LOCAL DEPARTMENT.

PERSONAL GOSSIP.

Contributions invited. Those which you would like to see in this department, let us know by postal card, letter or personally.

Miss Margaret Kelly, of Coudersport, called on friends at this place, last Friday.

Miss Ethel Runyan, of Sinnamahoning, was guest of Miss Jessie Anderson, on Wednesday.

C. E. Orner, manager of the Arnold Farm, at Ridgway, visited his sister, Mrs. G. B. Shearer, at this place, while on his way to transact business at Lock Haven.

Mrs. L. B. Seibert, of Coudersport, and Mr. C. G. Freck, of Sheffield, were guests at the home of their aunt, Mrs. S. E. Sterner, on Broad street, last Monday.

Mrs. J. R. Strawbridge and Mrs. Ed. Whiting, of Sterling Run, were very agreeable Press visitors on Friday. They were very much pleased with the Press home.

Henry A. Hicks, of Hicks Run, son of our esteemed friend John M. Hicks, drove over to Emporium on Monday to transact business. While in town he paid the Press a social call.

Wm. A. Bullock, youngest son of W. B. Bullock, of Berea, Va., but years ago a resident of Emporium, visited in Emporium during the past week, taking in old scenes. The Press was favored with a call and we were pleased to meet him.

W. C. Gore, of Cross Forks, formerly a resident of Sinnamahoning, was in town on Tuesday and called at the Press office. Of course he reads the old reliable county paper—THE PRESS. Mr. Gore is machinist for the B. & S. R. R. Co.

Mr. and Mrs. O. D. Miller, of Olean N. Y., arrived in Emporium on Monday to spend the week with Mrs. M's parents, Mr. and Mrs. T. N. Hackett, East Third street. Mr. Miller visited the Press sanctum on Tuesday and renewed his subscription well into 1911. He is one of Pennsy's reliable conductors and a pleasant gentleman.

W. C. Cope, chemist, who was called to his home at Greensburg, Pa., on account of the illness of his father early last week, we are sorry to read is mourning his father's death, which occurred March 16th. The funeral took place Saturday last. His father was aged 71 years, eight months and 16 days.

The Press sanctum was invaded by a happy crowd of handsome young ladies yesterday afternoon, happy as could be and cast a bright glow of sunshine throughout our rooms. The party consisted of Misses Kathleen Baldwin, Agnes Cleary, Helen Kenley, Jessie Clark, Bertha Kenley and Margaret Fancette. Being all school girls they were interested in what they saw and seemed interested in what they saw. What is more pleasing than beautiful young girls? Max Balcom would say a nice big girl, not too large, and a nice comfortable sofa.

Mrs. Felt, wife of our young dental friend, has returned home from New York and Philadelphia, where she has been visiting for several weeks.

Consult J. H. Day's new "ad" and order your Easter dinner early. What you purchase at Day's will be right and the best. You can bank on what J. H. Day tells you. Send in orders early.

Charles Piper has returned to Emporium, after serving as express messenger between Emporium and Buffalo for three weeks. He is equal to the job and a reliable young man.

Mrs. John T. Howard returned home last Monday afternoon from Williamsport, looking none the worse after a serious operation.

Judge Green returned yesterday evening from a business trip down south.

Mr. A. Kresge, of DuBois, was an agreeable Press visitor last Friday. He is looking after his timber interests near Moore Hill.

John Kline informs us that his wife was called to Buffalo several days ago, on account of the serious illness of their daughter.

J. Paul Felt has one of those broad smiles that won't come off. It's a boy, of the regulation weight and came last Sunday to remain for good.

Mrs. Arthur Kautz, of East Emporium, was a pleasant Press office visitor, Wednesday morning, renewing her subscription and inspected our new plant.

Miss Jean McNarney, who is attending State College, arrived home Wednesday afternoon to spend her Easter vacation.

Misses Margaret Cavey and Marion Baldwin, are home from Allegheny, N. Y., where they have been attending school.

Miss Abbie Metzger, of Starkey Seminary, is guest at the home of her mother, Mrs. Helen Metzger and family, on Fifth street.

Mrs. Editha Howard, of Williamsport, is visiting in town, having arrived this morning.

W. R. Johnson, R. F. D. carrier on route No. 3, was a Press visitor yesterday renewing his paper for another year. Uncle Sam does not pay the carriers enough money for the work they do.

Miss Mildred McQuay, and Messrs. Eugene Metz, Karl Metz and Will Welsh arrived in town on Wednesday afternoon from State Normal, to spend the Easter vacation at their homes at this place.

Mark Gilbert, of Rochester, N. Y., is guest of his father, C. L. Gilbert and brother, W. G. Gilbert and wife, at their home on West Fourth Street.

Mrs. Mort. Dinny, of Port Allegheny, is visiting at Sterling Run, guest of her parents, Owen Wade and wife.

Five and Ten Cent Store.
The variety five and ten cent store of Mr. and Mrs. Edward Blinzer is still attracting the attention of large crowds of people and no wonder that the people of Emporium and vicinity are pleased with the store, because every article is well worth the small prices asked for them. One call at this place will convince the purchaser that the merchandise and prices are right.

Looking Their Finest.
Our several dry goods and millinery stores are certainly looking their finest and are replete with a beautiful line of Easter attractions. Our readers need not think of going out of town to make spring purchases. The three main establishments—Mr. Kuehne, E. S. Coppensmith and the Misses Ludiam—all personally visited the best city houses and carefully selected the most popular and stylish creations for millinery, dress goods, suits and novelty departments. The above are reliable dealers and will treat you fair and square.

Continues to Improve.
M. J. Doan, of City Hotel, continues to make more improvements on his popular hotel. After completely remodeling the interior, adding new furniture, papering, frescoing, closets and one of the handsomest wet goods rooms (the latter alone costing over \$1200.) he now gives the office the finishing touch by placing in a new counter with a handsome cigar case. With an expenditure of several thousand dollars, he has now every convenience and comfort for his increasing trade. Our friend now tells us that he contemplates following the idea of the Press and put up an electric sign. "Let your light so shine."

Don't Be Bald.

Almost Any One May Secure A Splendid Growth of Hair.

You can easily find out for yourself if your hair needs nourishment, if it is thinning, getting dry, harsh and brittle, or splitting at the ends. You simply have to pull a hair from the top of your head and closely examine its root. If the bulb is plump and rosy it is all right; if it is white and shrunken your hair is diseased and needs nourishment.

We have a remedy for hair troubles that cannot be surpassed. It has a record of growing hair and curing baldness in 93 out of 100 cases where used according to directions for a reasonable length of time. It will even grow hair on bald heads if the scalp is not glazed and shiny. That may seem like a strong statement—it is, and we mean it to be, and no one should doubt it until they have put our claims to the actual test.

We are so sure that Rexall '93' Hair Tonic will completely eradicate dandruff, prevent baldness, stimulate the scalp and hair roots, stop falling hair and grow new hair, that we personally give our positive guarantee to refund every penny paid us for Rexall '93' Hair Tonic in every instance where it does not do what we claim or fails to give entire satisfaction to the user.

Rexall '93' Hair Tonic is as pleasant to use as clear spring water. It is perfumed with a pleasant odor, and does not grease or gum the hair. We have it in two sizes, prices 50 cents and \$1.00. We urge you to try Rexall '93' Hair Tonic on our recommendation and with our guarantee back of it. You certainly take no risk. Remember, you can obtain Rexall Remedies in Emporium only at The Emporium Drug Co., Emporium, Pa.

The Other Side of It.
"It's no disgrace to fall if you have done your best," said the philosopher. "That may be so," replied the man who had fallen. "But it's pretty tough to have to admit that the best you could do was fail!"—Detroit Free Press.

Individual Drinking Cups.

The Pennsylvania Railroad, it has been learned, will shortly begin to furnish individual drinking cups in all its waiting rooms in this state. Officials of the road for some months have been preparing to conform with the recommendations of the State Board of Health to abolish the public drinking cup.

"The public drinking cup is as truly a poisoned cup as though it contained arsenic or strychnine," is the statement with which Dr. Dixon, Secretary of the State Board of Health has gone on record.

"There is scarcely a person," he says, "so ignorant as not to be aware that consumption is caused by a germ, and that same germ lurks in the mouth and on the lips of the consumptive and thence is consequently communicated to any drinking vessel that the consumptive puts to his lips. The same is true of diphtheria and other infectious diseases."

The Pennsylvania Railroad has for some time been experimenting with bottled water in its coaches, and it is understood that the old ice tank and public cup will be replaced in coaches by bottled water and some kind of an individual drinking cup arrangement.

"The following picture from actual life can be duplicated on almost every train," says the State Board of Health Monthly Bulletin:

"The father of a family, well gone in consumption, after a fit of coughing and its necessary result, hastens to cool his burning throat, his sweeping mustache spreading well over the sides of the glass and into the water. The glass, with no pretense of cleansing, is gallantly brought back to the wife with the innocent baby in her arms, both of whom partake, and then the other children, seized with imitative thirst, go to the cooler and drink from the same glass."

Recently the school authorities in every city and town in the state have been warned by the state health officer to prohibit the common use of drinking cups by the school children.

Very Needy.

The undersigned, who has been very ill with catarrhal grippe during the past three weeks, is very needy and asks the people of Emporium who are indebted to me ever since last summer, to kindly leave same with Mr. H. H. Mullin, editor of PRESS, or Mr. Chas. Seger, P. M. I will not mention names, but the patrons read the PRESS. I hope they will do as they wish to be done by, which is one of God's commands, and I shall be much obliged.

MRS. E. KEPHART.

In any case of stomach trouble, due to indigestion or dyspepsia you may feel sure that Kodol will give you relief promptly. This is what Kodol is for: It digests the food that you eat and does it completely. It is sold by all druggists.

FOUR MILE.

Messrs. Haskins and Peasley have finished their log job. Good for them.

Allen Russell says that bear hunting season is too short, because he didn't get all that was coming to him—six bear and one moose and otter, five feet and three inches long, four red foxes, one wild cat and grouse and rabbits too numerous to mention.

Uncle Billy Whitmer has rented the E. C. Davy farm for another year and is getting ready for spring work. Billy is a hustler all right.

Our Valley is looking prosperous, all the vacant farm having workers on them, cleaning up and getting ready for spring work. That is as it should be.

We saw some old logs split open and rotten wood scattered around, while down the creek were steps. Look out boys, for trouble. The season has not opened yet and you will surely be caught.

Allen Russell was on the sick last week. A big boy has arrived at his home and "Al" will soon be buying another gun.

Miss Grace Russell and her brother Charles were seen on our boulevard last week.

Mrs. Allen Russell, who has been staying for some time at her mother's, has gone home.

WORDS ENOUGH.

For Your Easter Table

and for the pleasure of the children on Easter morning, have your eggs dyed with the rich and handsome colors from the largest assortment in your county, i.e.,

- Paas Egg Dye
- Long's Marbled Dye
- Fleck's New Combination
- Long's Magic Chips

The dyes are perfectly harmless and makes a beautiful Easter decoration for your breakfast table. Our sole aim during the year is to keep people from dying, but on Easter we advise you to dye when it affords so much pleasure to the children.

Teachers' Institute.

There will be a Teachers' Institute held in Emporium, Friday evening and Saturday, April 1st and 2d. Superintendent Lose, of Williamsport, will be present and speak at each session. All the teachers of the county are urged to attend. The Friday evening session will be of especial interest to patrons and a large attendance is hoped for.

COMMITTEE.

EMPORIUM PUBLIC LIBRARY.

Progress of Emporium Public Library from March 18, 1909 to March 18, 1910.

The Emporium Public Library has been open to the residents of Cameron county since March 18, 1908, which will be two years March 18, 1910, and has been open every day except Sundays and Holidays. Since March 18, 1909 to March 18, 1910, the reading room has been visited by 7,790 readers. Students in quest of information concerning special topics, 259. Children visitors, 490. Library circulation, books and magazines used in Library, 3,044. Number of books issued for home use, 3,542. Registration during the year, 129.

A great many people do not seem to realize that they can draw two books at a time, providing one of them is non-fiction.

The Librarians are also glad at all times to look up references and data for students or others interested in preparing special subjects.

Pink Rose Service at Baptist Church.

Next Sunday evening the choir of the Baptist church will render the beautiful story and song service entitled "The Pink Rose". The story is of a girl who was rescued from one of the famous Mulberry Bend dives in New York City—and her after life. A violin solo and a male quartette will add to the beauty of the service. The service will begin promptly at 7:15 o'clock. The church doors will be open at 7:00 o'clock. No price for admission. We extend a cordial invitation to the public to be present and enjoy this service. This will take the place of our usual Easter service.

If you are interested in a good school, it will pay you to write to the Lock Haven State Normal School for a copy of its handsome catalog. In its equipment and faculty, and in its social environment, it is an ideal school. The spring term opens April 4th.

MANY GRIP VICTIMS

Just now many grip victims are troubled by an obstinate cough. Dodson's White Pine and Spruce will positively relieve that particular after grip hacking.
