Not a Local Issue.

The fact that Protection is not a local issue, as a former Democratic candidate for the Presidency declared, is plainly shown in the columns of the Southern newspapers, which tell how, under the beneficent guardianship of the McKinley law, industries are being built up that promise at no distant date to give employment and good wages to hundreds of thousands of workmen. Here we have in Louisville "Commercial," published in the Democratic border State of Kentucky, asserting that "there are more pianos in Louisville than in the houses of all the workingmen England; and probably there are more workingmen owning their homes in Louisville than in all England." No; Protection is not a local issue!—Freeport, (Ill.) "Journal."

Big Time at Kane.

The Elk-McKean Odd Fellows celebration at Kane last Tuesday was largely attended and was all that the three link enthusiasts desired. The convention will be held at Ridgway next year. An eloquent address was delivered in the afternoon by Perry A. Shanor, Esq., an extract from the same we are pleased to publish:

"Mr. Shanor, who is a member of the legal profession, has an enviable reputation among Odd Fellows as an orator, and he certainly upheld it on this occasion. His address was witty, eloquent and instructive and greatly pleased those who heard it. He said he had enjoyed every moment of the day up to the time he rose to speak but that put an end to his pleasure, as he supposed it would to that of those present. He then complimented the Rebekahs very nicely, giving them great credit for what they have done, inviting frequent laughter and applause by his manner of putting things. Ninety years ago to-night, Mr. Shanor said, there were five Odd Fellows in the United States, now there are a million and a half. They sat around a table in Baltimore a few feet long, now they reach around the globe. He told how they care for the orphan, visit the sick, bury the dead. Odd Fellowship follows its members down to the tomb; it can do no more for it does not pretend to be a religion, but its influence is such that it has led many to the church."

Passed His Seventieth Birthday. The Rev. Mr. Ebersole, of the Messiah Church, of Sterling Run, celebrated his 70th birthday on Saturday, April 24th. Rev. Ebersole has been a resident of Sterling Run for the past 22 years and has been a pastor for over 40 years, coming from Mechanicsburg, Pa., to Sterling Run.

Mr. Ebersole is one of nature's noblemen and is held in the highest respect and esteem by the entire community, regardless of creed or nationality. The PRESS unites with his many friends throughout the state in extending congratulations and best wishes for many more returns of his birthday. J. F. S.

Rheumatism.

More than nine out of every ten cases of rheumatism are simply rheumatism of the muscles, due to cold or damp, or chronic rheumatism. In such cases no internal treatment is required. The free application of Chamberlain's Liniment is all that is needed, and it is certain to give quick relief. Give it a trial and see for yourself how quickly it relieves the pain and soreness. The medicines usually given internally for rheumatism are poisonous or very strong medicines. They are worse than useless in cases of chronic and muscular rheumatism. For sale by L. Taggart.

In Five Minutes.

Take your sour stomach—or maybe you call it indigestion, Dyspepsia, Gas, tritis or Catarrh of Stomach; it doesn't matter—take your stomach trouble right with you to your Pharmacist and ask him to open a 50 cent case of Pape's Diapepsin and let you eat one 22-grain Triangle and see if within five minutes there is left any trace of your stomach misery.

The correct name for your trouble is Food Fermentation—food souring; the Digestive organs become weak, there is lack of gastric juice; your food is only half digested, and you become affected with loss of appetite, pressure and fullness after eating, vomiting, nausea, heartburn, griping in bowels, tenderness in the pit of stomach, bad taste in mouth, constipation, pain in limbs, sleeplessness, belching of gas, biliousness, sick headaches, nervousness, dizziness and many other similar symptoms. If your appetite is fickle, and nothing tempts you, or you belch gas or if you feel bloated after eating, or your food lies like a lump of lead on your stomach, you can make up your mind that at the bottom of all this there is but one cause—fermentation of undigested food.

Prove to yourself, after your next meal, that your stomach is as good as any; that there is nothing really wrong. Stop this fermentation and begin eating what you want without fear of discomfort or misery.

Almost instant relief is waiting for you. It is merely a matter of how soon you take a little Diapepsin.

May Carnival.

A May Carnival will be held at the Emporium opera house on Wednesday evening, May 12, 1909, for the benefit of Mr. and Mrs. Thos. Trotter. Mrs. H. H. Mullin, who has charge of the entertainment, will be assisted by Messrs. H. A. Hayes and W. S. Sterner, a May Queen, selected by vote, will be crowned. A coupon in the PRESS entitles one vote for the most popular young lady in Emporium, over 16 years of age. Young ladies desiring to enter the contest will please

During the spring everyone would be benefited by taking Foley's Kidney Remedy. It furnishes a needed tonic to the kidneys, after the extra strain of winter, and it purifies the blood by stimulating the kidneys, and causing them to eliminate the impurities from it. Foley's Kidney Remedy imparts new life and vigor. Pleasant to take. Sold by all Druggists.

If you have backache and urinary troubles you should take Foley's Kidney Remedy to strengthen and build up the kidneys so they will act properly, as a serious kidney trouble may develop. Sold by all Druggists.

Object to Strong Medicines.

Many people object to taking the strong medicines usually prescribed by physicians for rheumatism. There is no need of internal treatment in any case of muscular or chronic rheumatism, and more than nine out of every ten cases of the disease are of one or the other of these varieties. When there is no fever and little (if any) swelling, you may know that it is only necessary to apply Chamberlain's Liniment freely to get quick relief. You are certain to be pleased with the quick relief which it affords. Price, 25 cents, large size, 50 cents. For sale by L. Taggart.
