One Conductor Who Was Cured.

Mr. Wilford Adams is his name, and he writes about it .- Some time ago I was confined to my bed with chronic rheums tism. I used two bottles of Foley's Kidney Remedy with good effect, and the third bottle put me on my feet and I resumed work as conductor on the Lexington. Ky., Street Railway. It gave me more relief that any medicine I had ever used, and it will do all you claim in cases of rheumatism." Foley's Kidney Remedy cures rheumatism by eliminating the uric acid from the blood. Sold by the Emporium Drug Co.
