DANGER IN DELAY.

Kidney Diseases are too Dangerous for Emporium People to Neglect.

The great danger of kidney troubles is that they get a firm hold before the sufferer recognizes them. Health is gradually undermined. Backache, headache, nervousness, lameness, soreness, lumbago, urinary troubles, dropsy, diabetes and Bright's disease follow in merciless succession. Don't neglect your kidneys. Cure the kidneys with the certain and safe remedy, Doan's Kidney Pills, which has cured people right here in Emporium.

Mrs. William Swartz, living on Maple street, Emporium, Pa., says: "I suffered for a long time with dull nagging backaches and pains through my loins, so severe at times that I could hardly attend to my work. Every move I made caused me severe pain. I was unable to rest at night and in the morning would be worn out and tired. My kidneys were very active and the secretions caused much annoyance and embarrassment. I used many remedies but was unable to obtain relief until a friend advised me to use Doan's Kidney Pills. I procured this remedy from L. Taggart, the druggist, and used them in accordance with directions. The backache and pains quickly vanished, the kidneys were strengthened and my general health was improved. I am indeed grateful, to Doan's Kidney Pills for the great benefit received from their use and heartily recommend them to kidney sufferers."

FOR CONSTIPATION

A Medicine That Does not Cost Anything Unless it Cures.

If you suffer from constipation in any form whatever, acute or chronic, we will guarantee to supply you medicine that will surely effect a cure if taken with regularity and according to directions for a reasonable length of time. Should the medicine fail to benefit you to your entire satisfaction, we promise that it shall cost you nothing.

No other remedy can be compared with Rexall Orderlies for the easy, pleasant and successful treatment of constipation. The active medicinal ingredient of this remedy which is odorless, tasteless and colorless, is an entirely new discovery. Combined with other extremely valuable ingredients, it forms a preparation which is incomparable as a perfect bowel regulator, intestinal invigorator and strengthener. Rexall Orderlies are notable for their agreeableness to the palate and gentleness of action. They do not cause griping or any disagreeable effect or inconvenience, and may be taken at any time, day or night.

We particularly recommend Rexall Orderlies for children, delicate or aged persons because they do not contain anything that could possibly injure the most delicate organism. They are just as easy to take as candy, and unlike other preparations for a like purpose they do not create a habit, but in stead they overcome the cause of habits acquired through the use of ordinary laxatives, cathartics and harsh physic, and permanently remove the cause of constipation or irregular bowel action.

We want you to try Rexall Orderlies at our risk. We know that there is nothing that will do you so much good, and we will refund your money without argument if they do not do as we say they will. They are prepared in tablet form in two sizes of packages; 36 tablets, 25c, and 12 tablets, 10c. Mrs. M. A. Rockwell, Emporium, Pa.
