Lost.

Between the electric light plant and Sixth street, about two weeks ago, a lady's hunting case watch; monogram "D. E. C." engraved on one side and the head of deer on other. The finder will be suitably rewarded by leaving it at Press office.

Young girls usually have poor judgment in selecting gifts for their sweethearts. They should cut out the collar and necktie boxes and retain the love and respect of their swains by buying them a fancy pipe or a Xmas package of cigars at Taggart's.

Wide Awake.

Just take a peep at the beautiful show windows. Our merchants are certainly getting a move on and standing up to be counted. A few remain in the old rut but they, like the kittens, will soon get their eyes open. The day has gone when business men can expect to prosper without liberal and judicious advertising. Nothing helps a town more than wide-awake business men. The columns of the Press displays vividly, a large number of wide gauge firms, ladies and gentlemen who believe in judicious advertising. You do not have to be an expert we can and would be glad to assist you. Let every business man start the new year on a broader scale. Wake up and demonstrate to the world that Emporium business firms do things.

To cure an aching back.

The pains of rheumatism.

The tired-out feelings.

You must reach the spot—get, at the cause.

In most cases 'tis the kidneys.

Doan's Kidney Pills are for the kidneys. Mrs. John Summerson, W. Sixth St.

Emporium, Pa., say: "I suffered from nagging backaches and pains in my sides and kidneys for a long time, caused by disordered kidneys. I also suffered from rheumatism in my limbs, was languid and lacked ambition. I used many remedies but obtained no relief until I learned of Doan's Kidney Pills and procured a box from L. Taggart's drug store. They gave me relief from the backaches and pains, regulated the kidney secretions and improved my general health. I obtained more relief from this remedy than I had ever hoped for and I am therefore glad to recommend it to other kidney sufferers.
