**Big Move.** George Metzger, Jr., and family are as busy as a bushel of bees moving into their new home, which certainly is one of the most complete in this county. It's a dandy, and reflects great credit on Mr. Metzger's judgment and energy.

**Mob Rule.** The street car strike in Philadelphia has assumed a serious position, the strikers burning cars, placing dynamite on the tracks, assaulting motormen, &c. **DEATH'S DOINGS.**

**FRENCH.**

Miss Fannie French, eldest daughter of Mrs. Eva Warner-French, died at the family residence at Austin, last Tuesday, aged about 21 years. Miss French, in company with W. S. Walker and family, spent the winter in Arizona in hopes that her health would be restored, but the dread consumption had gained such headway that it was impossible to check its course. Deceased was always of a jovial disposition and was the life and heart of all social gatherings. She was a member of the Coudersport High School Alumni, having graduated in the class of 1905. Mrs. French, the mother, is well known at Emporium, having lived here for several years, always making her home with her uncle, Mr. Riley Warner and family. This is truly an afflicted family and the sincere sympathy of all who know Mrs. French, is surely with her. About five years ago, Walter, the second eldest son died and three years ago the husband and father, Dr. C. F. French died, and this year, within a few months, she has lost a son, Carl, and now her daughter, Miss Fannie. The funeral services will be held at the home at Austin on Friday morning at 9:00 o'clock, after which the funeral party will proceed to Coudersport where interment will be made. Mrs. F. G. Judd, of this place, a cousin of Mrs. French, will attend the funeral.

## Disinfect

Some disinfectants and germicides might be classed as drugs but, you do not want to be drugged just now with a bug killer. However, now is the time to think of getting after the rose bugs and currant worms.

We have a full line of the "remedies" for that class of pests. Also a non-poisonous bed bug exterminator in small cans.
