Where Everyone Helps.

Whenever the people of Pennsylvania go to the polls in anything like their full numbers, they roll up a Republican majority that is the wonder and admiration of the Republicans of the rest of the country. These majorities have put the state at the head of the Republican column and made it the leader of Republican policy and sentiment.

There never has been a time when a large and overwhelming Republican majority from Pennsylvania was more needed than it is this year. It is not merely a question of electing the Republican candidates for state offices; it is the more important one of giving support to the real principles and purposes of the party.

Those principles and purposes found their truest advocate and representatives in the Senators and Republicans members of Congress from Pennsylvania during the recent extra session struggle over tariff revision. They won their fight against both Democrats and Middle West Republicans, who had broken away from the safe anchorage of the party on the protection question, and they should be overwhelmingly endorsed.

Can there be any doubt about where Pennsylvania stands?

Certainly not. What is needed however, is such a demonstration of its position as can be best given by an overwhelming Republican majority at the coming election. Every Republican should contribute to this, for the result will have unusual significance.

Don't Experiment

You Will Make no Mistake if You Follow This Advice.

Never neglect your kidneys. If you have pain in the back, urinary disorders, dizziness and nervousness, it's time to act and no time to experiment. These are all symptoms of kidney trouble, and you should seek a remedy which is known to cure the kidneys.

Doan's Kidney Pills is the remedy to use. No need to experiment. It has cured many stubborn cases in this vicinity.

Can Emporium residents demand further proof than that contained in the following testimonial:

Mrs. C. E. Decker, 46 S. St. Marys St., St. Marys, Pa., says: "For two years I suffered from kidney complaint. There were severe pains through my back and sides, headaches were frequent and my ankles swelled. I often became so dizzy that I thought I would fall and though specialists treated me, no relief followed. Doan's Kidney Pills were so highly recommended that I procured a box and soon noticed a great change. It was only a short time before I received a complete cure and I have not had the slightest symptom of kidney complaint since. I can recommend Doan's Kidney Pills as a reliable kidney remedy."

A DOCTOR'S PRESCRIPTION FOR PIMPLES

To remove Pimples, Blackheads, Blisters, and all forms of skin eruptions, is, according to a well known physician, a very easy matter; he says that many are afflicted with some one of the above ailments, and are subject to a great deal of embarrassment on account of the unsightly appearance which they present, and recommends the following simple, harmless and inexpensive treatment. Go to your druggist and get this prescription filled: Clearola one-half ounce, Ether one ounce, Alcohol seven ounces, mix, shake well and apply to the parts affected night and morning, allowing it to remain on the skin at least ten minutes, then wipe off the powder from the skin. Use a soft cloth or sponge in applying the mixture and in from ten days to two weeks your face will be smooth and clear as a marriage bell. Get the Pure Clearola, which is only put up in one-half ounce packages. Ask to see it.

F. G. Fritz, Oneonta, N. Y., writes: "My little girl was greatly benefited by taking Foley's Orino Laxative and I think it is the best remedy for constipation and liver trouble." Foley's Orino Laxative is mild, pleasant and effective and cures habitual constipation. Sold by all druggists.

ANDREWS SOUNDS NOTE OF WARNING

Republicans Told of Danger of Over-Confidence.

DEMOCRATS ON STILL HUNT

Seeking Complimentary Votes For Nominee For Supreme Bench and Banking Upon a Small Poll by Majority Party.

[Special Correspondence.]

Philadelphia, Oct. 26.

Colonel Wesley R. Andrews, chairman of the Republican state committee, today sounded a note of warning to the Republicans of Pennsylvania.

He made it clear that he expects every Republican voter in this state to do his duty on Nov. 2.

With election day only about one week off the state chairman insists that there must be a lining up of the Republican forces in every county if the Republican ticket is to be elected, as it ought to be, by an overwhelming majority. Since early in September Chairman Andrews, from the headquarters of the Republican state committee in this city, has been directing an aggressive campaign. Not that the Republican ticket is in danger; it is not. But many Republicans of Pennsylvania frequently take Republican success for granted and make no special effort to go to the polls.

It was this danger of over-confidence that Colonel Andrews had in mind today.

"Pennsylvania is the banner Republican state; we have the votes, and to poll the right kind of majority it is only necessary for the voters to cast their ballots," said the chairman. "Many Republicans in an off-year like this, when there is no particular excitement, proceed upon the theory that the rest of the party will vote and thus insure the election of the ticket. Now it is an axiom of warfare that an army must constantly be on guard. I want to warn the Republicans of this state against the 'last card' in politics. They should see that Democratic effort does not threaten Republican success."

"The Republican party has a splendid ticket. A better one has never been offered the people of Pennsylvania. A. E. Sisson and J. A. Stober are able and experienced men; they have records that commend them to the people, and they are public spirited citizens. They will contribute their full share to a continuance of good government in this commonwealth."

The Judicial Canvass.

"Judge Robert von Moschzisker will make a great supreme court justice. He has a splendid record as a common pleas judge; he is known to the lawyers of the state as one of the ablest members of the Pennsylvania bar, and he has the confidence of all of the people. Not a syllable has been uttered against him since his nomination. His qualifications for the supreme bench are conceded by everybody. He ought to be elected by a tremendous majority. His Democratic opponent, Mr. Munson, is presenting this state with a spectacle it has never before witnessed. He is the only candidate for a high judicial office, who, in his eagerness for election, has so far overlooked the proprieties as to make a personal and compromising campaign for votes. He is now on a campaign tour, meeting the voters and making what are nothing more nor less than ordinary stump speeches. In Williamsport he maintains a large literary bureau, which has sent out thousands of documents and letters, in which he asks the voters to support him as a non-partisan candidate. He has adopted the endless chain system of letter writing and by this means hopes to reach every voter in the state.

"The old-fashioned idea that judicial office should seek the man and not the man seek the office manifestly has no place in the Democratic candidate's plan of politics. I do not believe many Republicans will entertain for a moment the proposition that they vote for a Democratic candidate for the supreme court.

"Mr. Munson's conduct in the campaign illustrates his conception of the dignity of the highest judicial tribunal in this commonwealth. Judge von Moschzisker has taken no part whatever in the campaign. He has asked no one to vote for him. He will take his seat on the supreme bench without having violated its sacred traditions.

National and State Issues.

"As I have repeatedly said, the elections in Pennsylvania this year are of national importance. A failure of the Republicans of the Keystone State to score a handsome majority would be accepted by the low tariff revisionists of the middle west as evidence that our people are not particularly interested in the protective system.

"A reduced majority will furnish an impetus to agitation for a lowering of the tariff rates. Pennsylvania is satisfied with the new tariff law because it is bringing prosperity. It should be the first state to record its indorsement of that legislation.

"There is another and very sound reason why the Republicans of the Keystone State should poll an unprecedented off-year majority at the com-

ing election. Next year we must elect Governor Stuart's successor and other state officials, a new legislature that will elect Senator Oliver's successor, and a congressional delegation. A reduced majority in November would not only be a backward step; it would encourage the Democracy and inspire it with hope of success in 1910.

"The Republican party in Pennsylvania has never been in better condition than it is today. But, as I have said, it is necessary that every Republican do his duty on Nov. 2."
