Mr. J. H. Bierly of Sabinsville, Pa., spent Sunday at the home of his brother-in-law, Frank L. Miller.

A full attendance of teachers were present. Some interesting talks were given. A few visitors were also in attendance. Subject of the Institute was "History."

his school. It certainly makes a grand appearance. "Ez" is bound to keep up with the times.

We must not forget that an entertainment will be given at the Gilmore School House, Friday evening, Dec. 18. Everybody should turn out and show their appreciation of Christmas. A large crowd always encourages those who give the entertainment. Everybody cordially invited to attend.

The 19th of the month appears to be a kind of a "hoodo" day on the hotels on Bennett's Branch, as many as three of them having burned on that date.

M. J. Logue marketed his turkeys at Driftwood last week, at the butchers, at \$2 per head. This seems like a pretty good price.

A series of revival meetings are being held in the M. E. church at Sterling Run this week under the direction of the Rev. Mr. Bessey of Machias, N. Y. He is one of the most eloquent speakers that has ever graced the pulpits in this section of the country and his words seem to be inspired from above. Already a great number of people including a good proportion of our young men have testified to a change of heart and it is believed that a great majority if not all of the people here will be spiritually benefitted by Rev. Bessey's earnest efforts in their behalf. Personally Mr. Bessey is a fine gentleman and is very popular with the people of all denominations and the Press congratulates him on his splendid work.
