DEATHS DOINGS.

SASSMAN.

Henry Sassman, aged 74 years, passed away March 12th, 1909, at his residence on Fifth Street, where he had resided for many years. Deceased leaves a wife, in feeble condition, and four children—one son and three daughters, viz: Henry J. Sassman, Mrs. Miller, Port Allegany; Mrs. H. O. Haupt, and Mrs. Gordon Baker, at home.

The funeral was held last Sunday at one o'clock from the family residence, Rev. Paul J. Lux, pastor of Presbyterian Church officiating. Deceased came to Emporium from Baltimore, Md., and for years followed his occupation of carpenter until ill health compelled him to retire from active labor. Being of an active disposition he could not remain idle and did many light pieces of work.

One by one the old land marks are passing away.

DIXON.

MARGARET EMMA, wife of G.T. Dixon died at her home in Westboro, Wis., March 10th, 1909, aged 55 years, one month and eighteen days. Deceased was born in Shippen township, Cameron county, Jan. 13th, 1854, and was the only daughter of Jirah and Mary Carter, deceased.

The death of Mrs. Dixon came not unexpected. She had been a great sufferer, from a complication of diseases, for one year or more. On Dec. 24, she took to her bed and although the physicians and nurses in constant attendance did all in their power, she never rallied and peacefully passed away March 10th. Her husband and son took the remains of their beloved wife and mother and wended their way towards home (Emporium) where a large concourse of relatives and friends in carriages attended the remains to the little church in Rich Valley, where the funeral services were held on Saturday afternoon, amid the scenes of her childhood and amongst her relatives and friends, who loved and respected her. Rev. J. F. Anderson, pastor of First Methodist Episcopal Church of Emporium, conducted the services and spoke many comforting words from the text: "Job was a good and just man." The Emporium M. E. Church choir was in attendance and beautifully rendered the sacred hymns that brought balm to many an aching heart. Kind hands carried the beautiful casket and the precious remains and tenderly laid them in the home cemetery with her dear departed dead. The bereaved husband and son, much worn from their long vigil and journey, are resting with friends near their former home at present.

Mr. and Mrs. Dixon were married on May 26, 1877 and resided in Shippen township until March 1902, when they moved to Westboro, Wis., where Mr. Dixon was engaged as Supt. of the Westboro Lumber Co., composed of Emporium capitalists—C. B. Howard Co. During her long illness old friends formerly of Emporium, were very kind to our dearly loved one and rendered all aid possible. We are very grateful to our kind friends, both in Wisconsin, Emporium and Rich Valley for the many favors and sympathy bestowed upon us. Also to the officials of the Emporium & Rich Valley R. R., who kindly ran a train from Emporium to Rich Valley Church, Saturday noon, March 13th, conveying all friends and relatives to and from the funeral. Thank you, Mr. Dixon and son will remain here for a few days, resting, before returning to Wisconsin.

The Doctor's Question

Advice Against the Use of Harsh Purgatives and Physics.

A doctor's first question when consulted by a patient is, "are your bowels regular?" He knows that ninety-eight per cent. of illness is attended with inactive bowel and torpid liver. This condition poisons the system with noxious germs and waste matter which naturally accumulates and which must be removed through the bowels before health can be restored.

Salts, ordinary pills and cathartics may as truly be likened to dynamite. Through their harsh, irritation action they force a passage through the bowels, causing pain and damage to the delicate intestinal structure which weakens the whole system, and at best only produces temporary relief. The repeated use of such treatments cause chronic irritation of the stomach and bowels, hardens these tissues, deadens their nerves, stiffens their muscles and generally brings about an injurious habit which sometimes has fatal results.

We have a positive, pleasant and safe remedy for constipation and bowel disorders in general. We are so certain of its great curative value that we promise to return the purchaser's money in every case when it fails to produce entire satisfaction. This remedy is called Rexall Orderlies. We urge you to try them at our entire risk.

Rexall Orderlies are very pleasant to take, they act quietly and have a soothing, strengthening, healing influence on the entire intestinal tract. They do not purge, gripe, cause nausea, flatulence, excessive looseness, diarrhoea or other annoying effect, and they may be taken at any time without any inconvenience.

Rexall Orderlies overcome the drugging habit and cure constipation and all similar ailments, whether acute or chronic. They are especially good for children, weak persons or old folks. Price, 36 tablets, 25c, and 12 tablets, 10c. Mrs. M. A. Rockwell, Druggist, Emporium, Pa.

Rheumatism Cannot be Cured Unless Uric-O is Used.

Sudden Deaths, Heart Failure and Paralysis are Caused by Poisonous Uric and Rheumatic Acids.

The Rheumatic person is skeptical regarding the claims of almost any remedy advertised as a cure for Rheumatism and one can scarcely blame him for being so. All the plasters and liniments combined never actually cured a case of Rheumatism. They may relieve it in one-quarter but it is sure to break out somewhere else. The only true way to cure Rheumatism is to drive it from the system, for as long as the Uric and Rheumatic Acid remains in the blood, one is never entirely free from the trouble. Uric-O seeks out the Rheumatic poison in the blood, muscles and kidneys, renders it inert and harmless and drives it out of the system. It is composed of perfect antidotes for the rheumatic acid poison in the system, and the secret of its wonderful success lies in the fact that it is designed to cure Rheumatism only.

Uric-O is sold by druggists at 75c and \$1.00 the bottle. A liberal sample may be procured by writing to the Smith Drug Co., 363 Smith Bldg., Syracuse, N. Y.

Easy To Mix This.

What will appear very interesting to many people, here is the article taken from a New York daily paper, giving a simple prescription, which is said to be a positive remedy for backache or kidney or bladder derangement, if taken before the stage of Bright's disease:

Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. Shake well in a bottle and take in teaspoonful doses after each meal and again at bedtime.

A well-known druggist here at home, when asked regarding this prescription, stated that the ingredients are all harmless, and can be obtained at a small cost from any good prescription pharmacy, or the mixture would be put up if asked to do so. He further stated that while this prescription is often prescribed in rheumatic afflictions with splendid results, he could see no reason why it would not be a splendid remedy for kidney and urinary troubles and backache, as it has a peculiar action upon the kidney structure, cleansing these most important organs and helping them to sift and filter from the blood the foul acids and waste matter which cause sickness and suffering. Those of our readers who suffer can make no mistake in giving it a trial.

\$25.00 for a Name.

We are now demonstrating in the store a new perfume and we want a name for it. Will you kindly let us show it to you so you may suggest an appropriate name, which, if it is the one selected, you will receive \$25.00 for your trouble and kindness.

The perfume is a delicate, lasting, alluring odor, but at present.

"DOES NOT HAVE A NAME TO CALL ITS OWN."

It will not cost you anything to suggest a name. If, when you smell the odor it is so pleasing to you that you would like to have some, the price would be 50 cents per ounce. You do not have to buy it to get a chance to win the \$25.00. You are entitled to name for nothing. Should you purchase some of the perfume, you may suggest a name for each half ounce purchased.

This perfume is made by the manufacturers of Harmony Perfumes.

A Dull Looking Church.

In some communities one or more churches present evidence of badly painted exteriors. The beautiful finish and coloring of the L. & M. Paint distinguishes a church painted with it. The L. & M. Paint is Metal Zinc Oxide combined with White Lead, and wears like gold. A liberal quantity of L. & M. Paint is given to every church whenever they paint. This has been done throughout the United States during past 35 years. More churches have been painted with L. & M. Paint than with any other. Sold by Harry S. Lloyd, Emporium.

While it is often quite painful, quick relief may be had by applying Chamberlain's Liniment. Not one case of rheumatism in ten requires internal treatment. When there is no fever and no swelling as in muscular and chronic rheumatism, Chamberlain's Liniment will accomplish more than any internal treatment. For sale by L. Taggart.

When you want a pleasant physic give Chamberlain's Stomach and Liver Tablets a trial. They are mild and gentle in their action and always produce a pleasant cathartic effect. Call at L. Taggart's drug store for a free sample.

REACHING THE SPOT.

It Can be Done, So Scores of Emporium Citizens Say.

To cure an aching back,
The pains of rheumatism,
The tired-out feelings,
You must reach the spot—get at the cause.

In most cases 'tis the kidneys.
Doan's Kidney Pills are for the kidneys.

Mrs. John Summerson, W. Sixth St., Emporium, Pa., says: "I suffered from nagging backaches and pains in my sides and kidneys for a long time, caused by disordered kidneys. I also suffered from rheumatism in my limbs, was languid and lacked ambition. I used many remedies but obtained no relief until I learned of Doan's Kidney Pills and procured a box from Taggart's drug store. They gave me relief from the backaches and pains, regulated the kidney secretions and improved my general health. I obtained more relief from this remedy than I had ever hoped for and I am therefore glad to recommend it to other kidney sufferers."

For sale by all dealers. Price 50 cents, Foster-Milburn Co., Buffalo, New York, sole agents. Remember the name—Doan's—and take no other.

An Ideal Cough Medicine.

"As an ideal cough medicine I regard Chamberlain's Cough Remedy in a class by itself," says Dr. R. A. Wiltshire, of Wynnewille, Ind. "I take great pleasure in testifying to the results of Chamberlain's Cough Medicine. In fact, I know of no other preparation that meets so fully the expectations of the most exacting in cases of croup and coughs of children. As it contains no opium, chloroform or morphine it certainly makes a most safe, pleasant and efficacious remedy for the ills it is intended." For sale by L. Taggart.

Good Cough Medicine for Children.

The season for coughs and colds is now at hand and too much care cannot be used to protect the children. A child is much more likely to contract diphtheria or scarlet fever when he has a cold. The quicker you cure his cold the less the risk. Chamberlain's Cough Remedy is the sole reliance of many mothers, and few of those who have tried it are willing to use any other. Mrs. F. Starcher, of Ripley, W. Va., says: "I have never used anything other than Chamberlain's Cough Remedy for my children, and it has always given good satisfaction." This remedy contains no opium or other narcotic and may be given as confidently to a child as to an adult. For sale by L. Taggart.
