CURE YOUR KIDNEYS.

Do Not Endanger Life When an Emporium Citizen Shows You the Cure.

Why will people continue to suffer the agonies of kidney complaint, backache, urinary disorders, lameness, headaches, languor, why allow themselves to become chronic invalids, when a certain cure is offered them?

Doan's Kidney Pills is the remedy to use, because it gives to the kidneys the help they need to perform their work.

If you have any, even one of the symptoms of kidney diseases, cure yourself now, before diabetes, dropsy or Bright's disease sets in. Read this Emporium testimonial:

Mrs. Frank Mundy, living on West Fourth street, Emporium, Pa., says: "Since using Doan's Kidney Pills which I procured from L. Taggart, the druggist, I am feeling ever so much better. My kidneys were very weak and I was obliged to rise many times during the night. I suffered with a dull nagging backache and splitting headaches. Pains would dart through the small of my back, and at times my feet and hands would blot, so that I was in constant misery. When I learned of Doan's Kidney Pills I decided to try them. I obtained great benefit from the use of this remedy for they regulated the kidneys and drove out the pains and aches in my back and head. I cheerfully recommend Doan's Kidney Pills."

A great many people imagine they have heart trouble when the fact is that the whole trouble lies in the stomach. The pains in the side around the region of the heart are not necessary heart trouble. We suggest that you start with the stomach and whenever you feel a depression after eating or whenever your food seems to nauseate take Kodol. It will not be very long until all these "heart pains" will disappear. Take Kodol now and until you know you are right again. There isn't any doubt about what it will do and you will find the truth of this statement verified after you have used Kodol for a few weeks. It is sold here by R. C. Dodson.
