TOUR TO YELLOWSTONE PARK AND THE CANADIAN ROCKIES.

In northwestern Wyoming in the heart of the Rocky Mountains, lies one of nature's richest treasures—the Yellowstone National Park. Set apart by Act of Congress for the enjoyment of mankind, it is America's greatest show ground. To visit this Park is to see nature in a variety of majestic moods. Mammoth hot springs, with multicolored terraces, cliffs of glass, beautiful lakes, mighty falls, glorious canyons, and geysers of all descriptions, are found in this wonderful region.

On August 24 a personally conducted tour through the Yellowstone Park to Portland and Seattle, returning through the magnificent Canadian Rocky Mountains, will leave the East by special train over the Pennsylvania Railroad. Five and one-half days will be spent in the Park, one day in Portland, one day in Vancouver, one day at Field, B. C., one day at Laggan, Alba., one day at Banff, and stops will be made at many other points of interest. The tour will cover a period of twenty-two days.

As an educational trip for either teacher or scholar, this tour is especially attractive, as it covers a section of America rich in scenery and replete with the marvelous manifestations of nature.

The rates, which will cover all necessary expenses, will be \$246 from New York, \$243.20 from Philadelphia, \$241.20 from Washington and Baltimore, \$230.80 from Pittsburgh, and proportionate rates from other points.

Preliminary leaflets may be obtained of Agents, and detailed itineraries will be ready for distribution shortly. Persons desiring to avail themselves of this opportunity to visit the Park of the Nation should make application for Pullman space early, as the party will be limited. Make application through the local Ticket Agent or address Geo. W. Boyd, General Passenger Agent, Broad Street Station, Philadelphia.
