Dinny, Burside & Co., have placed a large gas lamp in front of their store, much to the satisfaction of Broad street citizens. Mr. and Mrs. Geo. P. Jones' two children are seriously sick at their home on Sixth street. We understand Mr. Jones, who has been telegraphed for, is in Mich. We clip the following from the Ridgway Democrat and since the Elk County Medical Society is composed of the Cameron county doctors, as well as those of Elk county, it will be interesting to readers of the Press: "The Elk County Medical Society held its annual meeting and banquet at the Bogert yesterday afternoon and evening. The meeting was held during the afternoon in the Bogert parlors and was well attended. Two interesting papers were read, one by Dr. John McGuiga, of Erie on "Suggestions in Functional Neuroses," and the other by Dr. Irving M. Snow of Buffalo, on "Congenital Stenosis of the Pyloric Orifice in Infants." Both papers were able and commanded the closest attention of the physicians present. Officers for the ensuing year were elected as follows: President, Dr. M. M. Rankin of Ridgway; First vice president, Dr. C. C. Neff of St. Marys; second vice president, Dr. J. E. Rutherford of Ridgway; secretary, Dr. R. P. Heilman of Emporium; treasurer, Dr. A. Millhant of St. Marys. The board of censors consists of the first and second vice presidents and the secretary. The banquet was held in the Bogert dining rooms at 7 o'clock, where a specially prepared table awaited the medical men. After all had dined well came the post-prandial speeches. Dr. C. G. Wilson of St. Marys was toastmaster and Dr. S. M. Free of DuBois and Dr. R. P. Heilman of Emporium were the principal speakers. The latter discoursed on "Professional Harmony" and the latter on "Medical Consistency, or Where Are We at Professionally?" They treated their topics in a manner that served greatly to entertain the guests. In fact the entire evening proved to be one of unalloyed enjoyment. New Boy. Hon. Josiah Howard will now have strenuous opposition in his own household, of a commanding, positive nature. Last Tuesday morning his estimable wife presented him with a bouncing son and Richard Donald is his name.

As chairman of education committee he will have charge of the measure creating entirely new educational laws. Big job. Mr. J. P. McNamey, an honored member of Cameron county bar, has been chosen secretary of the committee. The great work of revising the school laws rests with this committee. A Hustling Farmer. We learn that Harry Kephart has invented a new process for making ice and has already gotten in his supply. He freezes water in a pail and then breathes on the pail and removes the ice. Nothing like being thoughtful. Harry says he has clean spring water. It is none of the filthy creek water and saved the old horses a hard pull up the mountain road with a load of ice. Now, when you want a good fresh drink of water next summer, just go up to Harvey Kephart's. He won't charge you anything for it; you know Harvey is a good fellow. C. S. Emmanuel Church Notice. Jan. 24, Third Sunday after the Epiphany. 10:30 a. m., Morning Prayer and Sermon. Subject: "The Work in China." 7:30 p. m., Evening Prayer and Sermon. Subject: The History of the Church, with special reference to the question: Did Henry VIII found the church of England? The date of the Bishops' visitation is March 7th. Still Talking. The ladies of Sizerville, especially "The Old Folks," who enjoyed the hospitality of a sleigh ride through the kindness of Mr. Al. Krebs, who got up the party and Miss Mary Edwards, who chaperoned the "girls". The majority of the "young lads and lasses" are still talking over the pleasant and enjoyable treat and wishing there were more Al Krebs' in Portage. Minstrel Entertainment. The Mountaineer Hose Company are perfecting arrangements for another minstrel entertainment to be given in the early part of February. The minstrel entertainment given by this company two years ago will be remembered with much pleasure by our citizens as an exceptionally good production. The committee in charge of the arrangements for this year will outrival anything ever given in Emporium. An entirely new and catchy program is being prepared and all of the best local talent will be secured. The business manager is making arrangements to give the performance at several of the nearby towns and we are positive from the reports we have from the members of two years ago that this will be as pleasurable, as well as profitable departure. The committee in charge of the preparation are M. J. Harris, Dr. L. R. Felt and E. R. Tulis and they are hard at work and rehearsals have already commenced. Watch for the date and particulars. Returns From South. Jess C. Skillman, who has been lumbering in W. Va., for several years, returned to Emporium last week, accompanied by his family. "Jess" has been quite successful in the north and goes to Georgia in the near future to enter the employ of E. V. Dunlevie as foreman of woods work. During the many years that Mr. Skillman has been engaged in the south the Press has been a weekly visitor to his home or camp. First Methodist Church. The special revival services now being held in the Methodist Episcopal Church are growing in interest with increased attendance. The service on Friday night will be known as Young People's Service, when the meetings will be made of special interest to young people. Revivals. The Revival services at Truman school house, conducted by Rev. F. B. Schriener are being well attended and the community is much interested. The school house is well filled each evening. A cordial invitation is extended to attend the mission effort. Come and bring a friend with you. Services at 7:30 p. m., each evening, except Saturday and Sabbath. Little Folks Entertained. Miss Iva Carlson entertained thirty-two of her little friends at her home at this place, in honor of her ninth birthday. Miss Iva was the recipient of many presents. GASKILL, Committeeman. Shippen Pa., Jan. 12th, 1909.

Misery in Stomach. Why not start now—to-day, and for ever rid yourself of Stomach trouble and indigestion? A dieted stomach gets the blues and grumbles. Give it a good eat, then take Pape's Diapepsin to start the digestive juices working. There will be no dyspepsia or belching of gas or eructations of undigested food; no feeling like a lump of lead in the stomach or heartburn, sick headache and dizziness, and your food will not ferment and poison your breath with nauseous odors. Pape's Diapepsin costs only 50 cents for a large case at any drug store here, and will relieve the most obstinate case of Indigestion and Upset Stomach in five minutes. There is nothing else better to take gas from stomach and cleanse the stomach and intestines, and besides, one triangle will digest and prepare for assimilation into the blood all your food the same as a sound healthy stomach would do it. When Diapepsin works, your stomach rests—gets itself in order, cleans up—and then you feel like eating when you come to the table, and what you eat will do you good. Absolute relief from all Stomach Misery is waiting for you as soon as you decide to begin taking Diapepsin. Tell your druggist that you want Pape's Diapepsin, because you want to be thoroughly cured of indigestion. County Commissioners Meeting. The Commissioners of Cameron County have changed the time of their stated meetings to the first Monday of each month. 48-3t. Leave for Arizona. On Saturday morning W. S. Walker and family accompanied by Miss Fannie French, go to Buffalo, from which point they leave Monday for a four or six months sojourn in Arizona, New Mexico, and points on the Pacific coast. The trip is being made for the benefit of the health of Mr. Walker's eldest son, and Miss French, both of whom have been suffering from lung trouble for some time. The many friends of the party will join us in wishing them a safe and pleasant trip, with benefits to all.—Austin Autograph. The many friends of the above named parties at this place, join with the Press in wishing them a beneficial trip. Kennedy's Laxative Cough Syrup tastes nearly as good as maple sugar. It cures the cold by gently moving the bowels and at the same time it is soothing for throat irritation, thereby stopping the cough. Sold by R. C. Dodson. Letters from the People. All communications under this head must be accompanied by the writer's name. We will not be held responsible for any expression in this department.—Editor. Editor Press: Will you please inform me and allow me to make a few inquiries through columns of the Press. Why is it there is so much discrimination displayed in the drawing of jurors for criminal court? Look over your jury lists for years gone by and you will observe that there is a very small per centage of business men on the lists. It is no trouble at all to find men well qualified for jurors that have lived in Cameron county for years and have never been drawn as jurors. What is the reason? While others are drawn year after year, it looks as though there are men to be drawn that will be led by others. If this is the case it is a poor chance for justice. A juror should stand on his judgment, not the opinion of others, or sed by some smooth-tongued juror. Again, go to the train when court is called and watch the majority of the jurors rush for a bar-room the first thing Mingle and talk with them, you will see how many you find without the smell of liquor. Can a juror that has been filled with booze give you or me a good clean verdict. No, a thousand times no. Some of your jurors at the last court answered to their names when called, and had they been called to sit in the box at that time some one would have had to help them to a seat. Now can this state of affairs be remedied? Give the tax collector in each election district, or the assessors of each district, power to certify to the Jury Commissioners competent citizens who have lived in Cameron county, or any other county of the state. Then, and only then will we have fair, honorable and competent men to serve as jurors. CITIZEN. Driftwood, Pa., Jan. 9th, 1909. Stomach Trouble Cured. If you have any trouble with your stomach you should take Chamberlain's Stomach and Liver Tablets. J. P. Klote, of Edina, Mo., says: "I have used a great many different medicines for stomach troubles, but find Chamberlain's Stomach and Liver Tablets more beneficial than any other remedy I ever used." For sale by Taggart. Cascasweet, the well known remedy for babies and children, will quiet the little one in a short time. The ingredients are printed plainly on the bottle. Contains no opiates. Sold by R. C. Dodson. Sour Stomach. No appetite, loss of strength, nervousness, headache, constipation, bad breath, general debility, sour risings, and catarrh of the stomach are all due to indigestion. Kodol relieves indigestion. This new discovery represents the natural juices of digestion as they exist in a healthy stomach, combined with the greatest known tonic and reconstructive properties. Kodol for dyspepsia does not only relieve indigestion and dyspepsia, but this famous remedy helps all stomach troubles by cleansing, purifying, sweetening and strengthening the mucous membranes lining the stomach. Mr. S. S. Ball, of Ravenswood, W. Va., says: "I was troubled with sour stomach for twenty years. Kodol cured me and we are now using it in milk for baby." Kodol Digests What You Eat. Bottles only. Relieves indigestion, sour stomach, belching of gas, etc. Prepared by E. O. DEWITT & CO., CHICAGO. Sold by R. C. Dodson.

A Sprained Ankle. As a rule a man will feel well satisfied if he can hobble around on crutches in two or three weeks after spraining his ankle, and it is often two or three months before he is fully recovered. This is an unnecessary loss of time, as by applying Chamberlain's Liniment, as directed, a cure may as a rule be effected in less than one week's time, and in many cases within three days. Chamberlain's Liniment also affords great relief in cases of chronic and muscular rheumatism. Twenty-five and fifty cent bottles. Sold by Taggart. Good for cuts, burns, bruises and scratches, but especially recommended for piles—DeWitt's Carbolic Witch Hazel Salve. Sold by R. C. Dodson. Nervous Collapse. "I have traveled for thirty years continually. I lost a great deal of sleep, which together with constant worry left me in such a nervous state that finally, after having two collapses of nervous prostration, I was obliged to give up traveling altogether. I doctored continually but with no relief. Dr. Miles' Nervine came to my rescue—I cannot describe the suffering which this Nervine saved me. Whenever I am particularly nervous a few doses relieve me." A. G. C. LIBBY, Wells, Me. There are many nervous wrecks. There is nervous prostration of the stomach, of the bowels, and other organs. The brain, the kidneys, the liver, the nerve centers are all exhausted. There is but one thing to do—build up the nervous system by the use of Dr. Miles' Restorative Nervine. Its strengthening influence upon the nervous system restores normal action to the organs, and when they all work in harmony, health is assured. Get a bottle from your druggist. Take it all according to directions, and if it does not benefit he will return your money. Saturday Candy Sale. Continues popular with lovers of fresh home-made candies.
