We are glad to report that again the good people are responding to the appeal for the new church. We have lately received \$28.00, as follows: H. C. Hendrix, E. E. Cookson, Houghton, N. Y., each \$1.00; Mrs. Ida Smith, East Brady, \$1.00; J. M. English, \$1.00; J. H. Brooks, Pittsburg, \$2.00. In sending this amount to Mrs. S. S. Miller, (who is very much interested in getting the church carpeted,) Mr. Brooks says: "I enclose my check for two dollars, my contribution toward laying carpet for your church. I hope the next time I visit your farm I shall have the pleasure of visiting the church and treading upon the newly purchased floor piece." Many thanks, John, and to all others that have come so nobly to our aid in building God a house.

Out of the \$28.00, Mrs. Dell, Benj. Smith collected \$22.00, to purchase a pulpit which is ordered and within a week will be placed in the Church.

Let us all lend a helping hand and do what we can to complete this church by the first of June. Let us do it with joy.

We love Thine alter Lord,
O! what on earth so dear,
For there is faith adored,
We find Thy presence near.

20 Years With Heart Trouble

"Dr. Miles' Heart Remedy has cured me of heart disease of over 20 years' standing. I was so bad that I could not do my work, and could scarcely draw a full breath without fainting or smothering. The doctor told me he could do no more for me; then I commenced taking the Heart Remedy. I shall never forget that night. I slept better than I had before in months. I kept right on getting better, until I was perfectly well."

MRS. LAURA RUSSELL,
Logan, Iowa.

When the heart action is weak, it fails to pump the blood through the lungs with sufficient rapidity. Then the lungs do not absorb the proper amount of oxygen, although they may be taking in a normal amount of air. The result is shortness of breath, smothering spells, difficult breathing, oppressed feeling in chest. Dr. Miles' Heart Remedy strengthens the heart nerves and muscles, and in this way, increases the circulation.
