The Huntley base ball team was organized Saturday last. The members and their places on the team are as follows:

Captain and pitcher—Thos. R. Roberts of Burlington, Vt., catcher—W. Ray Smith, first base—Lawrence Smith, 2nd base—Dan Kailborn, 3d base—Harry Smith, short stop—Clyde Collins, right field—Selburn Logue, centre field—Walter Logue, left field—Clarence Johnson. C. J. Miller will umpire all games.

Captain Roberts has a long experience in the game, having been pitcher in the U. V. M. college team of Burlington, Vt., and also playing first base for the Springfield, Mass. team. It is he who originated the famous "spit ball" but we cannot say that our boys will be allowed to use it, as spitting is prohibited in Cameron county. It is feared that the "spit ball" is doomed on account of the increasing power of local option, for with local option in power we will be too dry to spit, unless Bill Logue furnishes the plug tobacco.

Captain Roberts is well pleased with his team and they will begin practice at once to get into shape to go against Jim Batchelder's team, of Sinnenahoning, and incidentally wollop the stuffing out of "Squire Eddy's" crack team, of Sterling Run. Levi Smith says that if we can't have the comet come this way we can at least show the people of the county that we have good base ball material. Asbury Summeron of Sinnenahoning was in town Sunday and gives great praise of the make up of the team.

There is much strife among the contest people here collecting North American coupons for the piano for the East Ward, Emporium school, and the trip to the Bermudas, by the Gazette and Bulletin. Swenk-Straucher is a head of them all here, having reached the 68,000 mark to-day. An old Muncy girl.

The farmers institute here first of the month is having an influence. The are all buying their field seed in time and of the choicest grade. Prof. Watts and Campbell made an impression that will be of lasting benefit to all who had the pleasure of listening to their lectures.
