A Wonderful Discovery for Pimples.

It is surprising how quickly and easily pimples and black-heads can be cured with the following prescription, which was made known to the public a short time ago by a celebrated specialist on skin diseases, now retired, who used it in a long and successful practice with wonderful results. To use his own words: "There is nothing so discovered that can compete with it for promptly removing pimples, redness, black heads, blotches, red face and nose and in fact any disease of the skin; it also destroys the germ that causes the disease and makes the cure permanent." Following is the prescription, which can be prepared at any reliable Drug Store at a small cost: Glycerin one-half ounce, Ether one ounce, Alcohol seven ounces. Mix, shake well and apply to the parts affected night and morning, letting it remain on the face for ten or fifteen minutes then it can be wiped off. Do not use any soap, use instead a little oat meal tied up in a cheese cloth bag.

Women Suffer Agonies from Diseased Kidneys

And Most Women Do This Not Knowing the Real Cause of their Condition

These poor, suffering women have been led to believe that their misery of mind and body is entirely due to "ills of their sex." Usually the kidneys and bladder are responsible—or largely so. And in such cases, the kidneys and bladder are the organs, that need and must have attention.

Those torturing, enervating sick headaches, dragging pains in back, groin and limbs, bloating and swelling of the extremities, extreme nervousness or hysteria, listlessness and constant tired, worn-out feeling—are almost certain symptoms of disordered and diseased kidneys, bladder and liver.

DeWitt's Kidney and Bladder Pills have, in thousands of cases, been demonstrated as remarkably beneficial in all such conditions of female organism—affording the most prompt relief and permanent benefit.

As an illustration of what these Pills will do, Mrs. P. M. Bray of Columbus, Ga., writes that she was very ill with kidney trouble, and that she is now well—and that these Pills are what cured her.

They are very pleasant to take, and can in no case, produce any deleterious effects upon the system—as syrupy, alcoholic, liquid preparations are apt to do.

Sold by all Druggists.

E. C. DeWitt & Co., Chicago, Ill., want every man and woman who have the least suspicion that they are afflicted with kidney and bladder diseases to at once write them, and a trial box of these Pills will be sent free by return mail post-paid. Do it to-day.

Odd Christmas Cakes

A GERMAN NOVELTY.

GERMANY for many years has been the land of Christmas novelties, and each year the Kaiser's ingenious toy, candy and cake makers devise some oddity which proves irresistible in luring small or great sums from the pockets of Yuletide shoppers. One of the latest manias is for quaint and humorous Christmas cakes, which are literally cartoons in sugar and dough. The cakes are decorated with all sorts of funny figures, made of colored sugar and in many instances are not the crude art

products one would expect under the circumstances. The Bavarian peasant, for example, is a fair type of the living original as he is pictured in the German comic weeklies. A Munich waitress carrying a well arranged bunch of foam capped stems of the beverage for which Munich is celebrated at home and abroad, even if she does suggest Salome a trifle, is decidedly lifelike, while the saluting soldier by his very attitude suggests the foam capped stems and soldier duty do not assume a very well.

The German authorities have done much to encourage the toy-making industry, particularly in the case of the toys from all the world that the Emperor might acquire themselves with the wants and peculiarities of foreign markets. The toy industry of the past has been eclipsed by the mechanical toys, and the amount which children spend on water and a glass again, all with one charge of soda
