What Would You Do?
 In case of a burn or scald what would you do to relieve the pain? Such injuries are liable to occur in any family and everyone should be prepared for them. Chamberlain's Salve applied on a soft cloth will relieve the pain almost instantly, and unless the injury is a very severe one, will cause the parts to heal without leaving a scar. For sale by L. Taggart.

How to Cure a Cold.
 Be as careful as you can you will occasionally take cold, and when you do, get a medicine of known reliability, one that has an established reputation and that is certain to effect a quick cure. Such a medicine is Chamberlain's Cough Remedy. It has gained a world wide reputation by its remarkable cures of this most common ailment, and can always be depended upon. It acts on nature's plan, relieves the lungs, aids expectoration, opens the secretions and aids nature in restoring the system to a healthy condition. During the many years in which it has been in general use we have yet to learn of a single case of cold or attack of the grip having resulted in pneumonia when this remedy was used, which shows conclusively that it is a certain preventive of that dangerous disease. Chamberlain's Cough Remedy contains no opium or other narcotic and may be given as confidently to a baby as to an adult. For sale by L. Taggart.

Colds and Croup in Children.
 "My little girl is subject to colds" says Mrs. Wm. H. Serig, No. 41, Fifth St., Wheeling, W. Va. "Last winter she had a severe spell and a terrible cough but I cured her with Chamberlain's Cough Remedy without the aid of a doctor, and my little boy has been prevented many times from having the croup by the timely use of this syrup. As soon as he shows any signs of croup I give him Chamberlain's Cough Remedy for three or four days which prevents the attack." This remedy is for sale by L. Taggart.

Sick Headache.

Resolutions of Respect.
 At a meeting of the Board of Directors of the Emporium Powder Mfg. Company, held November 24th, 1908, the following minute was adopted on the death of the Hon. Leonard Taggart Treasurer and Director of said Company:
 In the death of the Hon. Leonard Taggart, Emporium loses one of its foremost citizens. As Treasurer and a Director of this Company, he was a wise counselor, an earnest worker, a steadfast advocate of the highest business honor and a strong factor in the promotion of its business welfare, the trust imposed upon him was performed with sacred fidelity.
 In his intercourse with the Company, its officials and its employees, Mr. Taggart's conception of duty never exacted tribute from the humblest laborer, or obnoxiously intruded his ideas upon his peers.
 He was the ideal man and citizen, and as an officer of the Company, won the respect and admiration of every member as a token of respect of his memory be it:
 Resolved, That in the death of the Hon. Leonard Taggart, this Company loses an able officer, a conscientious worker for its welfare, a wise counselor and a man whose conception of duty sacredly recognized the rights of others.
 That we appreciate the great loss to his family in this bereavement, and extend our profound sympathy.
 That we publish this paragraph in the local papers, hand a copy to the family of the deceased, inscribe the same upon the minutes of the Company and drape the office for the usual period.

FIRST FORK.

W. H. Mitchell, Dentist, Emporium. Fred Williams and Chancey Logue opened up a "Hunters Resort" a day before the season opened, and have nine hunters in camp. They are three or four miles from anywhere, and so far there has been no casualties reported among the hunters, and I might say none among the deer either. It looks as though the old Bucks were "onto the racket" and had knocked off their horns early to fool the hunters, as they have seen a good many deer and none with horns on. Several batches of hunters have left this section already, disgusted with their luck.

His chin was severely cut and his watch was broken. He is being treated by W. R. Smith, T. N., and at this writing is resting comfortably. WOMEN'S WOES.

Emporium Women are Finding Relief at Last.

It does seem that you have more than a fair share of the aches and pains that afflict humanity, they must "keep up," must attend to duties in spite of constantly aching backs, or headaches, dizzy spells, bearing-down pains; they must stoop over, when to stoop means torture. They must walk and bend and work with racking pains and many aches from kidney ills. Kidneys cause more suffering than any other organ of the body. Keep the kidneys well and health is easily maintained. Read of a remedy for kidneys only that helps and cures the kidneys and is endorsed by people you know.

Mrs. Frank Mundy, W. Fourth St., Emporium, Pa., says: "Since using Doan's Kidney Pills, procured from L. Taggart's drug store, I am feeling much better. My kidneys were very weak, the secretions passing too frequently and I suffered from a dull, nagging backache and splitting headaches. Sharp pains would dart through the small of my back and at times my feet and hands would swell. Doan's Kidney Pills regulated the kidney secretions and drove away the pains and aches in my back and head. I cheerfully recommend this remedy."

For sale by all dealers. Price 50 cents. Foster Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
