The ball game played Sunday P. M., with Sterling Run proved to be a farce. The score in the last half of the eighth inning was 10-9 in favor of Sterling Run, with the Cameron boys having the bases filled and one out, when the Sterling Run team left the field, declaring the Umpire's decision unsatisfactory, they thereby forfeiting the game 9-0, favor of Cameron. The Cameron team played good ball, and pitcher "Rube" Walker was the receiver of a silver Cup for his fine work, and "Ty" Sullivan received marked attention for his all-around good playing. [It strikes ye editor that it would be more to the credit of the ball tossers if they cut out Sunday games. It is not a good example to set the rising generation. Cut it out, boys. You certainly have sufficient spare time during week days, without desecrating the Sabbath.]—EDITOR.
