

Every woman should know why NIAGARA MAID Silk Gloves are superior to other makes in style, workmanship and wearing qualities. Here are the reasons:

Only the purest silk is used in their manufacture; every particle of natural gum is removed. This insures a greater amount of wear and a better fit. They are made by clean, wholesome American girls. Every pair of NIAGARA MAID Silk Gloves receives the same care and attention as if that particular pair were made and intended for the first lady in the land.

The best fashion advices proclaim long silk gloves as indispensable to the well-groomed woman. NIAGARA MAID Silk Gloves, both plain and embroidered, are always in good taste and they are not at all high priced.

Up-to-Date!

This is the age of UP-TO-DATENESS. To be up to the times alone will not do! It's necessary to be UP-TO-THE-HOUR. This applies to successful merchandising in particular. When the Buffalo Wholesale Merchants were here recently we received the compliment from them that this was the most up-to-date Dry Goods Store of its size they had seen in the 25 Towns visited. Up-to-dateness in every Dept. of our business won us "Leadership". There's no charge for UP-TO-DATENESS in our prices. Quite the contrary; we can afford to, and do, undersell competition. We buy for the very lowest prices and sell accordingly but for cash only. You don't have to pay for somebody's bad debts here.

When Her Back Aches.

A Woman Finds All Her Energy and Ambition Slipping Away.

Emporium women know how the aches and pains that come when the kidneys fail make life a burden. Backache, hip pains, headaches, dizzy spells, distressing urinary troubles, all tell of sick kidneys and warn you of the stealthy approach of diabetes, dropsy and Bright's disease. Doan's Kidney Pills permanently cure all these disorders. Here's proof of it in an Emporium woman's words:

Mrs. A. Extrom, Sixth Street, Emporium, Pa., says: "I do not hesitate to recommend Doan's Kidney Pills for they did me a world of good. I suffered intensely from backache and pains through my kidneys and I was restless at night. Headaches and dizzy spells annoyed me and my feet often became swollen. Nothing gave me relief until I procured Doan's Kidney Pills from Taggart's drug store. They proved to be just the remedy I needed and the contents of three or four boxes restored me to good health."

Halley's Comet has been visible but little here on account of cloudy and hazy weather, and if it is guilty of causing the cold bad weather, which has killed all the fruit and most of the young garden truck, we can afford to bid it good bye for another 75 year trip through space. There was but little fruit here last year, and none this year, and this being the general bearing year for orchards, here, we are about sure of a three years' fruit famine.

It is reported that there are lots of large trout coming up the stream this spring, but since the pulp mill at Austin is again turning it foul stuff into the stream, they are no good for food, when caught. It seems as though the authorities of the great State of Pennsylvania should be able to put a stop to the pollution of the streams, and do something to preserve the fish, instead of wasting so much time and money in hatching and stocking the streams, for the manufacturers to kill. But this is another case of control the situation, thus keeping up the reputation of this State for "Graft and Hoodie."
