Wanted the "Grocery Seats." Leigh Lynch while he lived was a happy man. In the first place, he was the husband of lovely and gentle Anna Teresa Berger, the belle of the bell ringers in her girlhood; secondly, he had the years long friendship and intimate companionship of Eugene Field; thirdly, he was the father of a family of children in whom was centered his unselfish hope. He used to carry his business cares and pleasures home, where he was always sure of ready and generous sympathy. For several years he was treasurer of the Union Square theater in New York. One evening at dinner, in the presence of his little daughter, Marie, he mentioned to Mrs. Lynch that the gross receipts of the week had risen to an unprecedented height. The next day Marie asked to be taken to the matinee.

"All right, dumpling," assented the fond father. "What seats would you like?"

"Well, papa," she replied, "I'd like to have them grocery seats you talked us about."—Detroit Free Press.

**BACK GIVES OUT.**

Plenty of Emporium People Have This Experience.

You tax the kidneys—overwork them—

They can't keep up the continued strain.

The back gives out—it aches and pains.

Urinary troubles set in.

Don't wait longer—take Doan's Kidney Pills.

Mrs. A. J. Anderson, N. Main St., Port Allegany, Pa., says: "I have used a great many remedies for the relief of kidney trouble but have never found anything to give such beneficial effect as Doan's Kidney Pills. I suffered constantly with backache and pains. In the morning it was with the greatest difficulty that I arose and if I attempted to stoop or lift anything, sharp thrusts of pain were the result. Headaches and a tired feeling were also present and it was with difficulty that my ordinary duties were performed. Doan's Kidney Pills gave me relief at once and at present time, I am much better in every way. For the results received, I am glad to give my grateful recommendation of Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

**Royal Stamp of Success.**

Clarence Bennett's attractions are so well and favorably known in Emporium that it is with great pleasure Mr. Butler, Manager of Emporium Opera House announces the coming of one of their standard successes, "A Royal Slave" which is booked to play here Friday evening, Feb. 28th. The author who wrote that other phenomenal success, "The Holy City," which we also hope to see this season, has chosen for the action of the piece the most romantic period in the history of Mexico, the brief reign of the unfortunate Maximilian. The character of Aguilera, the descendant of the Montezumas, the last of a race now extinct—is a poetic creation which appeals to our imagination. The other characters of a long and interesting cast are equally strongly drawn. The specialties introduced by the comedy element are strictly in keeping with the atmosphere of the surroundings and the bit of sword-play in the duel scene, second act, is as pretty an exhibition as one could witness. Remember the date Friday evening, Feb. 28th. Seats on sale at H. S. Lloyd's book store.

**Bulletin. WASHINGTON CITY--THE MAGNET OF THE PEOPLE.**

The eyes of eighty million American people are now on Washington, the Capital of the Nation.

The wheels of the National Government are now in full motion. Congress is in session and the busy whirl of the legislative mill is intensely interesting. Many hours may be spent in the Senate or House gallery watching the legislators at work.

The Capitol itself, aside from its importance as the home of Congress and of the United States Supreme Court, is an imposing building. Seven hundred and fifty-one feet long by three hundred and fifty feet wide, its massive proportions are visible from almost every section of Washington. The great dome in the center surmounted by the statue of Freedom, towering three hundred feet in the air, looks out over superbly-kept gardens and hundreds of handsome buildings in which are housed the many departments of the Government.

The other workshops of the Nation are also well worthy of a visit: The White House, the home and office of the President; the State, War, and Navy Building, with its museums and models; the Treasury Building with its huge vaults; the Bureau of Engraving and Printing where the postage stamps are made and bank notes are printed; the Government Printing Office, the Patent Office, and the Congressional Library; the National Museum, the Smithsonian Institution, the great Monument, the new Union Station are all attractive features of the Capitol City.

Fine hotels, magnificent private residences, erected by those who are making Washington their home, not only during the official season but the whole year round; handsome public buildings, ornamented circles and superb statues make Washington one of the most beautiful cities in the country, and well worthy of comparison with the other capitol of the world.

The service of the Pennsylvania Railroad to Washington serves a wide territory. Its trains afford a direct means of reaching the National Capitol and tickets at reasonable rates are on sale at all ticket offices. 131-1-2t.
