They are also manufacturers of the Buick, Oldsmobile and five other autos, having extensive plants. The new company represents a capital of \$90,000,000. Chief Mundy captured a Port Allegany chap named Coughlin, charged with stealing a watch. There is quite a joke connected with this case. Building Falls on Woman Fatally Injuring Her.

Last Sunday morning, while assisting her husband, Allen Russell, who resides on Four Mile, to move an out-building, which he had placed on a stone boat, the building falling on her, fatally injuring her back. Dr. H. S. Falk was called and reported the lady's back broken. The sad circumstances surrounding the family is deeply deplored, seven children being afflicted. The husband, Allen Russell, who works in the woods most of the time, is certainly to be sympathized with.

The injured lady was moved to the residence of Mrs. Allen, Sr., on the Portage, near Emporium, on Tuesday that she might be nearer to the attending physician, or sent to a hospital. We deeply feel for the afflicted family.

LATER—Dr. H. S. Falk took the injured lady to the Williamsport hospital Tuesday evening.

The Lock Haven Democrat says that President Judge of the 25th Judicial district, Harry Alvan Hall, has made an order based upon the Act of Assembly of May 1, 1907, appointing J. One-twelfth of said amount to be paid monthly, beginning May 1, 1910, on the order of the presiding judge. In addition the reporter is to be allowed expenses and supplies in amount as the court may deem proper and necessary.

Heretofore the pay of the court reporter was per diem and extra for transcribing, etc., the total of which was about the same as he will now get under the salary act.
