REPUBLICAN TICKET. For Governor, JOHN K. TENER, Charleroi, Washington county.

REPUBLICANS WILL WIN EASILY SENATOR PENROSE DECLARES

Taft Administration Has Kept Its Pledges to the People.

United States Senator Boies Penrose says that the Republicans will sweep Pennsylvania this fall, electing not only the State ticket but retaining the present strength in Congress.

Returning to Pennsylvania, I predict that John K. Tener will prove to be a powerful candidate and an admirable Governor.

Returning to Pennsylvania, I predict that John K. Tener will prove to be a powerful candidate and an admirable Governor.

What about the alleged movement to defeat Representatives who voted with Speaker Cannon?

Nothing will come of it. They voted right, and their action needs no defense.

Pessimism is a contagious disease. Prosperity is its antidote. All signs point to the effective check of the malady.

The Churches.

FIRST METHODIST EPISCOPAL. Rev. J. F. ANDERSON, Pastor. Subject of Sermon at 10:30 A. M. "Fitness for the Kingdom."

FOUR REASONS WHY THE JEFFRIES-JOHNSON PRIZE FIGHT MOVING PICTURES SHOULD NOT BE PUT ON EXHIBITION IN EMPORIUM.

1.—Because such pictures would be exhibitions of brutality and crime, appealing only and directly to the depraved and beastly in human nature.

For these, and other reasons which could be named, such exhibitions should be prohibited in Emporium, both by public sentiment and by legal authority.

JOSEPH F. ANDERSON, Pastor First Methodist Episcopal Church.

Special Low Rates. During the free exhibit and demonstration of the International Correspondence Schools of Scranton this week in the Fetter Building, Fourth street, Emporium, they are organizing a special club of students and giving a very large discount from the regular prices of their courses.

W. G. T. U. Notice. The Woman's Christian Temperance Union will hold their regular business meeting Saturday, July 23, at eight o'clock at the home of Mrs. F. P. Schirmer on Fifth street.

Base Ball Practice. Every one who ever did play ball, or hopes to in the future, are urgently requested to come out. Let us get together and see if "The Office Men" cannot give "The Regulars" a run for honorary mention.

Lady Press Agent With Robbins Shows.

Mrs. Charles A. Chapman, advance press agent for the Frank A. Robbins circus, which appears in this city May 25, was a pleasant caller at The Daily News office this afternoon.

It's Your Kidneys.

Don't Mistake the Cause of Your Troubles. An Emporium Citizen Shows How to Cure Them.

Many people never suspect their kidneys. If suffering from a lame, weak or aching back they think that it is only a muscular weakness, when urinary trouble sets in they think it will soon correct itself.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents. Remember the name—Doan's—and take no other.

Eight Months for \$5.00. Any person who cannot get their strength back in the four months which constitute a \$5 treatment of Sistine Pills is entitled to the free treatment of four months more.

Must be Above Suspicion. Kidney and bladder ailments are so serious in their consequence, and if unchecked so often fatal that any remedy offered for their cure must be above suspicion.

Foley's Kidney Pills have Cured Me. The above is a quotation from a letter written by H. M. Winkler, Evansville, Ind. "I contracted a severe case of kidney trouble. My back gave out and I was unable to walk."

The Delineator for August. The Delineator's August number contains a great deal about beautiful women. In the new editorial department, "Conversations," which has quickly gained an immense audience, Erman J. Ridgway mingles grave and gay philosophy so deftly that all who read must stop to think, even while they smile.

"Getting Pretty Quick," by Gelett Burgess, is an extraordinary article, which deals with a beauty quite different from that considered editorially by Mr. Ridgway. The writer gives an account of the sufferings endured by a foolish woman willing to be actually skinned alive in order that she might appear young.

THE MAN'S MAGAZINE PAGE appears for the second time in the Delineator and it is a distinct humorous success. No more unique idea than this has ever been exploited by a periodical.
