20 Years WithHeartTrouble

"Dr. Miles' Heart Remedy has cured me of heart disease of over 20 years' standing. I was so bad that I could not do my work, and could scarcely draw a full breath without fainting or smothering. The doctor told me he could do no more for me; then I commenced taking the Heart Remedy. I shall never forget that night. I slept better than I had before in months. I kept right on getting better, until I was perfectly well."
MRS. LAURA RUSSELL,

Logan, Iowa.

When the heart action is weak, it fails to pump the blood through the lungs with sufficient rapidity. Then the lungs do not absorb the proper amount of oxygen, although they may be taking in a normal amount of air. The result is shortness of breath, smothering spells, difficult breathing, oppressed feeling in chest. Dr. Miles' Heart Remedy strengthens the heart nerves and muscles, and in this way, increases the circulation.

GONE FOREVER.

Ten years ago an Allen County, Kan., farmer put his initials on a dollar bill.

The next day he went to the nearest town and spent it with a merchant. Before the year was out he got the dollar back. Four times in six years the dollar came back to him for produce and three times he heard of it in pockets of his neighbors. The last time he got it back was four years ago. He sent it to a mail order house. He has never seen that dollar since, and never will. That dollar bill will never pay any more school or road tax for him, will never build or brighten any of the homes of the community. sent it entirely out of the zone of use-fulness to himself and to his neighbors when he sent it to the mailorder house

The moral is plain.
