NO. 1.

DEATH'S DOINGS.

CHAPMAN.
On Tuesday morning, February 2nd, 1909, just as the sun was driving the darkness away, Mrs. LOVINIE CHAPMAN, beloved wife of Almeron Chapman, of Spokane, Wash., bade her loved ones good night and took her journey to the "morning land." About three years ago our sister bade good bye to her husband and two daughters to join her son in Spokane. The other members of the family soon followed her. A few days before her death she told her pastor the incident and said, "I am going to that other land, as I came out here, a little before the others, but they will soon follow me there and we will be united forever. I am so eager to go." But a few months ago sister Chapman underwent a severe operation and for a while she seemed to be better than ever. She visited one of her daughters in Wenatchee, at the time of the annual conference, but soon after her return began to fail. She was ready to go. Her life had been of the kind that leaves no regrets to either the one going or those left behind. About a week before her death, her pastor and the children sang for nearly two hours, the old songs of the home land, she joining with her weak voice in the songs. During her last days she suffered great pain and only the songs of Zion seemed to have power to ease her. One day when she spoke about the doctors she said, speaking to her pastor, "These doctors cannot help me. Only Dr. Hill can do me any good."

Sister Chapman was born in Tioga county, N. Y., Nov. 8, 1847, and died at the age of sixty-one years, one month and twenty-five days. Beside her husband, three children mourn her loss and rejoice in having been blessed by her life; Mrs. Georgia L. Othmer, of Spokane, Mrs. Sadie M. Wilson, of Wenatchee, Wash., and Clark G. H. Chapman, of Spokane. She is safe home at last. The funeral took place from the residence Wednesday, Feb. 4th, at 2:30 p. m., the pastor of St. Paul's Methodist Church, where she had been a member ever since coming to this city, officiating. A splendid quartette from this church sang her favorite hymns and her many friends brought beautiful floral tributes. "Let me die the death of the righteous." E. M. H.

KIRKPATRICK.
Mrs. David Kirkpatrick died at the family residence at Beechwood last Wednesday, Feb. 10th. Deceased was in her 50th year and had been a patient sufferer for some time. The funeral was held last Saturday afternoon at the house, services being conducted by the Rev. Mr. Kerns, pastor of the M. E. Church at St. Marys and interment took place in the Market Cemetery. The family have the sympathy of the Press and a large circle of friends at Emporium.

Good Roads.
The Jones bill to appropriate \$3,000,000 for the construction of township highways will be strongly urged at a meeting of the Roads Committee to be held next week. The State Grange is supporting the bill.—Harrisburg Telegraph.

Located At Philadelphia.
Miss Elizabeth Crandall, daughter of Mr. and Mrs. C. E. Crandall, departed on Sunday noon flyer for Philadelphia, where she will enter the millinery department of one of Philadelphia's largest houses.

Painful Fall.
Miss Mary McGrain, who makes her home with the Misses Gould, sustained a serious fall Tuesday morning while going to school. She fell down several steps striking on her back. Dr. Bush is attending her but, of course, cannot yet tell how serious her injuries are.

Fair.
On Saturday evening, February 20, 1909, a Fair will be held at the Swesey school house. The main feature of the evening will be a Necktie and Apron Supper. Candy and other notions will be on sale. Come, bring your friends, enjoy the evening and help a good cause.

Young People's Social.
The Y. P. S. C. E. of the Baptist Church will hold social in the Church Parlors Friday evening, Feb. 19. An invitation extended to everybody.

Wanted—Reliable, energetic man to sell lubricating oils, greases and paints in Cameron and adjacent counties. Salary or Commission. Stetson Oil Co., Cleveland, Ohio.

Mountaineer Minstrels.

The Mountaineer Minstrels, given last Friday evening, was successful in every way. The entire program was well rendered and received hearty applause from a crowded house. The overture, presented by the whole company, was produced as well as any professional troupe could have done. The unveiling of Lincoln's picture, issued by the Press, brought forth many cheers and made a real patriotic feeling pervade the vast assemblage.

Mr. Lyons, acting as interlocutor, was at his best and handled everything in his usual manner. Messrs. Jay Felt, Quigley, Derby, Law, Fisher, Tulis, as end-men, certainly were all O. K. and deserve great credit for the way in which they reeled off the jokes. The young ladies who assisted in the chorus work, did much to strengthen the music and added greatly to the appearance of the circle. The solos were all well rendered and all the music was of a catchy nature and has become popular with many of our townspeople. The second part was short and very entertaining and consisted of fancy dancing by Messrs. Farrel and Wright, a stump speech by "Erastus Jefferson Fisher" and a sleight-of-hand performance by Mr. S. Paul Smith certainly was up to the highest standard. The program ended with a one act farce entitled, "Unjust Justice" and all who took part did good work. The orchestra was under the direction of Prof. A. E. Brehme, of St. Marys, and Dr. L. D. Felt directed the choruses and both gentlemen did their parts in a very creditable manner. The minstrel was under the management of Messrs. R. E. Tulis, M. J. Harris and L. R. Felt and the great success of the show is due to these gentlemen who were untiring in their efforts to make the show a success.

Great Pension Work.

Hon. Chas. F. Barclay, Congressman from this district, who is a member of the Pensions Committee, is one of the hardest working members, he having the largest number of States assigned to him. We have before us Report No. 2110, composed of fifty-five pages, reporting cases recommended by his sub-committee. That Capt. Barclay is "making good" and looking well to the interests of his district. The best and most effective Congressmen always did come from the country districts. A good Congressman, like wine, improves with service. If we mistake not the pulse of the people of this district, Congressman Barclay will be kept at Washington.

INTERESTING FACTS

Mrs. M. A. Rockwell Offers to Cure Catarrh. The Medicine Costs Nothing if They Fail.

When a medicine effects a cure in 98 per cent. of cases, and when we offer that medicine on our own personal guarantee that it will cost the user nothing if it does not cure Catarrh, it is only reasonable that people should believe us, or at least put our claim to a practical test when we take all the risk. These are facts which we want the people of Emporium to substantiate. We want them to try Rexall Mucu-Tone, a medicine prepared from a prescription of a physician whose specialty was Catarrh, and who has a record of thirty years of cures to his credit.

We sell more bottles and receive more good reports about Rexall Mucu-Tone than we do of all other catarrh remedies sold in our store, and if more people only knew what a thoroughly dependable remedy Rexall Mucu-Tone is, it would be the only catarrh medicine we would have any demand for. Rexall Mucu-Tone is quickly absorbed and carried by the blood until it thoroughly disinfects and cleanses the entire mucous membranous tract, destroys and removes the parasites which injure and destroy the membranous tissues, soothes and heals the irritation and soreness, stops the mucous discharge, and builds up strong, healthy tissues, relieves the blood and system of diseased matter, stimulates the mucu-cells, aids digestion and improves nutrition until the whole body vibrates with healthy activity. In a comparatively short time there is a most noticeable gain in weight, strength, good color and feeling of buoyancy.

We urge you to try Mucu-Tone, beginning a treatment to-day. At any time you are not satisfied, simply come and tell us, and we will quickly return your money without question or quibble. We have Rexall Mucu-Tone in two sizes, 50c and \$1.00. Mrs. M. A. Rockwell, Druggist, Emporium, Pa.

Itch cured in 30 minutes by Wopo Ford's Sanitary Lotion. Never fails sold by L. Taggart, druggist. 32-6m.

Funeral of Albert Murray.

In our last issue we barely mentioned the death of Albert Murray, illness preventing our preparing an appropriate obituary.

ALBERT MURRAY was born near Syracuse, N. Y., in 1855. He came to Emporium in the fall of 1879 and worked in the woods for the late Judge L. T. Moore, on West Creek and Moore Hill; was married July 3rd, 1882 to Miss Katharine Doll, of Shippen. To this union thirteen children were born two having died in infancy. Of the eleven living children eight remain at home. Of this large family, which is indeed seldom seen in this county, we give their records, viz: Aaa, age 25, of Emporium; Allen, age 24, of William, Ariz.; Richard, age 22, of Emporium; Lucetta, 21, of Dents Run, Pa.; Lavina, age 18, of Emporium; Kate, age 16, of Emporium; Roberta, age 12, of Emporium; Martha, age 7, of Emporium; Violet, age 6, of Emporium; Grace, age 4, of Emporium; Walter and Bessie dead.

To feed, clothe and educate such a large family was no small task, yet the parents, who always held the esteem and love of their children, managed to always have the family in decent and presentable appearance, healthy, happy and well behaved. We have lived for years as neighbors of the family and never yet knew one of the children to be engaged in the usual neighborly petty annoyances. They were always at home, when others were running the streets.

Mr. Murray, always of a robust constitution was a jovial man and took life as it came. For several years he served as chief of police, but of late years he was handy upon all occasions as a trusty man, as was exemplified when the First National Bank was being remodeled and a reliable watchman was necessary. He was selected because he was fearless, and faithfully filled the trust. When a responsible man was required for night watchman at the jail during the incarceration of murderer Odell he filled the position during the long "watch" and became greatly attached to his ward and constantly remained with him until the last. When the Italian murderer of John Kibe was condemned to death he was again called and responded. It was while filling this position that he contracted a severe cold, which terminated in double pneumonia. He refused to give up and go to his bed, relying on his strong constitution to pull him through. One week before his death he gave up and remained at home. Drs. Bush and Falk tried every known remedy to check the disease but without avail. He passed away, Feb. 10th, 1909, at 4:30 p. m., surrounded by his family and a few friends of the family.

The funeral took place from M. E. Church, Saturday afternoon last and was very largely attended. Rev. J. F. Anderson conducting the services. The floral offerings were very beautiful, many pieces coming from friends residing out of the county. The employees of the Incandescent Lamp Works sent a beautiful basket bouquet of pink carnations, while the K. O. T. M., gave a pillow of flowers.

Deceased was a member of the Maccabees and carried \$1,000 insurance, which is a God-send to the afflicted family.

Our citizens, as well as the Press, deeply sympathize with the bereaved family in their great loss.

Farmers' Institutes.

The farmers of this county will be interested to learn that there will be held this year a series of Farmers' Institutes at Messiah Church, Sterling Run, on Monday, March 1st; School House, Sizerville, on Tuesday, March 2nd; Rich Valley Church, on Wednesday, March 3rd; Towner School House, West Creek, on Thursday, March 4th. A number of instructors from other parts of the State will be present to join with the farmers of this locality in the discussion of topics relative to agriculture. These meetings are free and open to all, and we have no doubt the farmers of this county will avail themselves of the advantages to be gained by attending these meetings.

W. H. HOWARD,
County Chairman of Institutes.

Class Entertained.

The Misses Lora and Mildred McQuay entertained the Class of 1909 at their home on Pine street, last Monday evening. Cards were the chief amusement. The entire class was present and a good time was had by all. The class of 1909 are "it" and are having a good time in connection with their school work.

Visited Patient.

John McDonald, of Driftwood, his daughter, Laura, a student at the Normal school in this city and Miss W. M. Hall of Pittsburg, a daughter of the late Captain Hall, of Reno, on Monday visited Mrs. John McDonald, who is a patient in the Lock Haven hospital.—Daily Express.

Basket Ball.

The strong Kersey Basket Ball Team will line up against Emporium at Opera House on Thursday, Feb. 18th. This team defeated our boys in the last game at Kersey, but our team was handicapped by playing on a small floor and will try hard to reverse the decision in this game.

On Monday, Feb. 22nd, the public will have opportunity to witness two games for one admission when Kane High School will tackle the local boys in one game, and Austin Reserves will play Co. M of Boys Brigade in the other game. Both of these games will be worth seeing as the teams are very evenly matched. On account of extra expense, the admission will be 25 cents to everybody both young and old.

Swedish Services.

Rev. Einar Rendahl, of Dagus Mines, will preach to the Swedish people on Sunday, Feb. 28th, 1909, at 3:30 p. m. at the Emmanuel Church Parish House. This sturdy and reliable class of citizens is becoming quite a factor in Cameron county and all should feel like assisting them in every way. We only wish they were strong enough to support a church organization and erect an edifice.

10:30 a. M. Worship and Sermon.
11:45 a. m. Sabbath School.
6:30 p. m. Y. P. S. C. E. "The Slough of Despond."

We extend a cordial invitation to all non-church goers to meet with us for the evening service. All seats are free.

JOHN LYMAN BOGUE, Pastor.

Child Burned.

On Sunday evening, about eight o'clock, Mr. and Mrs. Dan'l Kline's eldest daughter, aged about three years, was severely burned on her back, but not seriously. The child was standing before the gas stove when her clothing ignited. Had not her father been present and smothered the flames by wrapping the child in a rug she would have burned to death.

A Sad Accident.

Special to Press.
Martin M. Hill, of Mexix Run, Pa., met with a very serious accident last Monday, while oiling the machinery in the saw mill at that place. His sleeve caught between the timber and wheel and crushed his arm so that amputation was necessary. Dr. Mock, the attending physician, took the arm off three inches below the elbow. At this writing he is doing as well as can be expected.

To Ice Consumers.
Our many customers need not worry about the ice supply next season. We will have a supply of ice, regardless of a failure of the crop at this place.

"A Texas Ranger."
The greatest Western play of the past three years, "A Texas Ranger" will be the attraction at the Opera House Saturday night, Feb. 20th, and comes to our city direct from a series of packed houses in all the principal cities in the State. While the management is rather reticent in revealing the details of the plays story for fear of robbing the audience of some part of the pleasure that follows a dramatic surprise it is given out that the play follows more or less closely episodes that have occurred in real life. The cast is capable and the embellishments are of the best.
Look for big parade at noon.
