MARCHERS AND GLEES FIGURE

Recruits Called For From the Rank and File of the Great Army of Pennsylvania Republicans, and a Prompt Response Is Anticipated All Along the Line, With Victory In November Assured.

[Special Correspondence.] Philadelphia, Sept. 29. Colonel Wesley R. Andrews, as chairman of the Republican state committee, has sounded the slogan to Republicans of Pennsylvania for the in-

auguration of a campaign for the clos-ing days of the state canvass which must appeal to every stalwart Repub-

The colonel, himself a veteran of the Fremont campaigners in the cause of true Republicanism, has called for a revival of the spirit of the olden days, of a recruiting of the Republican hosts as in the memorable truggles in which the "Wide Awake" clubs, by their partiotism and party fervor, stirred the nation from end to end, and for an expression of senti-ment which shall be emphasized by bringing "Old Glory" to the front as the Republican forces march on to

the following letter to each of the chairmen of the Republican county committees throughout Pennsylvania:

A Call to Action.

"Dear Sir-We have reached a period in the national campaign when party lines are tightly drawn, the issues well defined, and the voters are rallying around the banners of their respective parties.

"Republicans of Pennsylvania have

reason to be proud of their candidates and all can consistently and cordially endorse the platform upon which they have been nominated

"It devolves upon the county chairmen, in the closing days of the canvass, to marshal the Republican hosts in their respective bailiwicks, and l suggest that we have an old-fashioned canvass, along the lines of the campaign of 1860, when the young men of the country gathered in "Wide Awake clubs," supplying at their own ex-pense their uniforms and making demonstrations at all political meetings in their neighborhood.
"What was done in 1860 can be

done now.

"The country is fully as patriotic today.

"In later years contributions have been depended upon to meet expenses but in the old times each man not only contributed his time, but also his share of the expenses of the meetings which were held.

"These thoughts are suggested by the calls upon the Republican state committee for financial assistance to provide for meetings, with which it is not possible to comply. This prompts the inspiration to recall the faith of the fathers of the Republican party, who, without outside aid of any party, who, without outside and over-kind, rallied everywhere and over-threw the Democratic party, then strongly entrenched in power, and elected the immortal Lincoln, through whom the Union was saved

"What was done in 1860, I repeat can be done now.

"In this day, when in Philadelphia and Pittsburg and elsewhere the past is being recalled in Founders' Week and like celebrations, it is fitting that an old-fashioned marching and sing-ing campaign be inaugurated to rouse the voters throughout the length and breadth of the state.

To Have Campaign Glee Clubs. "Additional interest will be given to the meetings in many localities if a musical program-shall be arranged in connection with the practical wor of expounding the principles of the party and discussing the live issues of the campaign.

'In such cases, you are advised to enlist the services of one or more soloists, and, where possible, a quartet or glee, to intersperse the proceedings

with musical selections. "For this purpose there will be forwarded to you a compilation of campaign songs, written to popular tunes, which can be distributed among the audiences that all may join in the

singing. Anthem For Pennsylvania.

"In connection with this collection of songs is presented the new state anthem, 'Pennsylvania,' in the chorus of which all loyal Pennsylvanians can readily unite.

"It was given with great success at the recent gathering of the State League of Republican clubs at Wilkes-Barre, and the convention adopted a resolution endorsing a proposition to make it the 'Official Song of the Key-stone state.' The aim of the composer is to give whether is to give what has long been lacking, a song that shall be typical of the commonwealth, and which shall be-come as affectionately associated with Pennsylvania and Pennsylvanians, wherever they may be, as have 'Mary-land, My Maryland,' 'My Old Kentucky Home' and like state songs to the citizens of the states with which they are respectively identified

"Let this and the songs lauding the

party and its candidates be sung'upon

all appropriate occasions.
"Get the 'First Voters,' those who will, in November next, cast their first presidential vote, to form in line and march to the meetings, if only with a fife and drum at their head, and with 'Old Glory' always carried proudly in

the van.
"Let us have enthusiasticy pratrictic Republican rallies everywhere and roll up an unprecedented majority er our gallant standard-bearers, Taft and Sherman, and the full Republican

Let the spirit of the days of Lincoln pervade the entire party, and a record-breaking victory will be the

result. Respectfully, "WESLEY R. ANDREWS,

"Chairman." There was a very successful gathering of active Republicans from all parts of the state here yesterday, in attendance upon the meeting of the Republican state committee, which was called primarily to fill a vacancy upon the electoral ticket, but which was principally valuable for the opportunity it afforded men of the sev eral congressional and senatorial districts to get together to confer upon plans for the closing days of the can-

ing reports, as a member of the national committee, about the outlook throughout the country for Republican victory in November

Dangers of Bryanism.

Will Mr. Bryan please inform all the people to what particular class of people he refers when he assumes the people do not rule? Is it the poorer classes and those largely infected with socialistic and anarchistic ideas and theories with whom Bryanism greatly sympathizes, professionally at least, or is it the farmers, merchants, manu facturers and the great national rail roads and their employes? Were Bry anism (with his superficial and wild-cat ideas of banks, currency and finance; his hostility to all corpora-tions and his determination to destroy all manufacturing industries, which he denominates as trusts, by inaugurating another Gorman and Wilson tariff bill for revenue only, and strike down the protective principle) to dominate the country, surely the majority of the people would not rule. The adminis tration, with his extraordinary views of his powers as president, and with his vagaries and chimerical theories of government, would be in a state of chaos; and the collapse of all indus

earner, would be such as to cause a further trend toward socialism and anarchism.—Keystone Gazetto
