## Lydia E. Pinkham's Vegetable Compound

Vienna, W. Va. — "I feel that I owe the last ten years of my life to Lydia E. Pinkham's Vegetable Compound. Eleven years ago I was a walking shadow. I had been under the doctor's care but got no relief. My husband persuaded me to try Lydia E. Pinkham's Vegetable Compound and it worked like a charm. It relieved all my pains and misery. I advise all suffering women to take Lydia E. Pinkham's Vegetable Compound. — Mrs. EMMA WHEATON, Vienna, W. Va.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotics or harmful drugs, and to-day holds the record for the largest number of actual cures of female diseases of any similar medicine in the country, and thousands of voluntary testimonials are on file in the Pinkham laboratory at Lynn, Mass., from women who have been cured from almost every form of female complaints, inflammation, ulceration, displacements, fibroid tumors, irregularities, periodic pains, backache, indigestion and nervous prostration. Every such suffering woman owes it to herself to give Lydia E. Pinkham's Vegetable Compound a trial.

If you would like special advice about your case write a confidential letter to Mrs. Pinkham, at Lynn, Mass. Her advice is free, and always helpful.

### PICTURE ON MEMORY'S WALL.

Uncle—Well, Tommy, how was your report this term?  
 Nephew—I can feel it yet, uncle.

### Mind Over Matter.

"Much may be done," said the Acute Observer, "by an authoritative voice. Now, if a man says to a dog: 'Come here!' with a note of absolute authority in his voice, the dog comes immediately."  
 "Yes," said the Traveler, "I've noticed it. And it is especially marked in oriental peoples. Why, when I was in Khalisandjaro, I heard a man say, with that authoritative note in his tone: 'Oh, king, live forever,' and immediately the king lived forever."  
 Carolyn Wells, in Success Magazine.

### Undoubtedly Not.

Capt. Jerome, while visiting Col. Higginson, took a derring-dog from the table, and asked: "This thing loaded?" But before the colonel could reply the weapon was discharged, the bullet tearing away one of the fingers of the visitor. The colonel, who is widely known on account of his extreme politeness, bowed gracefully, and rejoined: "Not now, my dear captain."

### CAREFUL DOCTOR Prescribed Change of Food Instead of Drugs.

It takes considerable courage for a doctor to deliberately prescribe only food for a despairing patient, instead of resorting to the usual list of medicines.

There are some truly scientific physicians among the present generation who recognize and treat conditions as they are and should be treated regardless of the value to their pockets. Here's an instance:

"Four years ago I was taken with severe gastritis and nothing would stay on my stomach, so that I was on the verge of starvation.

"I heard of a doctor who has a summer cottage near me—a specialist from N. Y., and as a last hope, sent for him.

"After he examined me carefully he advised me to try a small quantity of Grape-Nuts at first, then as my stomach became stronger to eat more.

"I kept at it, and gradually got so I could eat and digest three teaspoonsful. Then I began to have color in my face, memory became clear, where before everything seemed a blank. My limbs got stronger and I could walk. So I steadily recovered.

"Now, after a year on Grape-Nuts I weigh 153 lbs. My people were surprised at the way I grew fleshy and strong on this food."

Read the little book, "The Road to Wellville," in pkgs.

"There's a Reason."

Ever read the above letter? A new one appears from time to time. They are genuine, true, and full of human interest.

## Pennsylvania Happenings

A farmer residing three miles from Caledonia reports that he saw 14 fine deer one day recently.

Ranger Thomas and a force of men fought a forest fire recently in the vicinity of Cold Spring.

On the road a mile east of Waynesboro, a big eagle was discovered devouring a guinea hen.

Investigation of the water supply of Chester is being made by engineers of the state department of health.

The General Crushed Stone Co. of Myerstown has increased the wages of all employees 10 per cent, to take effect immediately. About 250 men are affected.

State Forestry Commissioner Conklin said that he had reason to believe that the recent rains had put out the forest fires. There are now none on state lands.

State Treasurer Sheatz has received \$1,562.40 as unclaimed deposits from the Philadelphia Savings Fund society of Philadelphia. Under the law the money reverts to the state.

The fact that civil engineers in the employment of the Cumberland Valley railroad were at work in the vicinity of the old Mont Alto furnace recently gave rise to a rumor that the company will build a line up Brandon ravine to the White Pine sanatorium.

An epidemic of dog poisoning has broken out at Fostoria, a small hamlet near Altoona, and 17 valuable watch dogs belonging to farmers have been killed by poison. It is believed to be the work of foreigners and is being done in order that the neighborhood may be laid open to thieving.

The finding of cash boxes and a pocketbook taken from the safe of D. O. Nicodemus' store when the post-office at Zullinger was robbed some time ago has added to the mystery of that robbery. Apparently the stolen articles had been placed where found, near the River Brethren church, Five Forks.

Notice has been sent to the trustees and superintendents of all hospitals for the insane in Pennsylvania that they must not charge for patients on parole. It is said that this practice has been indulged in by a number of institutions and at the office of the auditor general, it is held to be contrary to law. A notice issued recently states that after December 1 each institution must carry the names of patients on parole on a separate list, which must also show the length of time on parole.

Accused of interfering with a special deputy game protector, in the discharge of his duties, and with pointing a gun at a game protector and threatening to shoot him, Abram Barnes is in the Franklin county jail in default of \$700 bail, having been held for a hearing. Some time ago the warden met Barnes, whose home is in the vicinity of Tomstown, and, suspecting that he was hunting game out of season, requested that he open his game bag for inspection. It is said that Barnes threatened to blow the warden's head off if he advanced another step.

All of the amendments, with the exception of the seventh, passed with the following majorities: No. 1, 15,450; No. 2, 21,967; No. 3, 21,486; No. 4, 15,623; No. 5, 28,037; No. 6, 21,276; No. 8, 20,196; No. 9, 19,637; No. 10, 19,477; schedule, 5,611. No. 7, relating to the appointment of election board officers, was defeated by a majority of 66,523.

A man in Luzerne county removed cattle placed under quarantine and ordered to be killed by a state meat service inspector. He had been given notice not to do so and he has been fined \$10.

Insurance Commissioner David Martin, register of wills-elect, of Philadelphia, will not submit his resignation as a state official to Gov. Stuart for some time. At the capitol it is believed that he will not retire until next March. No appointment of a successor is expected for some time.

### Taking Care of Yourself.

There never was a time when people paid as much attention to their health and strength as they do now. Time was when fine stock and fine horses were fed more carefully than human beings.

The result of properly balanced ration has worked wonders with stock and recent experiments are proving that the same thing is true of mankind.

It has been found that Quaker Oats eaten often and regularly taking the place of heavy, greasy foods will work wonders in the health and strength of a family.

School children fed frequently on Quaker Oats thrive physically and are always capable of the best work at school. For athletes, laborers, it is the best food. One of the attractive features of Quaker Oats is the perfect way it is packed. Besides the regular size package there is the large size family package. 10

### STRANGE COMPANY.

The Goose—How times change, to be sure. I have never seen the fox such good friends with a duck before.

### SKIN TROUBLES CURED.

Two Little Girls Had Eczema Very Badly—in One Case Child's Hair Came Out and Left Bare Patches.

Cuticura Met with Great Success.

"I have two little girls who have been troubled very badly with eczema. One of them had it on her lower limbs. I did everything that I could hear of for her, but it did not give in until warm weather, when it seemingly subsided. The next winter when it became cold the eczema started again and also in her head where it would take the hair out and leave bare patches. At the same time her arms were sore the whole length of them. I took her to a physician, but the child grew worse all the time. Her sister's arms were also affected. I began using Cuticura Remedies, and by the time the second lot was used their skin was soft and smooth. Mrs. Charles Baker, Albion, Me., Sept. 21, '08." Potter Drug & Chem. ### The Dollar Sign.

When it came time for Mrs. Bluffer to pack her trunk and depart from the resort where she had spent many pleasant days, where she had been the cynosure of all eyes, where she had flirted and gossiped (and been gossiped about), she visited the proprietor.

"I've just received a check for \$50 from my husband," she told him. "You will honor it, won't you?"

The proprietor bowed and rubbed his hands. "By dear Mrs. Bluffer," he ventured. "I will not only honor it, but will fall down and worship it."

### CUT THIS OUT.

Recipe That Breaks a Cold in a Day and Cures Any Curable Cough.

"Mix half ounce of Concentrated pine compound with two ounces of glycerine and half a pint of good whiskey; shake well each time and use in doses of a teaspoonful to a tablespoonful every four hours."

These ingredients can be obtained from any good druggist or he will get them from his wholesale house.

The Concentrated pine is a special pine product and comes only in half ounce bottles, each enclosed in an airtight case, but be sure it is labeled "Concentrated."

### Getting in Deep.

The ladies devoted to reform were in session. "I believe," said one, "that only good men should be permitted to marry."

"But," interposed a second, "would not such a radical policy be promotive of race suicide?"

On the instant they perceived that they had tackled a real problem.

### Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. Nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness caused by Catarrh that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 7c. Take Hall's Family Pills for constipation.

Lots of garrulous people make a specialty of saying nothing.

### GOING UP!

City ways were not altogether new to him, but, as he waited at the elevator shaft, in one of Omaha's large office buildings, he said to his companions.

"Well, I'll be hanged if that isn't a beauty."

"Why, what?" "Just look at that confounded railroad advertising on an Omaha elevator—UP! What won't they do next?" His companion replied, "Sh—, Sh—, those letters mean 'up.'"

When I see that word, this jingle always comes to my mind: 'Whenever the little word 'up' you see,

Think of Safety, Speed, Service via U. P.'

You will see that word at almost every passenger elevator in the country, but before you leave for the West, be sure to buy your ticket via "The Safe Road to Travel."

### Father Was an Invalid.

It had been a hard day in the field, and father and son were very hungry. The only things eatable on the table were 12 very large apple dumplings. The father had consumed ten while the boy was eating one, and then both reached for the one remaining.

"Son," pleaded the farmer, "you wouldn't take the last apple dumpling from your poor sick pa, would you?"—Success Magazine.

It Cured My Baby—Hereafter I Will Always Keep It in the House.

I cannot speak too highly for Resinol Ointment. It cured my baby boy of Eczema. He had a very severe case and numerous other remedies failed to do any good. I would not be without Resinol Salve in the house.

It is good to apply in cases of burns, cuts or sores of any kind.

Mrs. F. Cox, Chicago, Ill.

Difficulties may surround our path, but if the difficulties be not in ourselves, they may generally be overcome.—Jewett.
