Reform Candidates Win in Two Ohio
Cities—Elections Held in Many
States and Cities Throughout the
United States.

Cleveland, O.—Elections were held
on November 2 in many states
and cities throughout the country,
with varying results, there being no
national issue involved to bring about
concerted party action.

In Massachusetts the returns indi-
cate that Gov. Eben Draper, Republi-
can, had been re-elected over James
H. Vahey, Democrat, by a greatly re-
duced majority, estimated at 10,000.

In Rhode Island, Gov. Pothier, Republi-
can, was re-elected over Olney
Arnold, Democrat, by a substantial
majority.

In New York City, which has been the
storm center of the state, Tam-
many Hall scored a decisive triumph
in the mayoralty election, Judge Wil-
liam A. Gaynor, the Democratic nomi-
nee supported by Tammany, rolling
up a plurality of upward of 70,000 over
Otto T. Bannard, Republican, who in
turn led William R. Hearst by approxi-
mately 25,000.

New York state elected an assembly
that will show a Republican ma-
jority of about 38.

In Buffalo, Louis P. Fuhrmann,
Democratic candidate for mayor, was
elected by a plurality of 1,245 over
Jacob J. Siegrist, the Republican candi-
date.

In Philadelphia, another battle
ground on reform issues, Samuel P.
Rotan (Rep.) was elected district at-
torney over D. Clarence Gibboney, re-
presenting the Law and Order society
and the reform element. Rotan's ma-
jority exceeded that in a previous re-
form campaign, being estimated at up-
ward of 30,000.

Meager returns from San Francisco
indicate the defeat of Francis J.
Honey and the election of McCarthy,
the union labor candidate, for mayor.

The Pennsylvania state elections
for treasurer, auditor, general and
justice of the supreme court resulted
in the usual Republican majority.

In Indianapolis, where the temper-
ance issue has figured, Lewis Shank
(Rep.) is elected over Charles A.
Gauss (Dem.)

Elections in New Jersey went al-
most equally both ways. Interest prin-
cipally hinged upon the battle for the
mayorality of Jersey City, where
Pagan, the new idea Republican cham-
pion, was probably beaten by Otto
Wittpen, the Democratic incumbent.

In Virginia the early returns indi-
cate that the Democratic ticket, head-
ed by Judge Mann, for governor, had
been elected by about the usual ma-
jority.

Slow returns from Baltimore indi-
cate that the constitutional amend-
ment aimed to disfranchise the negro
has been defeated by more than 20,
000. The foreign born element in
Baltimore city voted strong against
the amendment, fearing it would im-
peril their franchise as well as that of
the negro. The legislature appears to
be safely Democratic, insuring the re-
election of Isadore Rayner as United
States senator.

Local elections in Kentucky, as had
been promised by the warlike moves
of the rival factions, was marked for
bloodshed and in Breathitt county, the
seat of the feudists, one man was shot
and killed at a polling place.

The "drys" of Illinois won another
victory. Of 33 precincts in which local
option was before the voters the anti-
liquor advocates carried 28, an in-
crease of four precincts over two
years ago.

Reform Candidates Win in Two Ohio Cities.

Columbus, O.—George S. Marshall
(Rep.) was elected mayor after a bit-
ter campaign by a plurality of close to
4,000. The entire Republican ticket
was elected with the possible excep-
tion of C. H. Smith for treasurer, who
was openly fought by the organization
headed by Malcolm Karschner, mem-
ber of the Republican state committee
from Franklin county. The Republi-
cans will control the new city council
by a decisive majority.

The hand of Cox appears to have
lost little of its grip on the city on the
Ohio river, for the ballots so far coun-
ted there indicate that Dr. Louis
Schwab (Rep.) has been chosen
mayor. In voting thus the people of
that city refused to accept the serv-
ices of John Weld Peck, the young
lawyer running on the Democratic
ticket, whose campaign was made
strictly one of reform. His attack
was always against the Cox machine.

and with the organization they had
this year the Democrats of the city
had some hope of defeating the boss
who so long has dictated affairs to the
voters of all parties.

In Youngstown Democratic Mayor
Craver is elected by a reduced plurali-
ty over Paul Jones, the former Michi-
gan football player and Reserve
coach. Mayor Turnbull of Canton has
been carried back into office by the
Democrats by a large plurality.
Dougherty, his opponent, conceded
Turnbull's election.

Akron, O.—The early election re-
turns indicate the re-election of Mayor
W. T. Sawyer (Dem.) by 2,000. The
first ten precincts showed an average
gain of 20 to a precinct for him over
two years ago, when City Solicitor C.
F. Berry, his opponent, was defeated
by 1,945.

Dayton, O.—The Democrats scored
a sweeping victory here, electing May-
or E. E. Burkhardt and the entire ticket
with the possible exception of the
clerk of the police court. The Democ-
rats claim a plurality of 5,000 for
Burkhardt, and the election of the city
council and municipal ticket.

Toledo, O.—Brand Whitlock is re-
elected mayor of Toledo for a third
term. Early returns from the down
town precincts, where his adversary,
David T. Davies, was expected to be
strongest, showed such slight gains
that all hope of overcoming Whit-
lock's plurality of 6,500 in 1907 was
abandoned and both Republican or-
gans acknowledged the election of
Whitlock, but claim the rest of the
ticket. Whitlock probably will have
over 4,000 plurality.

Cleveland, O.—Herman C. Baehr
was elected mayor of Cleveland. A
plurality of at least 5,000, growing
with the later returns, seems to have
swept every Republican candidate in
with Baehr. Newton D. Baker gave
his opponent the hardest fight of all,
and has probably been elected over
Dahl for city solicitor. The city council
will be overwhelmingly Republican,
with 25 members of that party and
seven Democrats for members.
