BLUE BELL.

A great many people imagine they have heart trouble when the fact is that the whole trouble lies in the stomach. The pains in the side around the region of the heart are not necessary heart trouble. We suggest that you start with the stomach and whenever you feel a depression after eating or whenever your food seems to nauseate take Kodol. It will not be very long until all these "heart pains" will disappear. Take Kodol now and until you know you are right again. There isn't any doubt about what it will do and you will find the truth of this statement verified after you have used Kodol for a few weeks. It is sold here by R. C. Dodson.

Gov. Murphy to Nominate.

WASHINGTON, MAY 16th.—Lieut. Gov. Robert S. Murphy, of Pennsylvania, will present the name of Senator P. C. Knox, Pennsylvania's candidate, to the Republican National Convention at Chicago. Mr. Murphy has been invited to perform this office for Senator Knox and has accepted the honor. He is one of the best orators in the state and the friends of the Pennsylvania senator are well pleased at the selection.

Mr. Murphy is a son of Francis Murphy, the great temperance advocate and is recognized as one of the ablest speakers that ever stumped the Keystone State. His home is at Johnstown where he is a leader at the local bar. In 1906 when Governor Stuart canvassed the state Mr. Murphy, as the candidate for lieutenant governor, was a member of the governor's campaigning party and he won a reputation as a stump speaker. He has a fine presence and a wonderful voice and it is certain that every delegate in the hall at Chicago will be able to hear him distinctly.

It is probable that had Charles Emerv Smith, the editor of the Philadelphia Press, lived he would have had the honor of nominating Knox, for he and the Senator were close friends and Mr. Smith's oratory is known from one end of the country to the other. But in Mr. Murphy will be found the ability to perform the duty in a very acceptable manner and it is believed by his friends that his nominating speech will rank well with the nominating speeches of Ingersoll, Conkling and others who have swayed Republican national conventions.
