Our new Board of Road Supervisors, were driven over our roads Tuesday by Will Graham, and picked out the worst places which will need repairs first. It is also understood that several new bridges are badly needed. The party was composed of Edward Schwab and F. B. Hoag, Supervisors, and Edward Stewart and E. F. Comley, Pathmasters. They are going to follow the old saying, "a stitch in time saves nine," by starting in early to repair roads and give the farmers a chance before they get busy with their farm work. It is reported on good authority, that while the inspectors were driving over one of the bridges, the bridge collapsed. An inspection was evidently needed. This accident proved a very fortunate one, no one being injured. Fred

Comley had a miraculous escape, he being thrown out of the wagon into the Run, where the water was five feet deep and a nice rocky bottom too. Fred says he was born under a lucky star and nothing but a shot gun can kill a good straight Republican—the Lord being on their side most always.

Geo. Krise who has been running a cobbler shop in this place for the past year, moved to Emporium, this week, where he thinks he could better himself. **Those "Jollities."**  
Last Thursday evening being April 1st and the anniversary of Miss Winnie Card's birth, the "Jollities" took it upon themselves to give her and also Miss Emma Welch, whose birthday occurred the previous Sunday, an April Fool Surprise. The party took place at the home of Mr. and Mrs. F. B. Metz. The girls were presented with gifts from the bunch and then began the fun. The following poem composed by one of the members was read:

April comes but once a year,  
And when it comes it brings good cheer;  
There's a robin on the fence—  
April Fool.

Lots of jokes and lots of rules,  
Don't get mad if you get fooled;  
Oh! there a horse stuck in the mud—  
April Fool.

There's lots of surprises on that day,  
And lots of fun so they say;  
Why there's a spider on your dress—  
April Fool.

That April Fool came on this day,  
She was a great surprise, they say;  
Oh, my! there's a mouse upon your lap—  
April Fool.

There's a crowd, just hear their roar,  
Some one will knock at your door;  
Go tell mother she is wanted—  
April Fool.

After an evening devoted to games and music, light refreshments were served. Will Welsh proceeded to take some flash-light pictures of the crowd, but the shutter failed to work and they were a failure. All had a very enjoyable evening.

**A Good Friend in Time of Need.**  
No one can have a better friend when troubled with colic or diarrhoea than Chamberlain's Colic, Cholera and Diarrhoea Remedy. It always cures. For sale by L. Taggart.

**Best Treatment for Colds.**  
"Most ordinary colds will yield to the simplest treatment," says the Chicago Tribune, "moderative laxatives, hot foot baths, a free perspiration and an avoidance of exposure to cold and wet after treatment." While this treatment is simple, it requires considerable trouble, and the one adopting it must remain in doors for a day or two, or a fresh cold is almost sure to be contracted, and in many instances pneumonia follows. Is it not better to pin your faith to an old reliable preparation like Chamberlain's Cough Remedy, that is famous for its cures of colds and can always be depended upon? For sale by L. Taggart.

**Driftwood Band Entertained.**  
The Driftwood Band took a trip to Huntley recently and serenaded Squire Sullivan, who in turn invited the gentlemen to partake of a chicken supper, which was enjoyed by all. Several selections were played by the band and a good time was enjoyed by all. George Morse, the genial driver, was prevailed upon to sing a song and while Mr. Morse is known to be a good singer, everybody was agreeably surprised when he composed an impromptu selection which was entitled "The Driftwood Band" and sang it to the tune of "Saint Patrick's Day," in his rich baritone voice. With his permission we herewith present it to our readers:

"The band boys of Driftwood, in old Pennsylvania, Are the best in the State, as every one knows; These mountain musicians can sure entertain you,  
For they live where the pine and hemlock grows  
Tom Fulton, cornetist, is leader and teacher,  
His notes, they will rival the sweet nightingale;  
He's the sweetest cornetist in Cameron county,  
His ear is the finest, his lungs never fail.  
Cash Henry, Lou Arnold and Archie McDonald  
And Jack Hackett too, all on cornets do play;  
A splendid quartette to produce classic music,  
No discords are heard when they get under way.  
The altos are fine, 'tis with pride that I name them,  
John Kearns, Garrett Mitchell, Earl Towers also,  
And last, but not least, we have Freddy Mc  
Vicker,  
They harmonize grandly, in tones loud or low.  
Thad Brooks and Sam Kreider, two jolly good fellows,  
Are rising to fame upon the trombones;  
Next comes Wilbert Coleman, the baritone player,  
Who has them all beat when it comes to sweet tones.  
Eldred Kreider, the basso, by Sousa is wanted,  
James Gibson's an artist upon the bass drum;  
Dean Thompson, snare drummer, is surely a wonder.  
The music he gives us is second to none.  
So long life and good luck to our excellent bandsmen,  
They're an honor to Driftwood, and we wish them success;  
If you want some good music you need not seek further.  
For the Driftwood Brass Band plays none but the best." J.F.S.

**CAUSES DEBILITY**  
Here are Facts Backed up by a Strong Guarantee.

Debility is caused by catarrh. In our opinion, a person free from Catarrh was never troubled with Debility. Debility can never be cured by medicine not designed to cure Catarrh. We positively guarantee to cure Catarrh, and thus cure Debility. In every case where we fail to effect a cure, we will not charge a cent for the medicine employed during the trial. Now, surely no one should hesitate to believe us or to put our claim to a practical test under such conditions. We take all the risk; no one else can lose anything by the transaction.

We make these statements and this offer because we know and have time and again proved that Rexall Mucuo-Tone will cure Catarrh. It is designed for that one particular purpose. It is not a cure all prescribed to cure every disease that flesh is heir to. It is a specific. Rexall Mucuo-Tone is absorbed in the stomach and carried by the blood until it penetrates every part of the body, acting as an antiseptic, disinfecting, cleansing, soothing and healing agent. It rids the system of all germ and poisonous matter, purifies and enriches the blood, rebuilds injured tissues, cleanses and invigorates the mucous-cells, neutralizes the acids of the body, stops mucus discharge, tones up the entire system, promotes nutrition, increases body weight, and brings about a feeling of healthfulness that is lasting.

We have Rexall Mucuo-Tone in two sizes. Prices 50c and \$1.00. We urge you to try a bottle on our guarantee. Mrs. M. A. Rockwell, Druggist, Emporium, Pa.

**\$25.00 for a Name.**  
We are now demonstrating in the store a new perfume and we want a name for it. Will you kindly let us show it to you so you may suggest an appropriate name, which, if it is the one selected, you will receive \$25.00 for your trouble and kindness.

The perfume is a delicate, lasting alluring odor, but at present.

"DOES NOT HAVE A NAME TO CALL ITS OWN."

It will not cost you anything to suggest a name. If, when you smell the odor it is so pleasing to you that you would like to have some, the price would be 50 cents per ounce. You do not have to buy it to get a chance to win the \$25.00. You are entitled to name for nothing. Should you purchase some of the perfume, you may suggest a name for each half ounce purchased.

This perfume is made by the manufacturers of Harmony Perfumes. Mrs. M. A. Rockwell, Druggist, The Rexall Store, Emporium, Pa. 52-3m.
