NO. 42.

A Great Combination.
From July first until November third the hens belonging to Squire Sullivan, of Huntley, have been on a strike. It was impossible to arbitrate or settle the difficulty until Mr. C. H. Felt, of the Emporium Milling Company, suggested that a picture of William H. Taft be placed where the fowls could see it and to open a bag of Felt's Matchless Egg Food and scatter it near the picture. The results were amazing. The hens looked at the picture first then went at the egg food and inside of an hour were crowding the nests in their haste to lay. Since that time the hens have disregarded the sixteen hour law and insist on laying night and day. The roosters salute the picture at the first break of day and crow all the time. Judge Taft's picture restored confidence and the egg food did the rest. The egg food can be procured at the Emporium Mill and Mr. Taft can be found doing business at the White House after March 4th.

A Monster Deer.
A very large deer was killed on Saturday last, near Sinnamahoning, by a hunting party composed of Messrs. Scott Mountz and E. B. Sutliff, of Cooks Run; T. S. Patton and Mr. Begal, of Bloomsburg; W. B. Sutliff, of Fairmont Springs; Herman Smith, of Hughesville; James Shultz and son, Jamison City, Pa. The buck was a monster, weighing two hundred pounds. We would hardly have thought it worth mentioning but for the kindness of Mr. Mountz and party, who kindly appreciated the hospitality of the Mountain House, at Sinnamahoning, by presenting them a nice roast of the buck. To say that the meat was fine and richly enjoyed would be putting it mildly. With many thanks to Mr. Mountz and party, we can only say come again.

GEO. FULTZ,
Sinnamahoning, Pa., Nov. 30, 1908.

One of Uncle Sam's Boys.
George Metz, a resident of Hornell, N. Y., and a sailor on the U. S. battleship Maine, was the guest of his uncle Frank Metz and family the last of the week. The sailor boy returned to his home on Sunday to prepare for his departure to again go in the navy of the United States.

Thanksgiving Party.
Mr. and Mrs. H. W. Graham, most royally entertained a few friends last Thursday evening at their home on Fifth street. The table was spread with the finest of dainties and as Mrs. Graham has a great reputation in the culinary art, the feast was heartily enjoyed by all present. The dining room had a very pretty appearance, the gaslights being turned low and the table lighted with shaded candles. Mrs. Graham was assisted by her friend Mrs. Jackson, of Boston, Mass.

Lost.
Last Sunday, on the streets of Emporium, a young lady lost a gold locket and chain, bearing the monogram "M. G. A." on locket. The finder will be liberally rewarded by leaving same at City Hotel.

Dr. Hellman Calls us Down.
I wish to say to the readers of the Press that the statement in last week's issue that the X-Rays failed to locate the bullet in Charles Jones' hand, is incorrect and was wholly uncalled for. The X-Ray picture taken by me, indicates plainly the bullet, a 22 calibre, to be lodged just under and to the inner side of the joint that joins the index finger to the hand and shows it between the ends of the two bones. This can be examined at my office at any time by any one interested.

R. P. HELLMAN, M. D.

Prompt Payment.
The Fraternal Order of Eagles, after returning to their headquarters Sunday from the funeral of John Kibe, met and in a very few minutes raised a handsome purse of money from among the members present for the benefit of the stricken family. This amount was immediately presented to Mrs. Kibe. It is said that the Order is raising another sum from among its own members which will be presented in a few days. This is another evidence of the great amount of good that is being done by this order. Fraternity of a visible, practical nature is the lever that is lifting the Fraternal Order of Eagles to a height and prominence of which they can well be proud. W. P.

A Foul Murder

John Kibe Shot and Almost Instantly Killed by an Italian.

Last Thursday evening, about 8:30 Joe Pagano, an Italian, who has resided in Emporium for two or three years, went into the American Hotel, conducted by Chas. Farley and being boisterous and disorderly the landlord ejected him from the house at three different times. The infuriated Italian stormed around the front of the hotel, when he pulled out a revolver and fired in the sidewalk. Mr. John Kibe, who stood in the hotel, went to the door to see what the Italian was doing and spoke to him, requesting that he go home. Almost instantly he raised the gun and fired at Kibe the ball entering his right side near the heart. Kibe at once turned back and sitting down, said "I'm shot." Great excitement prevailed. The injured man was removed to the parlor and Drs. Smith, Bush and Falk summoned. Promptly upon the arrival of the Drs. it was soon evident that the unfortunate man had only a few minutes to live. The leaden messenger of death had severed an artery and the wounded man passed to the great beyond surrounded by his grief-stricken wife and children, at 9:07.

While the sad scene was taking place in the "death room," Chief of Police Frank Mundy called for volunteers to aid him in finding and arresting the murderer, who after committing the dastardly deed walked up to Lect & Co's store and passed across the street, down towards the Junction. Mr. Mundy hurried down to Wm. Clark's and requested his assistance, which was readily granted. The officer passed the Italian while enroute for Clark's and after telling Mr. Clark to "give him the club as soon as he jumped into him," retraced their steps and caught up with the murderer in front of E. D. Mumford's residence, when Mundy threw both arms around him, Mr. Clark at the same instant welled him on the head. After properly securing him he was taken to St. Charles Hotel and searched. Upon his person was found a large stiletto, one razor and five or six cartridges. The revolver, which he dropped when captured, contained two charges—one being fired in the sidewalk, one into John Kibe and the other at the hotel as he passed down the street.

On Friday morning he was taken before Esq. Larrabee, who committed him to jail to await the action of the grand jury on the second Monday of January, 1909.

THE INQUEST.
Acting Coroner, Esquire M. M. Larrabee summoned the following jurors immediately after the death of Mr. Kibe: John Cummings, foreman; J. H. Stephens, Robt. Hackett, Hon. F. X. Blumle, Edward McCarthy and Wm. A. Auchu. After the jurors were sworn they adjourned to meet Friday morning at 9 o'clock at the office of Justice Larrabee. District Attorney Jas. P. McNarney was present at the hearing and represented the Commonwealth. Nine witnesses were sworn. A verdict was rendered that "John Kibe came to his death at the hands of Joe Pagano."

THE AUTOPSY.
Friday afternoon, Doctors Smith and Bush performed an autopsy, in the presence of the Coroner and Jurors. They reported that they found the bullet had entered the body of John Kibe near the heart, passing through the edge of the heart; then downward, passing through the body, then lodged under the skin, just above the right shoulder blade. At the close of the autopsy Undertaker Geo. J. LaBar's assistant, Mr. Chas. W. Rishell, took charge of the remains and prepared it for burial.

THE FUNERAL.
The funeral was held on Sunday afternoon from the late residence of the deceased, the Exchange Hotel, Rev. Mr. Anderson, pastor of the Methodist Episcopal Church officiating. It was one of the largest funerals ever held in Emporium. The deceased being a member of the Eagles and the Fire Department (Citizens Hose) brought out the entire membership of those bodies, about 300 in number. The deceased was viewed by a large number of friends, many of whom were closely connected socially and intimately. The floral offerings were very beautiful. The following relatives and friends

from out of town were in attendance at the funeral: John Kibe, Sr., (father), of Phillipsburg; Joseph Bingeman, Adam Bingeman, wife and two children, Miss Anna Bingeman—brothers and sister of Mrs. Kibe.

What is a Mission
The Rev. R. S. Radcliffe, is assisting Rev. J. M. Robertson in holding a very successful mission at the Episcopal church.

In this age of rash talk and rasher actions the church calls to sobriety, morality and godly training and our people irrespective of creed are learning that a mission is a safe and sane effort to reach the common sense of our spiritual nature.

The full vested choir, led by the organ and a cornet, swell the congregational singing with old time vigor, such as we did not expect in an Episcopal church.

Last evening Miss Grace Lloyd sang "Rock of Ages" as only Miss Lloyd can sing it.

This evening special singing will be rendered by Messrs. Sterner and Ellis.

The services will last until Sunday night with a special service for children Saturday afternoon at 2:00 o'clock. On Sunday afternoon at 3:00 o'clock. Arch Deacon Radcliffe will discuss "Amusements, their use and Abuse"

Charitable Emporium Will Respond.

Next week, Thursday evening, at the opera house, will be held a Sock, Pound and Variety Entertainment, for the benefit of Mrs. Clara Kibe, recently left a widow with three small children. Charitable Emporium will respond we feel sure. A committee of Emporium ladies have the matter in charge. Come and bring your sock well filled with cash and one pound or a ton of anything that will aid the terribly afflicted family.

No admission will be charged except that you present a sock containing cash to amount of your age, or the combined ages of your family.

A pleasing entertainment will be presented on the stage. Light refreshments will be served.

This is particularly a case that calls for the prompt response of our citizens. Come, bring your friends and be liberal!

State Livestock Sanitary Board.

HARRISBURG, PA., Nov. 20, 1908.

FOOT AND MOUTH DISEASE has appeared or has been reported among cattle in the counties of Montour, Northumberland, Union, Snyder, Juniata, Lancaster, Delaware and Montgomery. In each case the outbreak has been traced to cattle shipped from Buffalo, New York, during the last week of October or the first week of November. Since then, the stockyards at Buffalo have been thoroughly cleaned and disinfected, and it is stated by the federal authorities that there is no danger from that source. Many cattle came to Pennsylvania during the two weeks mentioned. All of these shipments are being looked up as far as this is possible but some have been dispersed and are hard to trace. Hence there is the possibility that foot and mouth disease may occur anywhere in the State, even in a place least to be suspected.

It is of the greatest importance that outbreaks shall be promptly reported so that all necessary precautions may be taken. Reports should be sent by telegraph—charges collect—to the State Veterinarian at Harrisburg. All citizens should consider it their duty to make such reports, in the interests of the public welfare. Just at this time, any unusual disease affecting the mouths or feet of cattle should be regarded with suspicion. If such disease spreads from animal to animal there can be little doubt as to its nature.

In repressing this disease the United States Department of Agriculture is co-operating and is assisting the State Livestock Sanitary Board. As a result of such co-operation it is possible to pay to owners full value for all cattle that may have to be destroyed on account of this disease provided the owners co-operate with the public authorities and do their part to prevent the further spread of infection.

Every veterinary practitioner and every cattle owner should be exceedingly alert to detect the first evidence of this disease and to report it. Where cattle are known to be affected, visitors should be kept away for the disease is one that may easily be conveyed by persons who have been in contact with or near affected animals. Persons who are known to have been on infected premises should be debarred from places where cattle are kept until after their clothing have been disinfected. The disease is one that causes enormous losses and must be dealt with in a firm and effective way.

George English one of Gilbson's mighty good hunters and a crack shot with his trusty rifle, is the proudest young man in this county at the present time. Last Saturday he went out hunting near the head of Wykoff Run and came in close contact with two bears and rapidly plunged two leaden missiles into them. Although always a good hunter this is the first time he succeeded in killing a bear, not only one but two. Of course he was more pleased that when he put on his first red-top boots. He is now wearing the champion belt and those other old-timers are saying nothing, only shaking their heads and asking: How did he do it?

Mrs. C. M. Bailey and Nellie Marsh, of Mason Hill, came down on Sunday to visit the Sunday school and attend the evening services in the new church. They were well pleased with their visit and while here they were the guests of Mr. and Mrs. J. M. English on the Heights.

CURES CATARRH

Mrs. M. A. Rockwell Will Furnish the

Medicine Free in Every Case Where

They Fail to Cure Catarrh.

Neglect or pessimism we believe is the greatest enemy the public have to contend with, when applied to the loss or recovery of health. Practically every case of consumption might have been cured if hope had been maintained and proper treatment had been resorted to at the first symptoms of the disease. Until the advanced stage is reached, consumption is curable. Catarrh is responsible, we believe, for every case of consumption. It is about Catarrh we want to talk to you to-day, incidentally consumption, since the two are so closely allied.

We have a medicine made from the prescription of one of the most successful catarrh specialists known. This medicine has a record of 98 per cent. of cures, and we believe it is positively without an equal. We are so satisfied that we are right, that we will supply the medicine free in every instance where it is used according to directions for a reasonable length of time and fails to cure and give satisfaction in every particular. We want everyone in Emporium to try this medicine at our risk. There are no conditions or formality attached to our offer. We put the user under no obligations to us whatever.

The medicine we want you to try is

Resall Mucuo-Tone. It is a catarrh

remedy that goes direct to the seat of

trouble. It is carried by the blood to

every part of the system. It seeks out

and destroys the germs or parasites

which cause Catarrh. It purifies and

enriches the blood, tones up the mucous

cells, soothes and heals the tissues that

were ravaged by the catarrhal parasite,

and brings about a condition of health

and strength that prevents the germs

of consumption from ever getting a

start. Besides this, Resall Mucuo-Tone

is a wonderful appetizer, digestive aid

and flesh builder. Its good effects are

felt from the very first dose. It is one

of the largest and most satisfactory

selling medicine that we have ever had

anything to do with. We know so

much of the great good that it has done

that we personally back it up with our

reputation and money, which fact

should be ample guarantee to satisfy

anybody.

Resall Mucuo-Tone comes in two

sizes, 50c, and \$1.00. We urge you to

try it. Mrs. M. A. Rockwell, Emporium,
