

Breezy County News

FIRST FORK

Snowflakes were seen flying through the air on Saturday.

Hunting season opened Oct. 15. Some game have already been captured. Look out for the poor squirrels and pheasants.

John and Walter Gore, of Sinnamahoning, visited at the home of Samuel Smith's on Sunday.

Mr. and Mrs. Austin and son are visiting relatives at the Haynes residence.

Monday, Oct. 11th, was a very rainy day. Our streams raised, causing more eels to flow into the bakers. Quite a nice lot were caught but not so many as in former years. The people are of the opinion that the black water has much to do with the scarcity of eels.

Preaching services by Rev. Runyan at the Haynes school house, last Wednesday night, were well attended. He is doing great work for the cause of religion. At the last meeting, fourteen were baptized, nine of which joined the church. A Sunday school was organized last Sunday, and meets every Sunday afternoon at 2:00 o'clock. Everybody should be interested in this very important matter. Let everyone work with all their might and encourage others in the work. Let the good work go on.

FIRST FORK.

C. E. Logue caught four bears all cubs, the first half of October, and is now after the old ones. He has some hunters from a distance stopping with him. Had a letter from a man in Oregon who wants to come to Penn'a to hunt bear. Queer ain't it.

M. F. Wykoff caught a yearling bear Saturday.

Jake Y. Smith killed an old she bear last week, after five shots of fine bird shot. The last shell he had bringing the "old lady down." This section is filling up rapidly with bird and bear hunters, and as birds are scarce they will have to pay more attention to the bears. Every train brings in some hunters.

Farmers have their fall work well in hand, though some haven't their potatoes all dug or buckwheat threshed yet.

Mrs. Frank Logue and children, of Thunder, Idaho, are visiting her mother, Mrs. Wm. Swank, at this place.

Jesse Logue has dug about 500 lbs. of ginseng from off his ginseng garden and is drying it. He expects to dig about as much more. At the present price of "shang" this ought to put Jess on "easy street." He has young plants enough to reset the territory dug over, and has a good many thousand seeds to plant in the spring.

A big snow storm is on as I am writing this.

SIZERVILLE.

Fall plowing is much in evidence and nearly all the farmers are putting in a crop of winter rye. We would not be surprised that some will try distilling some of the grain.

Patrick Gallagher, second trick man, took a spin in his auto out of town. We look for some lovely girls to accompany him next trip.

Rev. Shank's meetings held here last week were productive of much good. Many feel that it was good he came among them.

Our show windows are adorned with views of minstrel troupes and noted lecturers that will instruct the people at the Teachers' Institute. Seems with such a display of musical talent there ought to be full houses the entire week. Our County Superintendent is putting fourth every effort to make this Institute a grand success.

Harry Sprung and W. D. Sprague will open their bachelor abode on Monday next. They will occupy one of W. D. Sizer's tenement houses for the winter. They have laid in a good stock of eatables, regardless of a rising market.

Wm. McDowell and Ed. Sizer are doing a stunt at the concrete for the section foreman at Shippen. We expect to see them making extensive contracts in the near future. This is their second contract of the line.

Well Known Hotel Keeper Uses and Recommends Chamberlain's Colic, Cholera and Diarrhoea Remedy.

"I take pleasure in saying that I have kept Chamberlain's Colic, Cholera and Diarrhoea Remedy in my family medicine chest for about fifteen years, and have always had satisfactory results from its use. More Than Enough is Too Much.

To maintain health, a mature man or woman needs just enough food to repair the waste and supply energy and body heat. The habitual consumption of more food than is necessary for these purposes is the prime cause of stomach troubles, rheumatism and disorders of the kidneys. If troubled with indigestion, revise your diet, let reason and not appetite control and take a few doses of Chamberlain's Stomach and Liver Tablets and you will soon be all right again. For sale by G. C. Taggart.
