Praised Taft and Called For Elimination of Bryanism.

[Special Correspondence.]
 Harrisburg, Pa., Sept. 8.
 Pennsylvania Bryanites are greatly exercised over the publication of Grover Cleveland's last political document, in which he forecasted the election of Judge Taft and recorded his opinion that the national Democracy will never regain its prestige until Bryanism shall be eliminated.

There is no doubt that these declarations have had far reaching influence among the conservative element of the Democracy of the Keystone State.

The Cleveland article was the first of a series which the late ex-president intended to write, but which his death cut short. It was copyrighted by the New York Times after permission to print it had been obtained from Frederick S. Hastings, executor of Mr. Cleveland's estate.

In this article Mr. Cleveland among other things said: "With the other parties disorganized, redeveloping and procreating, the Republican party is certain, though with a considerably lessened strength, to move on to a safe victory sustained by the popular support of reforms which should not redound to its glory solely, those reforms having been the work of decent men of all parties."

"Personally and officially I have had the opportunity of knowing many things concerning Mr. Taft that were not a matter of general knowledge, and with a keen interest I have watched his large share in the conduct of our national affairs in very recent years. His excellence as a federal judge in Cincinnati is something not to be underestimated or overemphasized, for should he come to the presidential chair the qualities which made him a judge of high ability, which I know him to have been, will be the most needful to him as president of the United States. His high ideals of honesty and of relative justice, his great capacity for severe labor and his humorous wisdom in the face of the serious problem are attribute equally valuable and commendatory to a people, seeking him in whom they may repose the trust of their collective interests while they turn their increased attention to their pressing individual demands.

After discussing problems resulting from national expansion, continuing he said:

Has Important Qualifications.

"These questions are fruitful of trouble and perturbation, and the primary requisite of the man or men who must deal with them is an abundant knowledge of the people of the cutting domain. That Mr. Taft is possessed of this knowledge as is no other man in the country is hardly to be denied; granted that he has had extraordinary opportunities, he has shown himself able to improve those opportunities in a manner which is not extravagant to say will be his broadest claim so far to endure fame when the acute visual distortions of the present and opportune she have given place to the inexorable perspective of history in which the relative values of public deeds to public duties are completely clarified as announced to posterity."

RHEUMATIC FOLKS.

Are You Sure Your Kidneys Are Well.

Many rheumatic attacks are due to uric acid in the blood. But the duty of the kidneys is to remove all uric acid from the blood. Its presence there shows the kidneys are inactive.

Don't dally with "uric acid solvents." You might go on till doomsday with them, but until you cure the kidneys you will never get well. Doan's Kidney Pills not only remove uric acid, but cure the kidneys and then all danger from uric acid is ended. Here is Emporium testimony to prove it.

Mrs. John Summerson, living on West Sixth St., Emporium, Pa., says: "I suffered with nagging backaches and pains in my sides and across my kidneys for a long time, caused by a disordered condition of my kidneys. I also suffered with rheumatism in my limbs, was languid and lacked ambition. I used many remedies but could obtain no relief. Finally I learned of Doan's Kidney Pills and procured a box from L. Taggart, the druggist. This remedy gave me relief from the backaches and pains, regulated the kidneys and improved my general health. I obtained more relief from this remedy than I had hoped for in so short a time. I am glad to recommend Doan's Kidney Pills to other kidney sufferers."

For sale by all dealers. Price 50 cents. Foster Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
