Uncle Tom Logan, of Wharton township, as he has been familiarly known for a great many years, died on Sunday about 3 p. m., at his old home in that place. We believe he was in his 80th year and had been suffering a long time with a complication of diseases principally of which was dropsy. He leaves one sister, Mrs. John Brooks, of East Fork; one daughter, Mrs. B. F. Ross; three sons, Arch, James, Bridge, and several grand children. We have not heard the particulars of the funeral, but interment will be made in Gilmore Cemetery at this place beside his wife, who preceded him a number of years ago.

C. E. Logue has bought the house and lot of Geo. Morton and is repairing the buildings, and a foundation laid for a two-story house and will probably open a "Bear Hunter's Paradise," about Oct. 1st and then if they are as thick as they were last year there will be something doing.

This is true the world over where this valuable remedy has been introduced. No other medicine in use for diarrhoea or bowel complaints has received such general approval. The secret of the success of Chamberlain's Colic, Cholera and Diarrhoea Remedy is that it cures. Sold by all dealers.

Game Warden Smith, who is looking out for the interests of the State Game laws, went up to investigate, when it proved that brother Logue had only captured a ground hog with three little ones, which are all doing well. Don't excite us again that way brother Logue, it makes us old hunters feel bad.
