BALD HEADS NOT WANTED.

Baldness is too Generally Considered a Sign of Advanced Age.
 A bald headed person does not have an equal chance with one blessed with a healthy head of hair, because baldness is too generally accepted as an indication of age. Many large corporations have established an age limit, and refuse to take men over 35 years of age new employees.

Almost 65 per cent of bald headed people may regain a good head of healthy hair if they will follow our advice and accept our offer. We have a remedy that we positively guarantee to grow hair on any head, unless the roots of the hair are entirely dead, the follicles closed, and the scalp has become glazed and shiny. We want people to try this remedy at our risk, with the distinct understanding that unless it does exactly what we claim it will, and gives satisfaction in every respect, we shall make no charge for the remedy used during the trial.

We know exactly what we are talking about, and with this offer back our statements no one should scoff, doubt our word or hesitate to put our remedy to an actual test.

We want everyone in Emporium who is suffering from any hair or scalp trouble, dandruff, falling hair or baldness to try our Rexall "99" Hair Tonic. We want them to use it regularly—say until three bottles have been used, and if it does not eradicate dandruff, cleanse and refresh the scalp, tighten the hair in its roots, and grow new hair, we will return every cent paid us for the remedy for the mere asking. There is no formality expected, and we exact no obligation from the user whatever.

We are established right here in Emporium, and make this offer with a full understanding that our business success entirely depends upon the sort of treatment we accord our customers, and we would not dare make the above offer unless we were positively certain that we could substantiate in every particular. Two sizes, 50c and \$1.00. Mrs. M. A. Rockwell, Emporium, Pa.

Buffalo Sportsman and Motor Boat Show at Convention Hall, March 8-13.

It will be a costly and most pretentious production—the big Power Boat and Sportsmen's Show which opens for a week in the big auditorium of Convention Hall at Buffalo on March 8. Undoubtedly it will add much fame to Buffalo, already famous as a show and exposition city. Fifteen thousand dollars has been lavished this year on the decorations and amusement features for Buffalo's Sportsmen's Show, which is more than twice the amount that has ever been spent on an indoor show in Buffalo, and makes it costlier than any indoor show in New York or Chicago.

An ad on another page outlines scantily the scope of this show. It is a big spectacle that cannot be adequately described in written words. All of the decorations, including the heavy scenic and electric effects, will be of permanent and fireproof construction. Everything from the genuine rose arbor ceiling, that will cover the immense expanse of the roof, to the trees on the floor will be an expensive stage setting that will portray the bosom of nature, the deep woods and the call of the wild.

Exhibits of motor boats and the equipment of the outdoor sports will be here from as far east as Connecticut and as far west as Los Angeles.

Stiff Neck.

Stiff neck is caused by rheumatism of the muscles of the neck. It is usually confined to one side, or to the back of the neck and one side. While it is often quite painful, quick relief may be had by applying Chamberlain's Liniment. Not one case of rheumatism in ten requires internal treatment. When there is no fever and no swelling as in muscular and chronic rheumatism, Chamberlain's Liniment will accomplish more than any internal treatment. For sale by L. Taggart.

We say without hesitation that De Witt's Kidney and Bladder Pills are unequalled for weak kidneys, backache, inflammation of the bladder and all urinary disorders. They are antiseptic and act promptly in all cases of weak back, backache, rheumatism and rheumatic pains. Accept no substitute. We sell and recommend them. All Druggists.

FIRST FORK.

W. H. Mitchell, Dentist, Emporium.

Chauncey C. Logue thought he would celebrate Washington's birthday, by going and gathering his traps he had left out when he quit trapping in the winter; so when he was coming down Brook's Run, thought he would take a look down the gulch where Deloy's old splash dam used to be and perhaps set a trap, for the few days left of the trapping season. On looking under some of the big rocks there, he found old "Ephraim" himself at home, taking his winter "Siesta," and commenced to pump lead into him from a 38-Cal. Colts Navy, he had along. The old fellow came out only about four feet from Logue and started down the Run. After he emptied another cylinder of cartridges into him or at him, the old fellow called it a quit, and Chauncey called it a draw game, that is—he got a team and drew him home, getting in about six o'clock, making a good day's work getting ahead of the law makers in getting the close season for bear, shortened and closing the season by capturing one of the biggest bears ever killed in this section.

The next day he shipped him to DuBois where it is reported he found a ready market for him at \$40. Chauncey once in a while has a streak of good luck mixed with the bad.

On Wednesday after returning home he went up the Run and brought in a large red fox alive, which had got in one of his traps. A few more such hunts will put him at the head of the champion list for this year.

Frank is a brave lad and not afraid in the dark.

Easy To Mix This.

What will appear very interesting to many people, here is the article taken from a New York daily paper, giving a simple prescription, which is said to be a positive remedy for backache or kidney or bladder derangement, if taken before the stage of Bright's disease:

Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. Shake well in a bottle and take in teaspoonful doses after each meal and again at bedtime.

A well-known druggist here at home, when asked regarding this prescription, stated that the ingredients are all harmless, and can be obtained at a small cost from any good prescription pharmacy, or the mixture would be put up if asked to do so. He further stated that while this prescription is often prescribed in rheumatic afflictions with splendid results, he could see no reason why it would not be a splendid remedy for kidney and urinary troubles and backache, as it has a peculiar action upon the kidney structure, cleansing these most important organs and helping them to sift and filter from the blood the foul acids and waste matter which cause sickness and suffering. Those of our readers who suffer can make no mistake in giving it a trial.

Itch cured in 30 minutes by Wopoford's Sanitary Lotion. Never fails gold by L. Taggart, druggist. 32-6m.

No Rest Day or Night

"I would lay awake for hours without any apparent cause, or dream terrible dreams which would bring on extreme spells of nervousness. After taking Dr. Miles' Nervine and Tonic for awhile I could sleep well, and the nervous spells have left me." MISS ALMA HUG, R. R. No. 4, Canal Dover, Ohio.

Without sleep the nervous system soon becomes a wreck, and the healthful activity of all the organs obstructed. Restful, body-building sleep accompanies the use of Dr. Miles' Nervine because it soothes the irritable nerves, and restores nervous energy. When taken a few days according to directions, the most restless sufferer will find sleep natural and healthful. Get a bottle from your druggist. Take it all according to directions, and if it does not benefit he will return your money.
