O'Hara, of DuBois, the obliging representative of the schools, is present and will be pleased to explain all branches of study.

DAYS OF DIZZINESS.

Comes to Hundreds of Emporium People.

There are days of dizziness; Spells of headache, sideache, backache; Sometimes rheumatic pains; Often urinary disorders.

All tell you plainly the kidneys are sick.

Doan's Kidney Pills cure all kidney ills.

Here is proof in Emporium.

Mrs. Aug. Extrom, living on Sixth street, Emporium, Pa., says: "I do not hesitate to recommend Doan's Kidney Pills and I have done so on a good many occasions. For a long time I was in a miserable condition, suffering with backache and sharp pains in the regions of my kidneys. I was restless at night and was subject to headaches and dizzy spells. At times my feet would swell. I was unable to obtain relief until I was advised to try Doan's Kidney Pills and procured the remedy from L. Taggart, the druggist. They proved to be just what my system required. By the time I had finished the contents of the first box there was a great improvement in my condition. I continued with Doan's Kidney Pills until I had used three or four boxes and by that time the backache had completely vanished. I was no longer troubled with headaches and dizzy spells and my general health was much improved. I am a great advocate of Doan's Kidney Pills and strongly recommend this remedy to anyone suffering with kidney or bladder trouble."

The Reason

This generous distribution of prizes will be made to advertise the name and fame of the Apollo Player Piano. We want every prospective purchaser of a Player Piano to be impressed with the merits of this Player. We want everyone who intends to buy a Player Piano or Piano to call at our warehouses and inspect our stock, and at the same time be convinced of the superiority of the Apollo Player Piano over all others. It is the only 88-note Player Piano. All others only have a compass of 65 notes. Why restrict yourself to the use of only part of a Piano when you can buy the Apollo Player Piano and have the use of 88 live notes. Furthermore, it is the only Player Piano on which you can properly interpret the music of the great composers. It is absolutely without question the one best, the standard of excellence and not an experimental Player Piano.

It's Easy

It costs you nothing except a little time and the use of your brains. No element of chance enters into this great opportunity. Merit and merit alone will tell. The number, variety and value of prizes make it worth your while to try.

The Judges

The awarding of prizes will be left to disinterested parties. The correct number of dots is only known to the manufacturers. They have forwarded this number in a sealed envelope to the judges of the contest. We do not know the number and the judges will not know until after the contest closes. They will then open envelopes containing the correct number in the presence of each other, inspect the answers and we will announce their decision at the earliest possible date.

Advice to a Young Man.

As almost everyone knows, Col. Bob Burdette is one of numerous helpful men of the present generation. In giving some very choice advice to a young man, he is credited with having said: "Remember, my son, you have to work. Whether you handle a pick or a pen, a wheelbarrow or a set of books, dig ditches or edit a paper, ring an auction bell or write funny things, you must work. If you look around, you will see the men who are the most able to live the rest of their days without work are the men who work the hardest. Don't be afraid of killing yourself with overwork. It is beyond your power to do that on the sunny side of thirty. They die sometimes, but it is because they quit work at six p. m., and don't get home till two a. m. It's the interval that kills, my son. The work gives you an appetite for your meals; it lends solidity to your slumbers; it gives you a perfect and grateful appreciation of a holiday. There are young men who do not work, but the world is not proud of them. It does not know their names even; it simply speaks of them as 'old So-and-So's boy.' Nobody likes them; the great, busy world doesn't know that they are

there. So find out what you want to be and do, and take off your coat and make a dust in the world. The busier you are the less harm you will be apt to get into; the sweeter will be your sleep, the brighter and happier your holidays, and the better satisfied the world will be with you."

The Best on Earth.
