### WHAT THE KIDNEYS DO.

Their Unceasing Work Keeps Us Strong and Healthy.

All the blood in the body passes through the kidneys once every three minutes. The kidneys filter the blood. They work night and day. When healthy they remove about 500 grains of impure matter daily, when unhealthy some part of this impure matter is left in the blood. This brings on many diseases and symptoms—pain in the back, headache, nervousness, hot, dry skin, rheumatism, gout, gravel, disorders of the eyesight and hearing, dizziness, irregular heart, debility, drowsiness, dropsy, deposits in the urine, etc. But if you keep the filter right you will have no trouble with your kidneys.

Mrs. Joe Simpser, Cathrine street, Port Allegany, Pa., says: "For some time I have suffered with dull nagging backaches and severe pains that were always present in the region of my kidneys. Constant headaches and dizzy spells caused me to feel tired and upon rising in the morning, I felt almost unable to begin the day's work. A friend hearing of my condition advised me to try Doan's Kidney Pills, and I did so. The effect of their use was wonderful. The backaches vanished and the headaches and dizzy spells are now a thing of the past. It is with great pleasure that I recommend Doan's Kidney Pills to all suffering from troubles arising from inactive kidneys."

For sale by all dealers. Price 50 cents. Foster Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

# Boom! Boom!! Boom!!!

That's the way Grant's guns thundered at Vicksburg and Lee's guns thundered at Fredericksburg. Each of them thundered a little louder than the other fellow at each place and won the battle.

The war is over long ago, but booming still wins.

Make this town and the country around it your battleground, and then boom!

If you boom loud enough, people will come from afar off to find out what's up. Then a little more booming will take them prisoners and add them to the population. Then they will begin booming, and other willing captives will come in.

This is the inside history of every town on earth that amounts to anything more than a hill of beans.

Booming may be done in many ways. A board of trade can do it. A commercial club or business men's club can do it. You can do it individually.

If you don't believe in this town, why do you live here? If you do believe in it, why don't you boom it? Every new family means money in your pocket if you are in business here or own property here. If you make your living by working here, every increase of population tends to increase your wages, every new industry brought to town tends to enlarge your opportunities for making a good living.

Batteries in a battle boom together. If only one gun booms now and then it helps some, but when they all boom together something big is going to happen right off. It's just the same with town booming. When we all boom together, the things we desire to have happen will begin happening.

Now, suppose you who read this suggest through the columns of this paper some method of massing our boom batteries and making a noise that will bring people running into this town to go into business, start a factory, develop some of our natural resources.

N. B.—BOOM! BOOM!! BOOM!!!

## Straight Talks on Patent Medicines

The "Rexall" Remedies *deserve* confidence. As all these remedies are grouped under one name, they must succeed or fail together. There must be no weak links in this chain. One unworthy remedy would mean disaster to the entire plan. If you, for example, purchased the "Rexall" Cough Cure and were not cured by it, how could we expect you to place any faith thereafter in the "Rexall" Dyspepsia Cure or any other member of the "Rexall" family?

You can understand, therefore, why such anxious care was given to finding and choosing the remedies to which the name "Rexall" was given. We have admitted none to this circle until our committee of experts had been convinced by investigation and test that it was the *best remedy known to medical science* for the ailment it aimed to relieve.

Who should know better than the leading thousand druggists of this country what are, and what are not, efficient medicines? Remember, the success of our enterprise depends on the merit of *each individual* remedy. Our reputation, which is our very business existence is at stake. Can you doubt, that in buying a "Rexall" Remedy, you are buying the best that science and experience can give you?

Here are three prominent members of the "Rexall" family:

<b>REXALL "93" HAIR TONIC</b> The famous Rexall "93" Hair Tonic is composed in chief of Resorcin, Beta Naphthol and Pilocarpin. Resorcin is one of the latest and most effective germ-killers discovered by a science, and in connection with Beta Naphthol, which is both germicidal and antiseptic, a combination is formed which not only destroys the germs which rob the hair of its nutriment, but creates a clean and healthy condition of the scalp, which prevents the lodgment and development of new germs. Pilocarpin is a well-known agent for restoring the hair to its natural color, where the loss of color has been due to a disease of the scalp. It is not a coloring matter or dye—it produces its effect by stimulating the scalp and hair follicles to health and active life. This combination of curatives mixed with alcohol as a stimulant, perfects the most effective remedy for hair and scalp troubles known to-day. Per Bottle, 50c.	<b>REXALL DYSPEPSIA TABLETS</b> The remarkable success of Rexall Dyspepsia Tablets is largely due to the new and successful method of manufacture, whereby the well known properties of Bismuth Subnitrate and Pepsin have been combined with carminatives and other agents. Bismuth Subnitrate and Pepsin are recognized by the entire medical profession as specific for acute indigestion or chronic dyspepsia. The Pepsin used is manufactured under a new process which develops its greatest efficiency. Pepsin not only supplies to the digestive machinery one of the most important elements of the digestive fluid, but it seems to exert a tonic influence upon the glands which supply all the other elements. The carminatives add properties which promptly relieve pains caused by undigested food. The combination of the whole makes a remedy absolutely invaluable to any man or woman suffering from dyspepsia—and not only a remedy, but a <i>cure</i> which works by gradually rebuilding and stimulating the glands which perform the digestive functions. Package, 25c.	<b>CHERRY JUICE COUGH SYRUP</b> A new idea in Cough Syrups. This preparation owes its efficiency to the presence of Wild Cherry, Vinegar Squills, Boneset, Horchound and Syrup. All of these have been known for a hundred years as remedies for coughs and hoarseness. In Rexall Cherry Juice Cough Syrup, all of these remedies have been combined by a process of manufacture that has blended them into a perfect medicinal harmony whereby the characteristics of each support and reinforce the others. The pathological properties of each ingredient does its own particular work in easing the inflamed membranes, loosening the phlegm and setting up a condition of health in the bronchial and nasal passages. One spoonful will relieve the inflamed membranes and temporarily stop the cough. One bottle will work a cure. It is exceedingly pleasant to the taste—children like it. Per Bottle, 25c.
