SUB ROSA.

Asks the Philosopher.

"Ef you stan' in your own light how kin you expect other people to find you in a hurry?"

Mr. Ericson's Old Home.

Go see it, it's a beauty. It stands out among all its neighbors because the coloring is so bright and clear. Mr. Ericson painted with L. & M. Paint and says it cost less than ever before. He bought only 12 gallons of L. & M. Paint and 9 gallons of Linseed Oil to mix with it. This made 21 gallons of pure paint, and cost only \$1.20 per gallon. It's as handsome as the finest in town. The L. & M., is sold by Harry S. Lloyd, Emporium.

LOUISE.

Proceedings of The Pariahs.

The Pariahs of Sterling Run, met Saturday evening, Sept. 11th, under the Banyan Tree, to mend their garments. These meetings are of no interest whatever, to any one except the Pariahs, for amusement they do the best they can. All are now taking advantage of the breathing exercises especially since the report that an edict issued prohibiting the Pariahs free use of air and water. It is noticed that little use is made of the latter element and thus far their spirits are not dampened by this report. It would be pleasant to record that the conversation at these meetings are at all times brilliant. But as the post of most members has been for years, the panhandle, truth actuates me to state that the conversation never rises above mediocrity. Refreshments were doled out, a handful of barley, eaten in sullen silence. Among those present were Nun, of Ur Biz, and several of the Mystic Seven. Next meeting, Moon IV at II, Bamboo Jungle.

HUDSON-FULTON CELEBRATION NEW YORK CITY.

Three hundred years ago, Henry Hudson, an Englishman in command of a Dutch expedition, with eighteen men, explored the Hudson River from Sandy Hook to Troy in his small craft, the "Half Moon."

One hundred and ninety-eight years later, Robert Fulton established, with his steamboat, the "Clermont," a regular water service between New York and the towns along the Hudson river to the North.

This year, New York City, with sister cities and towns along the Hudson, will celebrate these two achievements by a series of imposing observances, religious, historical, military, naval, musical and literary, extending from September 25 to October 9.

Replicas of the "Half Moon" and the "Clermont" have been built and will play a large part of the celebration. They will be the center of attraction in the great naval pageant on Saturday, September 25. The United States Government will have fifty-two war ships anchored in the Hudson, and Great Britain, France, the Netherlands, Italy, Germany, Argentine, Guatemala, Mexico, and Cuba will be represented by war vessels.

Two great parades of water craft will escort the "Half Moon" and the "Clermont" in triumphal procession past the war leviathans, first in the morning and again in the evening, when all the vessels will be illuminated.

On September 28 there will be a grand historical pageant, and on September 30 a big military parade in New York City.

On October 1, the "Half Moon" and "Clermont" will proceed up the Hudson to Troy escorted by hundreds of river craft, including torpedo boats.

A magnificent carnival parade will be held in New York on Saturday evening, October 2, which promises to eclipse all previous attempts.

The Pennsylvania Railroad, the direct line to New York, with its unsurpassed service of fast express trains, will sell excursion tickets to New York for this period at reduced rates of fare.

Full details concerning specific fares, dates of sale, return limits, and train service may be obtained of Ticket Agents.
