' Association at Harrisburg, last week and took an active part in the program. She was elected first vice president of the Association.

### Hard Lines.

Last Friday, Saturday and Sunday were strenuous times in this section—flooded out, and almost frozen to death, caused by break in the gas line. The Gas Company certainly deserves credit for their prompt work in restoring the system—the men working in water and ice up to their arm-pits. We are warmed up once more, ready for the next break.

### Political Candidates.

J. A. Muttersbaugh, of Driftwood, an aspirant for the Associate Judge nomination, at the hands of the Republican party, was in town on Tuesday, calling on our citizens, presenting his claims. Mr. M., is and has for many years been in the employ of the Pennsylvania R. R., as station agent, the past fifteen years being located at Driftwood, where he owns property and is closely identified with the best interests of Cameron county. If nominated he would make an honest, fearless and dignified judge. "Color Guard Muttersbaugh" enlisted when he was but sixteen years of age in the Logan Guards at Lewistown and was a member of the first company sent to Washington by Governor Andrew Curtin and fought to the finish with Sherman in his famous march to the sea and lived to join in the Grand Review at Washington. It was just such grit as that demonstrated by "Jake" Muttersbaugh that saved the Union.

### Volume Forty-Two.

With this issue the PRESS enters upon its forty-second year, full of hope for Cameron county and Emporium. We believe in the future of Little Cameron and the PRESS is ready at all times to join in any movement for the betterment of our county.

During the past year the PRESS enjoyed the largest business in its history, for which we thank our patrons. While we are not as young as we used to be, we hope to be spared to stay with the PRESS and its many friends for some time to come.

### Another Factory.

Mr. A. D. Gore, of Sinnamahoning, transacted business in Emporium last Saturday and planted an application for a charter, in the PRESS, for the incorporation of the Sinnamahoning Box Factory. That's right—keep at it and may be Sinnamahoning will again boom.
