FROM OUR REPORTERS.

FIRST FORK.

It was reported here Saturday that County Commissioner O. L. Bailey had accidentally shot himself through the heel with a 22 calibre Winchester Rifle, while shooting English Sparrows. Afterwards we learned that the gun was being used by some person whose name we did not learn. Dr. Corbet was there at the time and dressed the wound.

The old dwelling house formerly occupied by Judge Bailey was burned to the ground, on last Wednesday afternoon. The house was occupied by Wm. Johnson, commonly known as "Smallwood" Johnson, and he had just got home in time to save his furniture, getting most everything out. Lost some buckwheat flour and some other articles. We understand there was no insurance on the building or the contents. He moved into a house, that was vacant on the adjoining farm, and which is owned by Israel Bailey of Sinnamahoning.

Fred Peno lost one of his team horses last week while drawing pulp wood, at the head of Medix Run.

R. B. Lorschbaugh was home over Sunday from Medix Run, where he has been working his team, and returned Monday, I believe.

The fox hunters of this place are having lots of races, but getting very few foxes.

Since the ground hog had his innings we have had three weeks of his kind of weather, and it looks to-day like we might have six weeks more.

One leg was severed above the ankle. He is lying at the Austin hospital in a serious condition. The young man was employed on the B. & S. R. R., as a section hand. The family have the sympathy of all their neighbors.

A sleigh ride party is booked for the Sizer Spring Hotel, for this evening and with the elegant sleighing and carefully laid plans we do not see why the ladies and lassies cannot enjoy an evening here, as they once did.

Election day passed by here smoothly, all the candidates being elected by handsome majorities. Some predicted our newly elected Justice of the Peace would have swelled head over getting elected but it seems to be the contrary, seemed to have decreased in size, just as if nothing uncommon had happened.

Last Wednesday, the sad news reached here that Nelson H. Sizer, of Altoona, had died from typhoid fever, after a very short illness. "Nelt" will be remembered by the older inhabitants here, where he always occupied many positions of trust and was always considered capable to fill any position called on. We have not learned full particulars but hope to be able later on.

Since our last communication, we have two new residents locating among us, in the persons of J. Abbot and Wm. Donehue, and best of all they are straight out Republicans, (died in the wool kind.) They claim to know where they are at.

Wm. Sprague, hiding his time having exception

line, has slain two monster wild cats and three foxes in the last week. Says he ought to have extra bounty for exterminating so many ferocious animals.

Constipation

Baked sweet apples, with some people, bring prompt relief for Constipation. With others, coarse all-wheat bread will have the same effect. Nature undoubtedly has a vegetable remedy to relieve every ailment known to man. If physicians can but find Nature's way to health. And this is surely the true way to health.

The bark of a certain tree in California—Cascara Sagrada—offers a most excellent aid to this end. But combined with Egyptian Senna, a very Elm Bark, Solid Extract of Prunes, etc., this same Cascara bark is given its greatest possible power to correct constipation. A toothsome Candy Tablet, called Lax-ets, is now made at the Dr. Shoop Laboratories, from this ingenious and most effective prescription. Its effect on Constipation, Indigestion, Sour Stomach, Bad Breath, Sallow Complexion, etc., is indeed prompt and satisfying.

No griping, no unpleasant after effects are experienced, and Lax-ets
