and lasts for ten days only. All goods marked in plain figures; strictly one price and CASH ONLY to all. This will be the biggest money saving sale ever held in Emporium. Space too small to mention prices on all merchandise in the store but the following prices will give you an idea of the values that await your coming. This stock must be sold to raise money to pay our bills which are now coming due. All merchandise has been marked to less than cost of manufacture. A terrific demolition of all former prices and profits no matter how big the loss. \$1.00 spent here will do the work of \$2.00 elsewhere.
