The deceased had a companion and both were warned by the night trackwalker of the approach of the train, but being dazed by a fall through a small bridge, just a short time before the accident, and was not aware of the danger. The victim was thrown at least sixty feet and although he was not cut any, yet almost every bone in his body was broken, the flyer running at a fearful speed. Justice of Peace, Mr. B. Nefey, of Driftwood, held an inquest and on Tuesday afternoon poor master, C. J. Miller of Gibson township, took charge of the remains and interred them in the cemetery at Huntley. The companion of the dead man was taken to Renovo by a railroad detective, where an interpreter could be secured, hoping to find out something relative to the man's family. He was about five feet, six inches in height and weighed about 190 pounds.

A Great Success.

A Musical Treat.

A sacred cantata given at the Methodist Episcopal Church, last Sunday evening, was one of the finest musical treats given at Emporium for some time. A select choir, under the direction of Miss Grace Walker, rendered the music. The large church was crowded and the congregation are loud in praise of the Cantata. The solos were all rendered in a very pleasing manner and each soloist deserves much credit. The soloists were Mrs. E. D. Armstrong, Miss Grace Lloyd, Miss Grace Walker, Mr. Geo. A. Walker, Prof. R. H. Edgar and Mr. H. A. Cox. The choruses were very inspiring and showed much hard work and careful training. The double quartette deserves special mention, and the parts were well executed by Miss Lloyd, Miss Craudell, Mrs. Taylor, Mrs. Kaekenmeister, Messrs. C. S. Larrabee, Geo. Metzger, Jr., R. H. Edgar, and H. A. Cox. The choir of the church, with the assistance of several other vocalists have been in training for some time and the rendition on Sunday evening was a crowning glory of success.

Mrs. Nellie (More) Board, of Port Deposit, Md., and her brother Mr. Albert D. Moore and daughter, Miss Mabel, of Kingman, Kansas, arrived in Emporium on Saturday to visit their brother, Richard C. Tuesday morning they went to Buffalo to visit their sister, Mrs. Mand Rooney, going from there to Pittsburg to spend a few days with another sister, Mrs. E. T. Cummings. Before leaving for Buffalo, they visited "Fair View Farm" now occupied by Mr. and Mrs. M. J. Leabatter and now owned by Hon. Josiah Howard. They were pleasantly received and looked over their old home, where they passed so many pleasant days, when the farm was owned by their father, the late Hon. L. T. More. They ate and took home with them some of the apples grown on trees planted when they were girls and boys.

They Injure Children

Ordinary Cathartics and Pills and Harsh Physic Cause Distressing Complaints.

You cannot be over-careful in the selection of medicine for children. Only the very gentlest bowel medicine should ever be given, except in emergency cases. Ordinary pills, cathartics and purgatives are apt to do more harm than good. They cause griping, nausea and other distressing after-effects that are frequently health destroying and a life-lasting annoyance.

We personally recommend and guarantee Rexall Orderlies as the safest and most dependable remedy for constipation and associate bowel disorders. We have such absolute faith in the virtues of this remedy that we sell it on our guarantee of money back in every instance where it fails to give entire satisfaction, and we urge all in need of such medicine to try it at our risk.

Rexall Orderlies contain an entirely new ingredient which is odorless, tasteless and colorless. As an active agent, it embraces the valuable qualities of the best known intestinal regulator tonics.

Rexall Orderlies are eaten like candy. They are particularly prompt and agreeable in action, may be taken at any time, day or night; do not cause diarrhoea, nausea, griping, excessive looseness or other undesirable effects. They have a very natural action upon the glands and organs with which they come in contact, act as a positive and regulative tonic upon the relaxed muscular coat of the bowel and its dry mucous lining, remove irritation, overcome weakness, tone and strengthen the nerves and muscles, and restore the bowels and associate organs to more vigorous and healthy activity.

Rexall Orderlies completely relieve constipation, except when of a surgical character. They also tend to overcome the necessity of constantly taking laxatives to keep the bowels in normal condition.

There is really no medicine for this purpose so good as Rexall Orderlies, especially for children, aged and delicate persons. They are prepared in tablet form, in two sizes of packages; 12 tablets 10 cents, and 36 tablets 25 cents. Remember you can obtain Rexall Remedies in Emporium only at our store.—The Rexall Store. DOWNWARD COURSE

Fast Being Realized by Emporium People.

A little backache at first. Daily increasing till the back is lame and weak. Urinary disorders quickly follow. Diabetes and final Bright's disease. This is the downward course of kidney ills.

Don't take this course. Follow the advice of an Emporium citizen.

Mrs. August Extrum, Sixth St., Emporium, Pa., says: "I do not hesitate to recommend Doan's Kidney Pills and I have done so on many occasions. For a long time I was in a miserable condition, suffering from backache and sharp pains in my kidneys. I was restless at night, at times my feet became swollen and I was also subject to headaches and dizzy spells. I was unable to obtain relief until I procured Doan's Kidney Pills from Geo. C. Taggart's drug store. When I had finished the contents of the first box there was a great improvement and after I had used three or four boxes the backache had completely disappeared. I was no longer troubled with headaches or dizzy spells and my general health was much improved."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents. Remember the name—Doan's—and take no other.
