PUBLISHED EVERY THURSDAY

In Five Minutes.

Take your sour stomach—or maybe you call it indigestion, Dyspepsia, Gas, tritis or Catarrh of Stomach; it doesn't matter—take your stomach trouble right with you to your Pharmacist and ask him to open a 50 cent case of Peppermint Cure and let you eat one 22-grain Triangule and see if within five minutes there is left any trace of your stomach misery.

The correct name for your trouble is Food Fermentation—food souring; the Digestive organs become weak, there is lack of gastric juice; your food is only half digested, and you become affected with loss of appetite, pressure and fullness after eating, vomiting, nausea, heartburn, griping in bowels, tenderness in the pit of stomach, bad taste in mouth, constipation, pain in limbs, sleeplessness, belching of gas, biliousness, sick headaches, nervousness, dizziness and many other similar symptoms.

If your appetite is fickle, and nothing tempts you, or you belch gas or if you feel bloated after eating, or your food lies like a lump of lead on your stomach, you can make up your mind that at the bottom of all this there is but one cause—fermentation of undigested food.

Prove to yourself, after your next meal, that your stomach is as good as any; that there is nothing really wrong. Stop this fermentation and begin eating what you want without fear of discomfort or misery.

Almost instant relief is waiting for you. It is merely a matter of how soon you take a little Diapepsin.

Leaves Emporium.

Mr. Frederick Levecke and family, who have conducted the Commercial hotel at this place during the past nineteen months leave to-day for their old home at Homestead, Pa., having disposed of their interest in the Commercial hotel to Mr. Chas. L. Butler, who took possession this morning. Mr. Levecke and his excellent wife made many friends here by their honorable dealing and conducting an orderly and quiet house. They leave behind them a good name and the respect of our people. Miss Lottie Levecke, who has been employed in the Theatorium as soloist, will be missed by thousands who were delighted with her happy manners and sweet voice. She is an excellent young lady and no doubt her services will be eagerly sought after.

DOWNWARD COURSE

Fast Being Realized by Emporium People.

A little backache at first. Daily increasing till the back is lame and weak.

Urinary disorders quickly follow; Diabetes and finally Bright's disease. This is the downward course of kidney ills.

Don't take this course. Follow the advice of an Emporium citizen.

Mrs. August Extrom, Sixth St., Emporium, Pa., says: "I do not hesitate to recommend Doan's Kidney Pills and I have done so on many occasions. For a long time I was in a miserable condition, suffering from backache and sharp pains in my kidneys. I was restless at night, at times my feet became swollen and I was also subject to headaches and dizzy spells. I was unable to obtain relief until I procured Doan's Kidney Pills from L. Taggart's drug store. When I had finished the contents of the first box there was a great improvement and after I had used three or four boxes the backache had completely disappeared. I was no longer troubled with headaches or dizzy spells and my general health was much improved."

For sale by all dealers. Price 50 cents, Foster-Milburn Co., Buffalo, New York, sole agents. Remember the name—Doan's—and take no other.

You are certain to be pleased with the quick relief which it affords. Price, 25 cents, large size, 50 cents. For sale by L. Taggart.

Best Treatment for Colds.
"Most ordinary colds will yield to the simplest treatment," says the Chicago Tribune, "moderate laxatives, hot foot baths, a free perspiration and an avoidance of exposure to cold and wet after treatment." While this treatment is simple, it requires considerable trouble, and the one adopting it must remain in doors for a day or two, or a fresh cold is almost sure to be contracted, and in many instances pneumonia follows. Is it not better to pin your faith to an old reliable preparation like Chamberlain's Cough Remedy, that is famous for its cures of colds and can always be depended upon? For sale by L. Taggart.

This is the most dangerous time of the year to catch cold, and this is the hardest time to cure it. If you should take a cold, a few doses of Kennedy's Laxative Cough Syrup will act very promptly. Its laxative principle cures the cold by driving it from the system by a gentle but natural action of the bowels. Children especially like Kennedy's Laxative Cough Syrup, as it tastes so good, nearly like maple sugar. It is sold by all druggists.

Rheumatism.

More than nine out of every ten cases of rheumatism are simply rheumatism of the muscles, due to cold or damp, or chronic rheumatism. In such cases no internal treatment is required. The free application of Chamberlain's Liniment is all that is needed, and it is certain to give quick relief. Give it a trial and see for yourself how quickly it relieves the pain and soreness. The medicines usually given internally for rheumatism are poisonous or very strong medicines. They are worse than useless in cases of chronic and muscular rheumatism. For sale by L. Taggart.

The best known pills and the best pills made are DeWitt's Little Early Risers. They are small, easy to take, gentle and certain, and are sold by all druggists.
