Prof. H. A. Howell, of Havana, Cuba.

Recommends Chamberlain's Cough Remedy.

"As long ago as I can remember my mother was a faithful user and friend of Chamberlain's Cough Remedy, but never in my life have I realized its true value until now," writes Prof. H. A. Howell of Howell's American School, Havana, "On the night of February 3d He could not lie down and it was neces-sary to have him in the arms every moment. Even then his breathing was dif-ficult. I did not think he would live un-til morning. At last I thought of my mother's remedy, Chamberlain's Cough Remedy, which we gave, and it afforded prompt relief, and now, three days later, he has fully recovered. Under the cirin saying that Chamberlain's Cough Remedy, and that only, saved the life of our dear little boy." For sale by L. Taggart.

WASHINGTON:LETTER. [From our Regular Correspondent.]

Washington, March 14, 1908. The arrival of the Atlantic fleet at Magdelena Bay, Southern California, without accident and four days ahead of schedule time is the occasion of the utmost gratification to the Presiddnt and the naval authorities in Washington. This is the largest cruise so large a fleet ever undertook in the world's history and its satisfactory completion is properly the occasion of gratification. Admiral Evans has sent an official report to the Navy Department and the President has caused to be sent a telegram of congratulation to the brave Admiral who, in spite of great physical affliction, has so ably commanded the great fleet on its long voyage. Incidentally, the forcasters of evil who were so certain the fleet would come to grief in Magellan Straits will have to think up some other dire ending for the flower of the

navy. The submarine boat scandal in the House is assuming unfortunate proportions. Not only has Representative Lilley made a startling statement of the improper influence exerted by the submarine boat company, but Representative Hobson, formerly Lieutenant of the Navy, has testified that when he first came to Congress a representative of the company, who had been his classmate at Annapolis, called him up over the telephone, after first writing him several letters to which he paid no attention, and assured him he would, if desired, secure Hobson's appointment by Speaker Cannon on the committee on Naval Affairs. Mr. Hobson told him he did not desire submarine boat influence and secured the appointment without assistance on the recommendation of the Democratic leader, Mr. Williams. The comour baby was taken sick with a very severe cold, the next day was worse and the fol-lowing night his condition was desperate. I leader, Mr. Williams. The com-mittee which Mr. Cannon has ap-pointed to investigate this affair pointed to investigate this affair does not seem to be anxious to develop the facts but with a few

will come out whether or no. HAIR TONIC In these days when youth is the moving factor - when man has made his mark at thirty-five and is dubbed a 'has been" at forty; when business houses pension the man we used to call "middle aged," rather than allow his lagging influence to intrude upon the modern commercial rush-a bald head is a serious handicap. In the social world it is equally bad for a man, while for a woman-it is fatal.

Few people can afford a bald head. Even those who can - those who are fixed socially, financially and matrimonially - have no wish to do so. But afford it or not, thousands of us are bald, either partially or wholly.

What caused baldness - whether an inherited tendency; whether through undue mental effort, sickness, dandruff or other scalp disease - makes no difference. What we want is HAIR.

Millions of dollars have been spent in vain efforts to grow hair on bald heads. Other millions have been spent in an effort to restore faded gray hair to its natural shade, and still others to banish dandruff. And still dandruff declined to disappear; hair refused to grow; lost tints of brown, blonde and auburn failed to return.

All this, however, is of the past. Failures have give place to success. A real hair tonic has at last been found. REXALL "93" HAIR TONIC is a positive cure for all hair and scalp troubles. It is not sticky or gummy, will not thicken on hair, does not become rancid, has no disagreeable odor. It is clean, agreeable and pleasant to use-

REXALL "93" HAIR TONIG

Cures all cases of dandruff, falling hair, irritation of the scalp, baldness, premature fading, scanty growth, and all those annoying affections of the scalp which scientists have found to be due to the presence of microbes. REXALL "93" HAIR TONIC restores the hair by first killing the microbes, by supplying a nutritive food element upon which the injured hairs may feed and regain health and strength by cleansing the scalp and strengthening the hair follicles. It assists nature to restore the color by making the hair healthy and enabling it to draw its own coloring matter from the pigment glands in the scalp. It is not a dye.

Remember that dandruff is proof positive that microbes are at work on the roots of your hair. Then is the time to buy a bottle of REXALL "93" HAIR TONIC and begin treatment.

"GREATLY ADDS TO BEAUTY."

"I can most highly recommend Rexall '93' Hair Tonic as the best of preparations for the preservation of the hair and the promotion of its healthy growth. It not only preserves the hair and stops it from falling, but it gives it a gloss and sweetness which greatly adds to its beauty. Every woman should use Rexall '93' Hair Tonic as a dressing to the hair if she desires to keep her hair in the best condition."

THE STORY OF **REXALL "93" HAIR TONIC.**

Before placing REXALL "93" HAIR TONIC on the market we realized that we had a formula of exceptional value, and yet we determined to give it a thorough trial before we offered it as a Rexall preparation. We therefore wrote to one hundred druggists in as many cities, asking the name of one customer who suffered from a disease of the hair and scalp. To each of these customers we sent three bottles of the hair tonic and asked them to try it and report upon it.

THE RESULT: Five reported no - Mrs. J. C. HALL, Palmyra, N. Y. answer, two reported adversely and

NINETY-THREE sent enthusiastic reports of the remedy and gave details of the splendid effect in each individual case.

We therefore selected "NINETY. THREE" HAIR TONIC as the name of this preparation, which we believe to be the best. Could any other name be so significant of merit? Any test have been more fair? Any results more encouraging ?

In buying REXALL "93" HAIR TONIC you take no chances whatever. If after a trial you are not more than satisfied we will promptly and cheerfully refund your money.
