MR. H. H. MULLIN, DEAR SIR:--I will drop you a few lines to let you know that I am now at Cheyenne, after one of the most de-lightful trips I over had. I arrived here this morning frem Reno, Nevada, having gone there ten days ago to see lightful trips I over had. I arrived here this morning frem Reno, Nevada, having gone there ten days ago to see the big flight and I am no sorry for it either. It was a fine sight to see those two big fellows in the ring; not men-tioning all the other puglilsts of fame, among whom were Corbet, Sharkey, Nelson, Fitzinimons, Sullivan, Waigast, Attel and twenty-five or more others. Jefferies never had a chance during the enthre fight, being a slow as Geo. Hacket. Well, it kept me basy keeping out of the way of people who went crazy over the fight. It was something frightful the way they acted. While coming back I met Joe Egan at Ogden. He was also at the fight but neither saw the other at the fight. He was leaving for Seatle, Wash., having a job as machinist in the Great Northern Railroad Shops. Well, I will close for this time, hoping to receive the PRESS regularly and that everybody is O. K. I remain as ever.
