Sabbath School Association of Cameron County.

On Tuesday evening, September 29, 1908, at 7:45 o'clock, the exercises of the Seventh Annual Convention of the Cameron County Sabbath School Association were opened in the Presbyterian church of Emporium. Devotional services were conducted by Rev. J. F. Anderson, pastor of the Methodist Episcopal church. After the singing of several hymns, the reading of the scriptures and prayer offered, the county chairman, the Honorable Josiah Howard delivered an address, in which he set forth the purpose of the convention and the objects to be achieved.
 In the course of his remarks Mr. Howard spoke of the importance of the schools of all denominations combining and uniting in order to greater efficiency in Sunday school work; of the need of giving special attention to the training of child life for service to be given to the church and the world, and of the necessity of early placing upon young people the burden of responsibility in order to their development, ever remembering that a boy and girl are worth the most careful training.

After the singing of another hymn the Rev. C. W. Dickson, of Sinnamahoning, was introduced who delivered an address on, "The Relation of Parents to the Sunday School."

Mr. Dickson considered this relationship along four distinct lines, namely: Their financial relation to the school—that they should assist in defraying the expense of the local school, and through the Sunday school to aid in home and foreign missionary enterprise; of their relation to the numerical strength of the school—that they have a responsibility in connection with the attendance, and hence should earnestly try to make the enrollment as large as possible; of their relation to lesson preparation on the part of their children—that they should study the lesson with their children, helping them as far as possible to understand the same; and in the last place he spoke of the relation of the parent to the spiritual life of the Sunday school, emphasizing the importance of this phase of the work, and making it plain that in this connection parents have much responsibility.

After the singing of another hymn and the lifting of an offering the first session of the convention closed.
 Wednesday morning, at 11 o'clock the convention resumed its sessions. The Rev. J. M. Robertson, Rector of the Episcopal church, conducting the devotional services.

Delegates from Sunday schools of the county were present, as follows: Mrs. Jane Hobson and Mrs. James Close, of Howard Siding; Mrs. Ross and Mrs. Belden, of Moore Hill; Mrs. Dow, of North Creek; Mrs. Lewis, of Elk Lick; Mrs. Beers, of the Baptist church of Emporium; Mr. McQuay and Miss Dora Nelson, of the Presbyterian church, of Emporium; Mrs. F. P. Strayer and Miss Grace Lloyd of the Methodist Episcopal church; Mr. Craven and Miss Nora Jordan, of Sterling Run; Miss Clara Patchell, Miss

Elsie Pepperman and Miss Ethel Hart, of Hicks Run; Mr. William Howard and Miss Montgomery, of the Episcopal church of Emporium, and Miss Ida E. Krebs, of Four Mile.
 Mr. W. D. Reel, state organization worker, was introduced and spoke briefly on "The Standard of Excellence" to be aimed at in Sunday school work; recommending at least two district organizations for Cameron county; encouraging cradle roll, home department, and teacher training classes, as essential to the attainment of that standard.

Miss Ermina C. Lincoln, a state organization worker, was introduced, who in a few words presented the work of cradle roll and beginners class work, expressing the belief that every school of every denomination, whether located in city or country, should have these departments organized, and finding no excuse for the lack of such organized departments in any school.

The convention then adjourned to meet at 2 o'clock in the afternoon.
 At 2:15 p. m., the meeting was called to order by the chairman, Mr. Howard, and after devotional exercises conducted by Mr. Anderson, the work of the convention was resumed.

Mr. W. D. Stem, of Asland, Ohio, was introduced, who presented the subject of adult bible class work, telling his own experience in the development of this work in his own home town, and of the spread of the work during the last three years, leading to the organization of a men's federation of Sunday school work of inter-denominational character.

Mr. Reel then resumed his address on Home Department Work, answering many questions explanatory of the nature, character and importance of such organization in connection with every church and school, and of adding at least four such departments to the three already in operation in the county, bringing the number up to at least seven within the next year.

Miss Lincoln again came forward and presented suggestions bearing on the matter of adapting method and manner of teaching to the different ages of child life, showing what to teach and how to teach, giving to every child credit and proper encouragement for work done.

The chairman appointed as a committee to nominate officers for next year, the following persons: C. H. Felt, Rev. J. M. Robertson, R. R. McQuay and Mrs. Strayer.

On nomination of the committee the following persons were elected by the convention: President, Hon. Josiah Howard; vice president, Rev. J. F. Anderson; secretary, Miss Charlotte Spence; treasurer, Mrs. J. E. Smith; executive committee, the president, vice president and treasurer; superintendent of Home Department, Miss Matton Larrabee; superintendent of Children's Department, Miss Nina Bryan. Delegates to the state convention, R. R. McQuay, Rev. C. W. Dickson and Miss Charlotte Spence; alternates, Miss Grace Lloyd, Mr. Anderson and Miss Minnie Bargelt.

Some reports from delegates from the various schools were received. On motion the executive committee was authorized to fill all vacancies. The report of the treasurer was read by the secretary, which showed a balance carried over from last year of \$6.64, and a motion prevailed authorizing the payment of \$25.00 to the state association. A hymn was sung and the convention adjourned until 8:00 o'clock this evening.

At 8:00 o'clock, p. m., the closing session of the convention was convened, with devotional services in charge of the Rev. J. M. Robertson.

The Hon. Josiah Howard, president, being absent on account of illness, the vice president elect, Rev. J. F. Anderson, presided in this session.

The committee on nominations made an additional report, nominating Rev. J. M. Robertson for superintendent of Normal Class Training; and Mr. A. Orton superintendent of Organized Bible Class, both being duly elected.
 Miss Lincoln took as the subject of her closing address, "The program in the primary department", and presented a simple, pleasing and practical plan for conducting primary school work.

Mr. Reel then being presented, spoke on the subject of, "The greater Sunday school"; noting the larger possibilities of the schools of to-day. He laid special emphasis upon the work of better teaching, hence the necessity for normal class teacher training, and of organized bible class work.

An offering was lifted from the audience, the minutes of the four sessions were read and approved, the doxology sung, the benediction pronounced by Mr. Robertson, and the convention stood adjourned, with the understanding that the executive committee decide on place, fix the time and arrange program for next annual convention.

PROGRESS.

WHAT THE KIDNEYS DO.

Their Unceasing Work Keeps Us Strong and Healthy.

All the blood in the body passes through the kidneys once every three minutes. The kidneys filter the blood. They work night and day. When healthy they remove about 500 grains of impure matter daily, when unhealthy some part of this impure matter is left in the blood. This brings on many diseases and symptoms—pain in the back, headache, nervousness, hot, dry skin, rheumatism, gout, gravel, disorders of the eye sight and hearing, dizziness, irregular heart, debility, drowsiness, dropsy, deposits in the urine, etc. But if you keep the filters right you will have no trouble with your kidneys.

Mrs. Joe Simpier, Cathrine St., Port Allegany, Pa., says: "For some time I have suffered with dull, nagging backaches and severe pains that were always present in the region of my kidneys. Constant headaches and dizzy spells caused me to feel tired and upon rising in the morning, I felt almost unable to begin the day's work. A friend hearing of my condition advised me to try Doan's Kidney Pills, and I did so. The effect of their use was wonderful. The backache vanished and the headaches and dizzy spells are now a thing of the past. It is with great pleasure that I recommend Doan's Kidney Pills to all suffering from troubles arising from inactive kidneys."
