Fine For Kidneys.
Here is a simple home-made mixture as given by an eminent authority on Kidney diseases, who makes the statement that it will relieve almost any case of Kidney trouble if taken before the stage of Bright's disease. He states that such symptoms as lame back, pain the side, frequent desire to urinate, especially at night; painful and discolored urination, are readily overcome. Here is the recipe. Try it.
Fluid extract Dandelion, one-half ounce; Compound Kargon 1 ounce; Compound Syrup Sarsaparilla, three ounces. Take a teaspoonful after each meal and at bedtime.

These ingredients are all harmless and easily mixed at home by shaking well in a bottle. This mixture has a peculiar healing and soothing effect upon the entire Kidney and Urinary structure, and often overcomes the worst forms of Rheumatism in just a little while. This mixture is said to remove all disorders and cure Rheumatism forcing the kidneys to filter and strain from the blood and strain from the blood and system all uric acid and foul, decomposed matter, which cause these afflictions. Try it if you aren't well. Save the prescription.

The People's Voice.
The decision of Hon. B. W. Green, of Emporium, to become a candidate for the Supreme Court Judgeship of Pennsylvania has met with the warm approval of the public at large, regardless of party, and in view of this we wish to express the sentiments of the people regarding Judge Green in the following verses:

"Cameron County once again unto the front has come,
And offers to the people another honored son;
The Supreme Bench, it is the goal, and in this
To place our honored citizen, Judge Benjamin W. Green.
For thirty-five successive years he's practiced at the bar,
For square and honest dealing he is known both wide and far;
In the U. S. and the Supreme Courts they know his name,
And while he was our President Judge, his work was justly praised.
In Clifton, Elk and Cameron, he's heartily endorsed,
Regardless of all politics the people's choice, of course;
The convention will make no mistake if they will nominate,
Judge Green for Supreme Justice, he's an honor to our State."
J. F. S.

Our old friend "Daunie" Sullivan is very much elated over the nominations of Operators Messrs. Page, Krapp and Hoag for township honors and has submitted the following verses which seem very appropriate at this time:

"Election is coming, so get on your muscle,
And for all your candidates, get out and hustle;
For Old Lumber Township must come to the front,
It's up to the voters to all do their stant.
We want Page for Justice, he'll sure make a daddy,
He is posted in law and is willing and handy;
He's a good solid man and a 'whale' on the wire,
And is serving his township, he never will tire.
Brother Krapp is for Auditor, another good man,
He can handle a pen with the best in the land,
He can raise good potatoes, he's a key man of note,
And we want him to get every citizen's vote.
Frank Hoag, School Director, also supervisor,
As an all-around man he is a surprise;
He can make the wires sing, and fine chickens can raise,
Vote for him and be happy the rest of your days.
These three men I've named work in Cameron
Tower,
They guard people's lives each one in his hours;
From the straight path of duty they never will stray.
Their motto is "honor," come whatever may.
Our town will be safe if we will elect them,
They are honest and true, so do not reject them.
No one will be sorry, if this step they take,
And elect the whole three of them, Page, Hoag and Krapp."

Not Bull Run.

The story was told of an American who happened to be crossing the ocean some years ago on the Fourth of July, which national holiday was celebrated with great enthusiasm by the Americans on board.

"I say," asked one of the Englishmen, "what is this the anniversary of anyhow? Isn't it to celebrate the battle of Bull Run or something of that kind?"

"No," promptly spoke up an American, "not Bull Run—John Bull Run."

Takes Him Down.
"Every man has his price," quoted the wise guy.
"Well, I've noticed that a woman can generally make him feel pretty cheap," added the simple mug.—Philadelphia Record.
