\$500 REWARD!

THE PITTSBURG GAZETTE TIMES IN SEARCH OF STORY WRITERS—PURPOSE IS TO FIND AN AMATEUR COMPETENT TO COMPLETE HELEN MATHER'S GREAT NEW SERIAL:

One of the greatest strokes of enterprise by newspaper publishers is the proposal of the Pittsburg Gazette Times to pay \$100 for the best solution in the mystery in Helen Mather's remarkably clever unfinished new serial, entitled "Love, the Thief," the first instalment of which will appear in The Gazette Times on Sunday, November 8, when full details of the contest are to be published.

The balance of the \$500 will be distributed as follows: \$25 to the person who submits the second best solution, \$10 to the one sending the third best and \$5 each to those who supply the 75 next best.

Thousands of people will hail this opportunity not alone as a means of earning Christmas money, but to show their ability at gathering up the ends of a strange mystery and clearing it in few words. Literary talent is not necessary as The Gazette Times offers the prizes not for literary composition, but for the best solution to the story.

Men and boys, as well as women and girls may compete. Only the employes of the publishers, in fairness to the public, will be ineligible.

Installments of the story will appear regularly in the Sunday and daily editions of The Gazette Times to the conclusion of next to the final chapter.

Then solutions will be received during the period lapsing between that issue and the issue of the following week.

The prizes will be awarded at the earliest possible date after the Judges have determined the awards—in plenty of time to give the successful contestants use of the money for Christmas.

The Gazette Times announces that manuscripts of contestants must be forwarded by mail, addressed to the Prize Mystery Story Editor, care Pittsburg Gazette Times, Pittsburg, Pa. Personal interviews cannot be granted.

FLOUR is the main ingredient in the preparation of nearly all food products the housekeeper prepares. Like everything else on the market today, there are "Flours and Flours" of various qualities. Nearly every one wants the best flour. The question of "Which is the Best," is a very perplexing one, unless you have tried many kinds and have arrived at a conclusion based on experience. Now we believe that if you give our White Lilly a fair trial, you will be convinced of our assertion, that it is one of the very best all-round family flours on the market. Try a small bag, if unsatisfactory in any particular we stand ready to refund the purchase price.
