## TO THE STOUT WOMAN!

"GET A Nemo SELF-REDUCING CORSET BEFORE HAVING YOUR NEW GOWNS FITTED"

THAT'S good advice; for no woman has ever yet reduced her abdomen, with comfort and perfect safety, by the use of any corset except the Nemo Self-Reducing.

STOUT WOMEN who want to follow the prevailing mode of slenderness below the waist-line may do so, and still be perfectly comfortable, by wearing the Nemo Self-Reducing Corset in the new "Flatting-Back" models.

WOMEN of luxurious tastes, who pay \$10.00 for our superb No. 1000, will get a corset far more shapely, stylish, comfortable and durable than the best French corset they can buy at double the price.

THOUSANDS of stout women, who fancied that they must have their corsets made to order, are now saving more than half their money and enjoying greater comfort, by wearing the famous Nemo Self-Reducing Corset.

WHY does your dressmaker recommend this corset? Because it saves her work, and enables her to give you the best figure you ever had.
