Reply From Lumber Auditors.

CAMERON, Pa., 4-6-09.

Editor Press:

In reply to W. H. Smith's letter in last week's issue of the PRESS, I wish to say, in behalf of the Auditors, that it was not the intention of the Auditors to cast any insinuations on any one, but to audit a true and accurate account of all bills and receipts given us.

In regard to us not giving him credit for \$15.50, of which he speaks, I do not remember having any such bill handed to us, and am positive, if it had been, it would have been shown in our report.

He should have been at the Auditing and presented his books himself, and then he would have been able to explain matters to us plainly, and there would not have been any ill-feeling toward any one.

Yours truly,
E. D. KRAPE.

Stand Pat Congressmen.

Congressmen Barclay, Wheeler and Foelt are standing "pat" on the tariff question and they propose that Pennsylvania's industries shall be protected or they will know the reason why. These Congressmen know what this section of Pennsylvania requires and demands. They are all tariff men and we glory in their fight to protect the wage earners of the nation. Were we a Congressman we should not admit warm water into this country free if that commodity interfered with the interests of the United States. Tariff reformers have been endeavoring for years to undermine our protective tariff system and if they can get a few holes under our Security Mountain this session, next year it will be easier to drive another entering wedge, to the detriment of the American laborer and manufacturer. Stand pat, Mr. Congressmen, and the wage earners will support you. This is the greatest and most powerful nation in the world, where almost every laborer and mechanic owns his own home, however humble, and the Protective Tariff system is largely entitled to the credit. Protect your own homes first and let Canada, and other countries, pay the duty and make it like a stone wall of security against the pauper labor of Europe.

April Fool Jokes.

If you don't want to make Miss Mayme Ferris mad, don't ask her what happened on April 1st.

Miss Mary Fredette was very much disappointed because she could not pick up a pocket book that was nailed to the sidewalk.

One of our young lady stenographers thought she had found a penny last Thursday morning but discovered that it was nailed fast to the walk. One of our merchants was fooled on the same penny.

Our popular and obliging "hello girls" had a stack of fun sending for men to call at the office, the call being requested by a certain young lady who was not wise to the fact.

There is no need of internal treatment in any case of muscular or chronic rheumatism, and more than nine out of every ten cases of the disease are of one or the other of these varieties. When there is no fever and little (if any) swelling, you may know that it is only necessary to apply Chamberlain's Liniment freely to get quick relief. You are certain to be pleased with the quick relief which it affords. Price, 25 cents, large size, 50 cents. For sale by L. Taggart.

Keep the Kidneys Well

Health is Worth Saving and Some Emporium People Know How to Save It.

Many Emporium people take their lives in their hands by neglecting the kidneys when they know these organs need help. Sick kidneys are responsible for a vast amount of suffering and ill health, but there is no need to suffer nor to remain in danger when all diseases and aches and pains due to weak kidneys can be quickly and permanently cured by the use of Doan's Kidney Pills. The following statement leaves no ground for doubt: Joseph Glover, 247 Mill St., St. Marys, Pa., says: "I cannot speak too highly of Doan's Kidney Pills, as they cured me after other remedies had failed to even give me relief. I suffered severely from pains through the small of my back, caused by a cold settling in my kidneys and a friend-spoke so highly of Doan's Kidney Pills that I gave them a trial. I received relief at once and was so encouraged that I continued until cured. It gives me pleasure to say that the cure has been permanent."

For sale by all dealers. Price 50 cents Foster-Milburn Co., Buffalo, New York, sole agents. Remember the name—Doan's—and take no other.

\$1000 in Cash.

A brand new circulation proposition has just been inaugurated by The Philadelphia Inquirer and is indicative at once by the immensity of The Inquirer's circulation, the great possibilities in the way of collecting coupons and thereby participating in the distribution of the liberal prizes that are offered.

The plan is as follows: The Inquirer's circulation has now reached the grand total of 170,000 copies daily and considerably more than 200,000 copies on Sunday's and The Inquirer writes its readers to know where these papers go. It is therefore printing a coupon every day which it requests its readers to collect and send in, and offers the above reward of one thousand dollars in cash and eight thousand Jig Saw Picture Puzzles to the most industrious collectors.

The contest has just started and is open to all. Anyone may start carousing and collecting these coupons and the rewards are many. Has anyone in this neighborhood begun a collection yet?

Full particulars may be had by writing to The Inquirer's Circulation Department, Inquirer Building, Philadelphia, Pa.
